Weapons of Our Warfare Greg Locke,2023-07-25 It's time to embrace the power of the divine arsenal and triumph in every aspect of your life. After reading this book you will discover the secrets of activating the full power of the armor of God, equipping yourself to overcome every spiritual battle. Through fresh perspectives, practical insights, and powerful strategies, this book will empower you to wield your divine arsenal effectively and emerge victorious in the face of opposition. Put on the armor of God has become a battle cry in the church today, but most Christians have no clue how to put it on in a way that unleashes its supernatural, Holy Spirit power. They might have the pieces of the armor memorized, but what good are words if they are made lifeless by a lack of understanding or powerless by a lack of action? In *Weapons of Our Warfare*, the first book in his *Spiritual Warfare Series*, firebrand pastor Greg Locke plumbs the depths of this divine arsenal in fresh new ways that will transform believers' lives and equip them to defeat the enemy on every front. For anyone ready to suit up and boot up for Jesus and contend for the faith in these last of the last days, this book is a must-read.

Helmet Douglas Maxwell,2002-03-11 *Helmet* (a.k.a. Roddy) lives his life completely immersed in computer games. The little time he has away from his consoles is spent in *The Zone*, a low tech games shop, which has just this very day gone bankrupt. Sal, the down-trodden owner of *The Zone*, is left wondering where it all went wrong. The shop is Sal's prison, but it's *Helmet's* church. As they get to know each other, hiding from reality for a while, it becomes clear that *Helmet* has a secret that could make things a lot worse for both of them. *Helmet* is structured in levels like a computer game, in which each character has three lives. A production involving art graphics projections and effects, *Helmet* toured in 2002, including performances at *The Traverse*, *Edinburgh* and the *Soho Theatre*, *London*.

Fireborne Rosaria Munda,2020-12-29 One of fantasy's best series. -Booklist, starred review *Game of Thrones* meets *Fourth Wing* in a debut young adult fantasy that's full of rivalry, romance . . . and dragons. Annie and Lee were just children when a brutal revolution changed their world, giving everyone--even the lowborn--a chance to test into the governing class of dragonriders. Now they are both rising stars in the new regime, despite backgrounds

that couldn't be more different. Annie's lowborn family was executed by dragonfire, while Lee's aristocratic family was murdered by revolutionaries. Growing up in the same orphanage forged their friendship, and seven years of training have made them rivals for the top position in the dragonriding fleet. But everything changes when survivors from the old regime surface, bent on reclaiming the city. With war on the horizon and his relationship with Annie changing fast, Lee must choose to kill the only family he has left or to betray everything he's come to believe in. And Annie must decide whether to protect the boy she loves . . . or step up to be the champion her city needs. From debut author Rosaria Munda comes a gripping adventure that calls into question which matters most: the family you were born into, or the one you've chosen.

The United Nations Motorcycle Helmet Study United Nations Economic Commission for Europe, 2016-03-31 This study examines issues, progress and challenges in efforts to improve the safety and wellbeing of motorcycle riders through the use of approved motorcycle helmets. The growth in motorcycles is accompanied by an increase in serious and fatal accidents. Evidence shows that once internationally harmonized helmet regulations, such as the UN Regulation No. 22 type-approval system for helmets, are in place and laws on helmet wearing are enforced, these trends tend to reverse. In examining the relationship of income growth and national motorcycle fleet expansion, this study argues the socio-economic case for introduction of helmet regulations and their enforcement by delivering a benefit-cost analysis of taking such legislative actions.

It Is Written Chuck Chapman, 2023-11-17 For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. – Ephesians 6:12 It is written that there is an ancient war going on! Whether you are aware of it or not, whether you believe in that sort of thing or not, and whether you care or not, that battle rages on even now as you read this. Have you ever wondered: Is the devil real? Can people really be possessed by demons? If so, can Christians be affected by demonic activity? What power does the enemy have over me? What power do I have over the enemy? Is there anything I can do to lose that power? Is there anything I can do to gain more power? How do I claim and use my authority in Christ? Is there any way to get the devil to leave me and my family alone? *It Is Written: A Field Guide to Spiritual Warfare* answers all of these questions and more by pointing the reader to the Word of God (book, chapter, and verse) for relevant, practical application on exactly how to overcome Satan (and his army) as well as how to take the fight to the enemy. Are you tired of getting pounded on by the devil day after day, week after week, month after month, and year after year? If so, then this is the path to freedom for you! It may surprise you to learn that it is written that if you are an authentic, obedient child of God then the devil doesn't have any power over you, unless you just give it to him! Furthermore, it is written that if you are indeed "in Christ" then you are actually the one with all the power and authority over the kingdom of darkness. Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you. – Luke 10:19 *It Is Written: A Field Guide to Spiritual Warfare* will teach you exactly how to endorse and enforce this God-given power and authority.

The Armor of God Melissa Weeks-Richardson, 2019-08-30 All Christians will have to deal with spiritual warfare at some point in their life. The Armor of God is written to remind the Christian believer first of all that they have power and then to remind them of the power that they have. Second, it instructs them of who their foes are. Often times, the believer will look at an individual not realizing that their foe is not specifically an individual. Finally, the Armor of God instructs the believer about the Armor of a soldier and a Christian. We are soldiers in the army of the Lord. In order to properly engage in spiritual warfare, one must be prepared for battle.
