Anna's Prize Katherine Rawson,2017-03 Anna can't wait to enter her blackberry pie in the local fair's pie contest. She is sure that she's going to win, but cousin Sophie has a secret that may derail Anna's dream.

**The Prize** Daniel Yergin,2012-09-11 The Prize recounts the panoramic history of oil -- and the struggle for wealth power that has always surrounded oil. This struggle has shaken the world economy, dictated the outcome of wars, and transformed the destiny of men and nations. The Prize is as much a history of the twentieth century as of the oil industry itself. The canvas of this history is enormous -- from the drilling of the first well in Pennsylvania through two great world wars to the Iraqi invasion of Kuwait and Operation Desert Storm. The cast extends from wildcatters and rogues to oil tycoons, and from Winston Churchill and Ibn Saud to George Bush and Saddam Hussein. The definitive work on the subject of oil and a major contribution to understanding our century, The Prize is a book of extraordinary breadth, riveting excitement -- and great importance.

*Deacon King Kong (Oprah's Book Club)* James McBride,2021-02-02 Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's Favorite Books of the Year Oprah's Book Club Pick Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of The Heaven & Earth Grocery Store, the National Book Award-winning The Good Lord Bird, and the bestselling modern classic The Color of Water, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of Deacon King Kong, James McBride's funny, moving novel and his first since his National Book Award-winning The Good Lord Bird. In Deacon King Kong, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters--caught in the tumultuous swirl of 1960s New York--overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets are meant to be hidden, that the best way to grow is to face change without fear, and that the

seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as *The Good Lord Bird* and as emotionally honest as *The Color of Water*. Told with insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

*The Prize* Dale Russakoff, 2015 As serialized in the *New Yorker*, a roiling, behind-the-scenes look at the high-pressure race to turn around Newark's failing schools, with Facebook's Mark Zuckerberg, Governor Chris Christie, and Senator Cory Booker in eyebrow-raising leading roles

Delusional States Nosheen Ali, 2019-09-19 Offers a pioneering study of state-making, religion, and development in contemporary Pakistan and its northern frontier.

The Prize Lisa Weedn, 1999 Exploring the wonder and beauty of ordinary experiences, these personal stories share the message that LIFE itself . . . is the prize. Time, memory, sharing, hope, self-reflection, and the tremendous opportunities that each day offers are among the themes contemplated in these rich narratives by Flavia. *The World's Most Prestigious Prize* Geir Lundestad, 2019-09-12 The World's Most Prestigious Prize: The Inside Story of the Nobel Peace Prize is a fascinating, insider account of the Nobel peace prize. Drawing on unprecedented access to the Norwegian Nobel Institute's vast archive, it offers a gripping account of the founding of the prize, as well as its highs and lows, triumphs and disasters, over the last one-hundred-and-twenty years. But more than that, the book also draws on the author's unique insight during his twenty-five years as Director of the Norwegian Nobel Institute and Secretary of the Norwegian Nobel Committee. It reveals the real story of all the laureates of that period - some of them among the most controversial in the history of the prize (Gorbachev, Arafat, Peres and Rabin, Mandela and De Klerk, Obama, and Liu Xiaobo) - and exactly why they came to receive the prize. Despite all that has been written about the Nobel Peace Prize, this is the first-ever account written by a prominent insider in the Nobel system.

*The Prize (Pony Club Rivals, Book 4)* Stacy Gregg, 2011-09-29 Saddle up for the fourth exciting Pony Club Rivals adventure! Will Georgie fulfil her riding dreams at the 'All-stars' Academy?

*Stalin's Music Prize* Marina Frolova-Walker, 2016-01-01 Marina Frolova-Walker's fascinating history takes a new look at musical life in Stalin's Soviet Union. The author focuses on the musicians and composers who received Stalin Prizes, awarded annually to artists whose work was thought to

represent the best in Soviet culture. This revealing study sheds new light on the Communist leader's personal tastes, the lives and careers of those honored, including multiple-recipients Prokofiev and Shostakovich, and the elusive artistic concept of Socialist Realism, offering the most comprehensive examination to date of the relationship between music and the Soviet state from 1940 through 1954.

**The Nobel Peace Prize** Fredrik S. Heffermehl, 2010-08-19 In this groundbreaking and controversial critique of the selections of Nobel Peace Prize winners, an eminent Norwegian lawyer and peace activist calls for its return to legal and moral compliance with the will of Alfred Nobel who wished to support disarmament to prevent war. The Nobel Peace Prize is the world's most coveted award, galvanizing the world's attention for 110 years. In recent decades, it has also become the world's most reviled award, as heads of militarized states and out-and-out warmongers and terrorists have been showered with peace prizes. Delving into previously unpublished primary sources, Fredrik Heffermehl reveals the history of the inner workings of the Norwegian Nobel Committee as it has come under increasing political, geopolitical, and commercial pressures to make inappropriate awards. As a Norwegian lawyer, Heffermehl makes the case that the Norwegian politicians entrusted with the Nobel peace awards have brushed aside the legal requirements in Scandinavian estate law using the prize to promote their own political and personal interests instead of the peace ideas Alfred Nobel had in mind. Evaluating each of the 119 Nobel Peace Prizes awarded between 1901 and 2009, the author tracks the ever-widening divergence of the committee's selections from Nobel's intentions and concludes that all but one of the last ten prizes are illegitimate under the law.

**Synthetic Organic Chemistry and the Nobel Prize, Volume 2** John G. D'Angelo, 2023-04-20 The Nobel Prize is the highest award in science, as is the case with nonscience fields too, and it is, therefore, arguably the most internationally recognized award in the world. This unique set of volumes focuses on summarizing the Nobel Prize within organic chemistry, as well as the specializations within this specialty. Any reader researching the history of the field of organic chemistry will be interested in this work. Furthermore, it serves as an outstanding resource for providing a better understanding of the circumstances that led to these amazing discoveries and what has happened as a result, in the years since.

**The Prize in the Game** Jo Walton, 2004-05-16 When a friendly competition leads to the death of a beloved horse and incurs the wrath of the Horse Goddess, the kingdoms of the island of Tir Isarnagiri are doomed to suffer. As the goddess' curse chases them down the years, four friends destined for

kingship-Conal, Emer, Darag, and Ferdia-are forced into conflict as their countries build towards war. Matters are complicated when Emer and Conal fall in love, and dream of escaping together from the machinations of their respective families. But Conal and Ferdia are rivals for the High Kingship of the island, and Conal cannot simply leave. The contest between them will lead to a visionary quest on a mountain sacred to the gods-and terrifying to men. Yet Emer faces an even greater struggle. For when war finally comes, Emer has two choices: perform her duty to the homeland to which she owes everything, or protect the one she loves and be branded a traitor forever. The path she takes will become the stuff of legend, and forever alter the destiny of Tir Isarnagiri. Set in the world of Jo Walton's previous novels, *The King's Peace* and *The King's Name*, this book takes us to a shining era of dark powers, legendary heroes and passionate loves-all of them ruled by the hand of Fate. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Duke's Prize; a Story of Art and Heart in Florence** Maturin M. Ballou, 2021-05-19 *The Duke's Prize* by Maturin M. Ballou is an inspiring story set in Italy. The narratives convey a variety of moral messages. Patience and consistency can result in great accomplishment; not all falls are intended to create roadblocks. The story beautifully instills the desire to conquer all. Love and dedication will always pay off.

**The Harvard Book** William Bentinck-Smith, 1982 If Harvard can be said to have a literature all its own, then few universities can equal it in scope. Here lies the reason for this anthology--a collection of what Harvard men (teachers, students, graduates) have written about Harvard in the more than three centuries of its history. The emphasis is upon entertainment, upon readability; and the selections have been arranged to show something of the many variations of Harvard life. For all Harvard men--and that part of the general public which is interested in American college life--here is a rich treasury. In such a Harvard collection one may expect to find the giants of Harvard's last 75 years, Eliot, Lowell, and Conant, attempting a definition of what Harvard means. But there are many other familiar names - Henry Dunster, Oliver Wendell Holmes, James Russell Lowell, Henry Adams, Charles M. Flandrau, William and Henry James, Owen Wister, Thomas Wolfe, John P. Marquaud. Here is Mistress Eaton's confession about the bad fish served to the wretched students of Harvard's early years; here too is President Holyoke's account of the burning of Harvard Hall; a student's description of his trip to Portsmouth with that aged and Johnsonian character, Tutor Henry Flynt; Cleveland Amory's retelling of the murder of Dr. George Parkman; Mayor Quiney's story of what happened in Cambridge when Andrew Jackson came to get an honorary degree; Alistair Cooke's commentary on the great

Harvard-Yale cricket match of 1951. There are many sorts of Harvard men in this book--popular fellows like Hammersmith, snobs like Bertie and Billy, the sensitive and the lonely like Edwin Arlington Robinson and Thomas Wolfe, and independent thinkers like John Reed. Teachers and pupils, scholars and sports, heroes and rogues pass across the Harvard stage through the struggles and the tragedies to the moments of triumph like the Bicentennial or the visit of Winston Churchill. And speaking of visits, there are the visitors too--the first impressions of Harvard set down by an assortment of travelers as various as Dickens, Trollope, Rupert Brooke, Harriet Martineau, and Francisco de Miranda, the precursor of Latin American independence. For the Harvard addict this volume is indispensable. For the general reader it is the sort of book that goes with a good living-room fire or the blissful moments of early to bed.

**Literary Prizes and Cultural Transfer** Petra Broomans, Mathijs Sanders, Jeanette den Toonder, Elise Bijl, 2021 *Literary Prizes and Cultural Transfer* addresses the multilevel nature of literary and translation prizes, with the aim of expanding our knowledge about them as an international and transnational phenomenon. The contributions to this book analyse the social, institutional and ideological functions of such prizes. This volume not only looks at famous prizes and celebrities but also lesser known prizes in more peripheral language areas and regions, with a special focus on cultural transmitters and their networks, which play a decisive role in the award industry. Cultural transfer and translations are at the heart of this book and this approach adds a new dimension to the study of literary and translation prizes. The contributions reveal the diverse ways in which a cultural transfer approach enhances the study of literary prizes, presenting the state of the art regarding recent developments in the field. Articles with a broader scope discuss definitions, concepts and methods, while other contributions deal with specific case studies. A variety of theoretical and methodological approaches are explored, applying field theory, network analysis, comparative literature and cultural transfer studies. By providing multiple perspectives on the literary prize, this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon.

**The Nobel Prize** Burton Feldman, 2000 Discusses the Nobel Institution in detail, telling about the award and its beginnings, what it means to win a Nobel Prize, the fields in which it is presented, who judges and how the prize is awarded, and more.

**The Big Door Prize** M. O. Walsh, 2020-09-08 The New York Times bestselling author of *My Sunshine Away* returns with another instant Southern classic: a gripping and heartfelt novel about a mysterious machine that upends a small Louisiana town, asking us all to wonder if who we truly are is

who we truly could be. What would you do if you knew your life's potential? That's the question facing the residents of Deerfield, Louisiana, when the DNAMIX machine appears in their local grocery store. It's nothing to look at, really--it resembles a plain photo booth. But its promise is amazing: With just a quick swab of your cheek and two dollars, the device claims to use the science of DNA to tell you your life's potential. With enough credibility to make the townspeople curious, soon the former teachers, nurses, and shopkeepers of Deerfield are abruptly changing course to pursue their destinies as magicians, cowboys, and athletes--including the novel's main characters, Douglas Hubbard and his wife, Cheryl, who both believed they were perfectly happy until they realized they could dream for more... Written with linguistic grace and a sense of wonder, *The Big Door Prize* sparkles with keen observations about what it might mean to stay true to oneself while honoring the bonds of marriage, friendship, and community, and how the glimmer of possibility can pull these bonds apart, bring them back together, and make second chances possible, even under the strangest of circumstances.

**Catalogue of the Alpha Delta Phi Alpha Delta Phi, 1899**

History of the Pulitzer Prizes in Journalism 1917-2000 Heinz-Dietrich Fischer, This volume describes the fascinating and sometimes amazing story of the prestigious Pulitzer Prizes in all journalistic award categories. On the basis of the confidential and unpublished jury reports it was made possible to reconstruct the decision-making discussions within the committees to confirm or prevent prize-winners by majority votings. The book also makes clear that Pulitzer awards during more than eight decades went to a broad spectrum of American newspapers.
