Original.

Chatterbox ,1890

Jerome of Prague and the Foundations of the Hussite Movement Thomas A. Fudge,2016-06-01 The life and work of Jerome of Prague have been overlooked outside Czech historiography, but represent an important chapter in the understanding of late medieval European history. Thomas A. Fudge makes a case for the central importance of Jerome, peer of Jan Hus, by reconstructing his biography using the original Latin and Czech sources and drawing significantly upon German, French, English, and Czech scholarship. The book traces the development of Jerome's life, paying special attention to the controversies he caused at the universities of Paris, Cologne, Heidelberg, Vienna, and Prague. Of particular note are the two heresy trials in which he was a defendant (Vienna 1410-12 and Constance 1415-16). Fudge situates Jerome within the philosophical conflicts of the late fourteenth and early fifteenth centuries. He argues that Jerome is not only an important component in the intellectual history of the Middle Ages, and a leading personality in the church's war on heresy, but is also an essential influence on the development of the Hussite movement in Bohemia. As the Italian humanist Poggio Bracciolini remarked, after hearing Jerome speak at the Council of Constance in 1416, this was a man to remember. *Jerome of Prague and the Foundations of the Hussite Movement* brings to life a little known but indisputably significant figure of the late Middle Ages.

The Great Jewish Cities of Central and Eastern Europe Eli Valley,1999 The Great Jewish Cities of Central and Eastern Europe: A Travel Guide and Resource Book to Prague, Warsaw, Cracow, and Budapest is the most comprehensive guidebook covering all aspects of Jewish history and contemporary life in Prague, Warsaw, Cracow, and Budapest. This remarkable book includes detailed histories of the Jews in these cities, walking tours of Jewish districts past and present, intensive descriptions of Jewish sites, fascinating accounts of local Jewish legend and lore, and practical information for Jewish travelers to the region.

White Spots—Black Spots Adam Daniel Rotfeld,Anatoly V. Torkunov,2015-08-14 Poland and Russia have a long relationship that encompasses centuries of mutual antagonism, war, and conquest. The twentieth century has been particularly intense, including world wars, revolution, massacres, national independence, and decades of communist rule—for both countries. Since the collapse of communism, historians in both countries have struggled to come to grips with this difficult legacy. This pioneering study, prepared by the semi-official Polish-Russian Group on Difficult Matters, is a comprehensive effort to document and fully disclose the major conflicts and interrelations between the two nations from 1918 to 2008, events that have often been avoided or presented with a strong political bias. This is the English translation of this major study, which has received acclaim for its Polish and Russian editions. The chapters offer parallel histories by prominent Polish and Russian scholars who recount each country's version of the event in question. Among the topics discussed are the 1920 Polish-Russian war, the origins of World War II and the notorious Hitler-Stalin pact, the infamously shrouded Katyn massacre, the communization of Poland, Cold War relations, the Solidarity movement and martial law, and the renewed relations of contemporary Poland and Russia.

The Red Horse Eugenio Corti,2010-10-19 A literary phenomenon in Italy, this European best-seller was voted the best Italian novel of the decade in a public survey. Its success has gone way beyond Italy, having been translated into Spanish, French, Japanese and 3 other languages. This epic historical novel about World War II and after, written from the author's own personal experiences as an Italian Freedom Fighter, is a profoundly moving account of the war, those who fought in it on both sides, and the effects the war had on families in the author's hometown in northern Italy. On a wider scale, it is a faithful witness to the actual events of the war-including the historic personages who appear, the Russian campaign, the Nazi barbarism, the Communist gulag, the North Italian resistance, and beyond to the political life in the two decades after the war. This world, filled with powerful personalities, drama and clashing armies, bathes in the complex light of the truth. A truly great historical novel with its epic scope, what makes this a masterpiece is the underlying spiritual dimensions of the protagonist, his family and friends, which illuminates the ongoing tragedy of the war and its aftermath. In the end, it is a story of faith and hope in a world reduced to barbarism and cruelty. Born in 1921 in Lombardy, Eugenio Corti joined the Italian Freedom Fighters. From his experiences of the tragic retreat from Russia, Corti wrote a fascinating chronicle, *Most Did Not Return*, and a book about the Italian Freedom Fighters, *The Last Soldiers of the King*.

Operation Bagration, 23 June-29 August 1944 ,2016-12-22 The Rout of the German-Fascist Troops in Belorussia in 1944 covers the Red Army's Belorussian strategic operation: the linchpin of the 10 major Soviet offensive efforts launched that year to clear the country of the invader. During the course of this operation, the German position along the western strategic direction was destroyed and the stage was set for an advance into Poland and Germany. The success of this operation also set the stage for the Red Army's subsequent advance into the Baltic and South-Eastern Europe. Like most works generated by the General Staff, the Belorussian study divides the operation into two parts: preparation and conduct. The first deals with the massive efforts by the First Baltic and the First, Second and Third Belorussian Fronts to accumulate the men and materiel to break through the German defenses in the swampy and forested terrain of Belorussia. This section contains valuable information on the overall correlation of forces, equipment and troops' densities along the breakthrough sectors and Soviet plans for supplying the offensive, as well as detailed information regarding the employment of the various combat arms. The second part deals with the actual conduct of the several front operations that comprised the overall effort. This section covers the initial breakthrough battles and the encirclement of the Vitebsk and Bobruisk garrisons, followed by the capture of Minsk and the encirclement of sizeable German forces east of the city. The narrative then continues with the follow-on operations to cut off German forces in the Baltic States and to seize crossings over the Vistula River in Eastern Poland. Compiled and written by professional staff officers, this study provides a detailed look at the conduct of one of the major operations of the Second World War. This latest work, along with other studies in this series, offers another insight into the Red Army's conduct of the war at the operational-strategic level.

Twenty Years of My Life Douglas Brooke Wheelton Sladen,1915

Colours of War Robert Edward Crozier Long,1915

The Tesla Testament Eugene Ciurana,2006 The Tesla Testament - a thriller The deadliest weapon in history was invented over a century ago. It's more powerful than a nuclear blast and more lethal than all biochemical weapons. Its blueprints disappeared in the 1940's through US government action. The Tesla Testament is about how the most sinister terrorist group in the world, called Enbeaath or Rebirth Alliance, has unearthed the plans to rebuild it. Former undercover agent Francis Montagnet finds himself in a race against time to recover the plans and to stop the terrorists before they use the weapon for killing millions, including the leaders of the free world. Aided by the brilliant doctor Varenka Ulyanova--the Enbeaath leader's ex-lover--Francis outwits and outruns the terrorists across two continents. The final face-off is an epic battle for the survival of the free world and for the love of the beautiful Dr. Varenka.

The Prague Cemetery Umberto Eco,2011-11-08 The Prague Cemetery is the #1 international bestselling historical novel from the award-winning and New York Times bestselling author of *The Name of the Rose*, Umberto Eco. Nineteenth-century Europe—from Turin to Prague to Paris—abounds with the ghastly and the mysterious. Jesuits plot against Freemasons. Italian republicans strangle priests with their own intestines.

French criminals plan bombings by day and celebrate Black Masses at night. Every nation has its own secret service, perpetrating forgeries, plots, and massacres. Conspiracies rule history. From the unification of Italy to the Paris Commune to the Dreyfus Affair to The Protocols of the Elders of Zion, Europe is in tumult and everyone needs a scapegoat. But what if behind all of these conspiracies, both real and imagined, lay one lone man? “Choreographed by a truth that is itself so strange a novelist need hardly expand on it to produce a wondrous tale... Eco is to be applauded for bringing this stranger-than-fiction truth vividly to life.” —The New York Times

The New Encyclopaedia, Or, Universal Dictionary of Arts and Sciences ... Alexander Aitchison,1807

Magic Prague Angelo Maria Ripellino,1995 Attempting to go beyond the cliché of Prague as the golden city , this book brings out all its mystery, ambiguity, gloom, lethargy and hidden fascination. More than a literary and cultural history of Prague, this book seeks to be both a celebration and requiem for an oppressed culture.

God's Playground A History of Poland Norman Davies,2005-02-24 This new edition of Norman Davies's classic study of the history of Poland has been revised and fully updated with two new chapters to bring the story to the end of the twentieth century. The writing of Polish history, like Poland itself, has frequently fallen prey to interested parties. Professor Norman Davies adopts a sceptical stance towards all existing interpretations and attempts to bring a strong dose of common sense to his theme. He presents the most comprehensive survey in English of this frequently maligned and usually misunderstood country.
