Through this detailed study of Ephesians 6:10–20 you will discover the importance of the armor of God, recognize how righteous living protects your heart, learn to detect Satan's tactics aimed at weakening your faith, realize the true meaning and power of grace, and learn to use the Word of God effectively.

As Seen in Vogue Daniel Delis Hill,2004 Throughout the twentieth century the ready-to-wear industry, fashion journalism, and mass-media advertising fueled one another's success by identifying an ever-widening consumer class and fanning the desire to be fashionable. Through more than six hundred fashion ads that appeared in Vogue from the magazine's debut in 1893 through the next ten decades, Hill documents not only this symbiosis but also an evolution in American fashion, society, and culture. In rich progression, the images document metamorphoses: from alabaster Victorian homemaker to painted flapper in just a generation, from conformist fifties mom to miniskirt-clad iconoclast only a decade later, from power-suited yuppie of the eighties to the techno self-stylist of the new millennium. In this long view of interactions that shaped much, much more than the fashion, Hill offers a comprehensive examination and resource for students and professionals in fashion and business history, popular culture, advertising, marketing, and women's studies.

It is home to the most implacable enemies that humanity, in all its interstellar expansion, has ever encountered. Body armor has been devised for the commando forces that are to be dropped on Banshee—the culmination of ten thousand years of the armorers' craft. technology to design perfect, mindless war minions. Felix is a scout in A-team Two. Highly competent, he is the sole survivor of mission after mission. Yet he is a man consumed by fear and hatred. And he is protected, not only by his custom-fitted body armor, but by an odd being which seems to live within him, a cold killing machine he calls “The Engine.” This is Felix’s story—a story of the horror, the courage, and the aftermath of combat, and the story, too, of how strength of spirit can be the greatest armor of all.
