

Protagonist

Sacha Black

Crisanta Knight: Protagonist Bound Geanna Culbertson,2016-05-10 The next generation - the children of Snow White, Cinderella, and others - have lives and stories of their own. And not just long ago and far away but (sort of) here and now! Enjoy! I was going to be a great protagonist. At least that's what my mom, Cinderella, kept telling me. I, however, had my doubts. Unlike most main characters at Lady Agnue's School for Princesses & Other Female Protagonists, I was opinionated, bold, and headstrong. Moreover, for a princess, I had a lot of issues. I'm talking vicious nightmares about people I've never met, a total stalker prince, and a Fairy Godmother for an enemy. But I digress. Because here's the thing about living in an enchanted realm of fairytale characters, crazy junk you never planned on happens all the time. One minute you could be practicing fainting exercises in Damsels in Distress class, sword fighting in a field, or flying on a Pegasus, and the next, BAM! Your book has begun and you're saddled with a prophecy that changes everything. I still don't know if I will be a great protagonist one day. But I know one thing about my fate, for certain. Despite what The Author and the antagonists have in store for me, whatever it costs. . .I'll be the one taking charge of my own story.. Readers love Crisanta Knight! "The series is a great young adult fantasy fairy tale read that often reminds me of the television show Once Upon a Time." – Carrie's Book Reviews A great read that quite often had me laughing and enjoying what was going on. There's plenty of action and great characters. Definitely one I'd recommend checking out if you enjoy fairy tales to meet this next generation and root them on in their journey! – Carrie's Book Reviews "The suspense builds up a little at first, and then bam, excitement and adventure as Crisanta actually does something to change her fate, all in the fairytale realm of Book, where fairy godmothers, Prince Charmings, and happily ever after aren't all they're cracked up to be." – I Read Too Much! blog Crisanta Knight: Protagonist Bound is an outstanding book the writing, pace and premise are very well done the story keeps you turning the page in anticipation of what will happen next." - Books in Brogan The Crisanta Knight series Book 1 - Protagonist Bound; Book 2 - The Severance Game; Book 3 - Inherent Fate; Book 4 - The Liar, The Witch, & The Wormhole; Book 5 (to be released in April of 2019) - To Death & Back.

The Protagonist's Journey Scott Myers,2022-03-26 Character drives plot. Based on this principle, this book walks aspiring writers through the fascinating world of character-driven screenwriting. When a writer engages their characters, they start a process which naturally leads to the story's structure and everything else that makes for a well-written narrative. Exploring the protagonist's journey and their "unity arc," Myers explains how a family of characters surrounds the protagonist and influences their transformation process. This easy-to-follow guide features activities that will help writers of any level develop their stories from concept to scene-by-scene outline. Based upon a popular workshop Myers has led with over a thousand writers at all levels of experience, this book is a must-have for screenwriting students, both undergraduate and graduate, and those looking at advanced story development.

The Multi-Protagonist Film María del Mar Azcona,2011-07-11 The Multi-Protagonist Film is an insightful and provocative introduction to this important new genre. Explores the origins and history of one of the most exciting new developments in contemporary film worldwide Guides readers through the genre's central characteristics and conventions, as well as its evolution and cultural relevance Provides a theoretical framework that is developed through the analysis several films, including Grand Hotel, Singles, American Pie, Short Cuts, and Syriana. Reveals the duality of the genre's contemporary preoccupations: the impact of globalization on human lives versus the current state of intimate affairs, the crisis of marriage, and the proliferation of sexual choices

10 Steps To Hero - How To Craft A Kickass Protagonist Sacha Black,2019-01-04 From cardboard cut-out

to superhero in 10 steps. Are you fed up of one-dimensional heroes? Frustrated with creating clones? Does your protagonist fail to capture your reader's heart? In *10 Steps To Hero*, you'll discover: + How to develop a killer character arc + A step-by-step guide to creating your hero from initial concept to final page + Why the web of story connectivity is essential to crafting a hero that will hook readers + The four major pitfalls to avoid as well as the tropes your story needs Finally, there is a comprehensive writing guide to help you create your perfect protagonist. Whether you're writing your first story or you're a professional writer, this book will help supercharge your hero and give them that extra edge. These lessons will help you master your charming knights, navigate your way to the perfect balance of flaws and traits, as well as strengthen your hero to give your story the conflict and punch it needs. First, there were villains, now there are heroes. If you like dark humor, learning through examples, and want to create the best hero you can, then you'll love Sacha Black's guide to crafting heroes. Read *10 Steps To Hero* today and start creating kick-ass heroes.

Flat Protagonists Marta Figlerowicz, 2016 We've all encountered protagonists who, over the course of a novel, turn out to be more complicated than we thought at first. But what does one do with a major character who simplifies as a novel progresses, to the point where even this novel's other characters begin to disregard him? *Flat Protagonists* shows that writers have undertaken such formal experiments—which give rise to its titular flat protagonists—since the novel's incipience. It finds such characters in British and French novels ranging from the late-seventeenth to the early-twentieth century by Aphra Behn, Isabelle de Charrière, Françoise de Graffigny, Thomas Hardy, and Marcel Proust. Marta Figlerowicz argues that these uncommon flat protagonists challenge our larger views about the novel as a genre. Upending a longstanding tradition of valuing characters for their complexity, Figlerowicz proposes that novels, and their characters, should be appreciated for highlighting the limits to how much attention any particular person's self-expression tends to garner, and how much insight anyone has to offer her community. As invitations to consider how we might come across to others, rather than merely how others come across to us, flat protagonists both subvert and complement the more conventional approach to novels as, at their best, sites of instruction in interpersonal empathy.

Pandemic Protagonists Yvonne Völkl, Julia Obermayr, Elisabeth Hobisch, 2023-04-30 During the first mandatory lockdowns of the Covid-19 pandemic, citizens worldwide turned to »pandemic fictions« or started to produce their own »Corona Fictions« across different media. These accounts of (previously) experienced or imagined health crises feature a great variety of protagonists and their (re)actions in response to the exceptional circumstances. The contributors to this volume take a closer look at different pandemic protagonists in fictional narratives relating to the Covid-19 pandemic as well as in existing pandemic fictions. Thereby they provide new insights into pandemic narratives from a cultural, literary, and media studies perspective from antiquity to today.

The Effective Protagonist in the Nineteenth-Century British Novel Dr Terence Dawson, 2013-04-28 *The Effective Protagonist in the Nineteenth-Century British Novel* is an experiment in post-Jungian literary criticism and methodology. Its primary aim is to challenge current views about the correlation between narrative structure, gender, and the governing psychological dilemma in four nineteenth-century British novels. The overarching argument is that the opening situation in a novel represents an implicit challenge facing not the obvious hero/heroine but the individual that Terence Dawson defines as the effective protagonist. To illustrate his claim, Dawson pairs two sets of novels with unexpectedly comparable dilemmas: *Ivanhoe* with *The Picture of Dorian Gray* and *Wuthering Heights* with *Silas Marner*. In all four novels, the effective protagonist is an apparently minor figure whose crucial function in

the ordering of the events has been overlooked. Rereading these well-known texts in relation to hitherto neglected characters uncovers startling new issues at their heart and demonstrates innovative ways of exploring both narrative and literary tradition.

Break into Screenwriting Ray Frensham, 2010-08-27 This is a comprehensive, jargon-free guide for all budding screenwriters. Its aim is not just to guide you through the techniques and skills you need to write for the screen (film and television), but also to give you guidance on how to approach the industry as a whole. Focusing on every aspect of screenwriting, from how to set about the writing process to how to develop your characters, plot and structure, this book will give you all the guidance you need to break into this highly competitive industry and make a career for yourself as a screenwriter. **NOT GOT MUCH TIME?** One, five and ten-minute introductions to key principles to get you started. **AUTHOR INSIGHTS** Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. **TEST YOURSELF** Tests in the book and online to keep track of your progress. **EXTEND YOUR KNOWLEDGE** Extra online articles at www.teachyourself.com to give you a richer understanding of screenwriting. **FIVE THINGS TO REMEMBER** Quick refreshers to help you remember the key facts. **TRY THIS** Innovative exercises illustrate what you've learnt and how to use it.

An Analysis of the Protagonist of George Eliot's Novel "The Mill on the Floss" Nadine Stahlberg, 2010-02-03 Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1, University of Göttingen, language: English, abstract: Maggie Tulliver ist ein sehr komplexer und interessanter Charakter, der viel Analysepotenzial bietet. Sie ist nicht das gewöhnliche Victorian girl und repräsentiert nicht das Image des angle in the house, sondern unterscheidet sich davon in vielerlei Weise. Mit welchen Konflikten in ihrer Kindheit muss Maggie zurechtkommen und welche Auswirkungen haben diese auf ihr Handeln und ihre Entscheidungen im späteren Leben? Hätte ihr Schicksal vermieden werden können oder war das life in disgrace die einzige Option, die sie hatte?

The Failure of the Word Richard H. Weisberg, 1984-01-01 The cruel power of misdirected words, artfully structured but spiritually empty and bearing the stamp of law or legalistic reasoning, is a persistent theme in the modern novel. Richard Weisberg, who has written extensively on both literature and law, explores the role of legalism and its abuses in eight major novels of the nineteenth and twentieth centuries. Beginning with Dostoevski and moving by way of trenchant analyses of Flaubert and Camus, Weisberg culminates his argument in a brilliantly revisionist reading of Melville's Billy Budd. In each of the novels treated, Weisberg sees a verbally gifted central character relying on wordiness to avoid or distort previously revealed truths. He argues that the malaise Nietzsche called resentment goads these characters to verbalizations that do violence to others and, ironically, indict their very creators. He identifies the legalistic theme as the major mode of iconoclasm in modern fiction and the source of its holocaustic vision. Writers, he reflects, viewed with profound skepticism their culture's tendency to substitute complex narrative formalism for earlier, absolute approaches to justice. In this, Weisberg concludes, their works

anticipated the jurisprudential discourse of today. The Failure of the Word is a creative, provocative, and learned work, written with style and feeling. Weisberg brings to bear on his core themes (the legalistic proclivity and resentment) a wide body of knowledge and thought in law and philosophy, literary history and theory.--Robert L. Jackson, Yale University

The Protagonist Jaisimha M.L.,2020-07-23 Ever wondered what it is to be in a strenuous sales career for 40 years? With cancer visiting you with its daunting treatment regimen for a year along with a heart troubling you for ten years, culminating in a heart transplant? You will read all about it in my book. It is a firsthand account of coming face to face with the near end twice and emerging victorious. Testimonials: "Mr. Jaisimha's robust personality, nerves of steel and powerful willpower are extraordinary. It is this quality that made him conquer cancer at a young age, and heart ailment late in life. I am delighted to have him as a friend, not as a patient." – Dr. Ashutosh Kumar, senior consultant cardiologist cum electrophysiologist - Care Hospitals "I have known Jaisimha as a composed, sensible salesperson, never overboard and always honest. That's a rare breed of a business person you do not find in, much around these days." - Ms.MeenakshiMathur G.M Project Management –Sun Pharmaceuticals, New Delhi

Black Protagonists of Early Modern Spain ,2023-12-22 Remarkable products of a nation deeply implicated in the Atlantic slave trade, the seventeenth-century Spanish plays *Juan Latino*, *The Brave Black Soldier*, and *Virtues Overcome* Appearances appear together in English for the first time in this volume. The three protagonists not only defy the period's color-based prejudices but smash through its ultimate social barrier: marriage into the white nobility. Michael Kidd's fluid translations and extensive critical introduction, bibliography, and glossary are enhanced by Hackett's title support webpage. *Black Protagonists of Early Modern Spain* is essential reading for students of theater history, Spanish literature, and the African diaspora.

Protagonists of War Raymond Fagel,2021-10-01 Julián Romero, Sancho Dávila, Cristóbal de Mondragón, and Francisco de Valdés were prominent Spanish military commanders during the first decade of the Revolt in the Low Countries (1567–1577). Occupying key positions in this conflict, they featured as central characters in various war narratives and episodic descriptions of the events they were involved in, ranging from chronicles, poems, theatre plays, engravings, and songs to news pamphlets. To this day, they still figure as protagonists of historical novels: brave heroes in some, cruel oppressors in others. Yet personal, first-hand accounts also exist. Archival research into the letters written by these commanders now makes it possible to include their perspectives and the way they describe their own experiences. Looking through the eyes of four Spanish commanders, *Protagonists of War* provides the reader with an alternative reading of the Revolt, contrasting the subjective experiences of these protagonists with fictionalised perceptions.

Unveiling the Magic of Words: A Review of "**Protagonist**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Protagonist**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
