President Masaryk Tells His Story Karel Čapek, 2014-04-10 This account of President Masaryk's life was taken from his own lips and set down in his own words by Karel Čapek. The chapters were not told consecutively as they are given here; they have been built up from material gathered by Capek during several years of intercourse with the President. For weeks at a time Capek stayed with President Masaryk and his family in their charming country house at Topolcanky, in Slovakia; and in the course of talks on summer days in the fields, beside a bonfire in the evenings, on quiet afternoons in the rose-covered summer-house, or on picnics which the whole family joined, he learned the facts, events and theories which he has woven into this book. This early work by Karel Čapek was originally published in 1924 and we are now republishing it with a brand new introductory biography.

Talks with T.G. Masaryk Tomáš Garrigue Masaryk, Karel Čapek, 1995 Translated by Dora Round Tomas Garrigue Masaryk (1850-1937) was a philosophy professor who became the founder and first president of Czechoslovakia (1918-1935) and was a leading figure in world affairs between the wars. Capek, author of 'War with the Newts', and Czechoslovakia's most prominent writer during these years, interviewed Masaryk at great length and produced this volume that tells Masaryk's unique story.

T. G. Masaryk and the Jewish Question Miloš Pojar, 2019-05-01 An English translation of a successful title by the first post-1989 Czech ambassador to Israel, Miloš Pojar. The book is a result of the author's life-long interest in this difficult and taboo theme. Starting with the first publication of the samizdat collection, TGM and Our Present Day, Czech anti-Semitism has been newly researched in a broad context. This book presents a useful summary of Tomáš Garrigue Masaryk's stances from his writings and political activities, including a detailed description of the historic first visit of the head of the state to Palestine in 1927. The English edition contains a preface by Shlomo Avineri and a personal essay by Petr Pithart.

The Masaryks: The Making of Czechoslovakia Zbyněk Zeman, 2019-08-15 In this biography of Tomáš Garrigue Masaryk (1850-1937), the founder of the Czechoslovak republic, and of his son Jan Masaryk (1886-1948), who became foreign minister in the Czechoslovak government-in-exile in London during World War II, the author retraces their lives against the dramatic background of the history of Central and Eastern Europe. "Zeman is sympathetic to his subjects but completely honest in presenting them as men, not myths." – John C. Campbell, Foreign Affairs "Dr. Zeman draws an interesting portrait of [T.G. Masaryk] the 'scholar President', an individualistic, curiously apolitical and yet far-sighted figure... The author has written a sound biography, at its best in the descriptions of Masaryk's attempts to found the new state." – Lisanne Radice, International Affairs "Zeman's portrait of the Masaryks is engagingly written and may be profitably read by the non-specialist." – Victor S. Masaryk's Democracy William Preston Warren, 1941 During World War I, President Masaryk of Czechoslovakia created a policy of enlightened democracy that caught the attention of Europe and America. He believed that tyranny cannot permanently conquer and that truth will ultimately prevail. He saw clearly, however, that democracy must create for itself a spiritual discipline, that it must solve the problems of living, that it must present a unified outlook on existence. T.G. Masaryk (1850-1937) Stanley B. Winters, 1990-03-05 Between the wars a personality cult grew around Masaryk. These three volumes constitute the first balanced critical assessment of the actual achievement of the university professor who became the first president of Czechoslovakia. In this the first volume scholars from Europe and North America offer new insights into the career and ideas of Masaryk during the three decades preceding the outbreak of World War I. They appraise his role as critic of injustice and outworn tradition, providing a most significant interpretation of his place in modern history.

T. G. Masaryk: Against the Current, 1882-1914 H Gordon Skilling, 1994-08-04 This study of T.G. Masaryk deals with his pre-1914 career as a professor and persistent dissenter. For three decades he was a constant and unrelenting critic of conventional wisdom, established institutions and customary practices in Bohemia and Austria-Hungary. At every stage he was a radical dissident in all questions of public life as well as in private matters: religion, the nationality problem the place of women, labour and the social question, parliament and government in the

Monarchy, its foreign affairs and foreign policy institutions, education, the courts and legal system, the Catholic Church, and clericalism, the university establishment, Czech politics and Czech political parties, the interpretations of Czech history, and anti-semitism.

Speaking to My Country Jan Masaryk, 2019-08-17 First published in 1944, these speeches deserve study by contemporary students of leadership, media, and international relations. Written and delivered by the then Foreign Minister of the Czechoslovak government-in-exile, they were broadcast over BBC radio as part of the Allied media campaign against the Nazis during the Second World War. Listening to them was punishable by death under Hitler's regime. Yet untold thousands of Czechoslovak citizens regularly risked their lives on Wednesday evenings to hear Jan Masaryk. From September 1939 through the end of the war, Masaryk was one of the wittiest and most popular voices on the air, hosting a program called Volá Londýn (London Calling). He evoked Jan Hus and the Good Soldier Švejk, recited poetry, told jokes, provided eyewitness reports of the bombing of London, news of battles in Europe and Africa, and of public opinion in the United States. His extraordinary broadcast marking the Jewish New Year 5704, in September of 1943, includes one of the first explicit references by an international leader to the extermination of the Jews. Masaryk's broadcasts were so treasured that after the war, a Czech collection of the talks sold out its 60,000-copy printing, followed by similar success in London. Seven decades have come and gone since these speeches were first aired, but the fundamental message of respect and caring for one another – and of living in freedom – remains both timeless and timely.
