Between concerts and wedding plans, Dylan almost missed the glitch in the soul connection he shares with Heaven. Yet the truth can't be denied for long. What the Heart Keeps Kelli McCracken, 2021-12-27 A vengeful soul. An ultimate battle. A prophecy fulfilled. Dylan McBride never imagined he'd turn to darkness until he lost everything. His hybrid powers are drawing him to a world he swore to destroy—the world of The Fallen. Anger fuels his emotions and it's creating a monster not even his Keeper can control. His only desire is to gain custody of his daughter and disappear forever, but the one person willing to help him is a threat to his own existence. Heaven Lewis's nightmare has just begun. Though she and Layne have accepted their roles as the reincarnated Sun King and Queen, they're far from having their happily ever after. The Fallen have grown in numbers, and they're planning to conquer both humans and Psi in a sadistic, post-apocalyptic world. Time is running out, but Heaven is no closer to learning how to defeat them. Still reeling over his heritage, Layne Perry fears he'll follow his family's same tragic path into darkness, something Heaven assures him she'll never let happen. He and his queen hold the key to restoring the balance of good and evil. But even as the most powerful pyrokinetic, his abilities won't help him with his toughest battle yet—facing Dylan, the man who wants Layne and Heaven dead, the man Layne also calls brother. As the final battle looms, Dylan, Heaven, and Layne have demons to face and painful choices to make, but who will be the final victor? *What the Heart Keeps* is a paranormal romance filled with suspense, soulmates, and supernatural twists. If you like mystical worlds, larger than life characters, and captivating stories of good versus evil, you'll enjoy this epic tale of love, light, and darkness.

What the Heart Desires Kelli McCracken, 2021-01-05 A seed of doubt. A blind devotion. A soul divided. Dylan McBride will stop at nothing to protect his wife and child from the deadly clutches of The Fallen. Even if that means killing his own father. But Dylan is harboring a secret. One so devastating it could destroy his life with Heaven. The fire within Layne grows more powerful with each passing day. Time spent with Heaven teaches him how to control his Keeper abilities. Harnessing his emotions is another matter. As if battling against the magnetic pull of their affinity bond wasn't hard enough, Layne learns truths of the past that cast him in a role as far more than her protector. Dodging death threats and attacks by The Fallen are not the serene way Heaven wanted to welcome her child into the world. Worse yet, she must struggle to keep the peace between her soulmate and Keeper. Yet as she helplessly watches Dylan's behavior darken, the bond between her and Layne deepens. When exposed lies rip her world apart, Heaven will be faced with a gut-wrenching choice—deny the truth or surrender to her heart's desire. What the Heart Takes Kelli McCracken, 2020-11-24 A promised love. An ancient affinity. A Keeper's sacrifice. Dylan McBride loathes hiding—from his fans, the press, and his father. Unfortunately, he's left with no choice after his dad threatens Heaven's life. With his greatest fear looming, Dylan will do anything to protect his wife and unborn child. Even if that means tolerating the deepening connection Heaven shares with her Keeper. He once called Layne friend, but now he fears they are battling for the heart of the same woman. Layne is struggling to control the fire within him, but accepting his role as Heaven's Keeper is far more difficult. She affects his mind, body, and powers in a way no woman ever could. Simply being near her is waging war on his heart and soul. Yet, for the moment, that's the

price that destiny demands. Heaven can't escape her haunting clairvoyant visions. If they are allowed to come to pass, she'll need Layne's protection more than ever. Though he's taken to his Keeper duties, she can sense the hesitation that's preventing him from accessing his true power. Only together can they deepen their bond and arm themselves with the strength needed for what's to come. However, as the lines of friendship become blurred, Heaven learns there's a thin line between love, hate, and... fate. What the Heart Takes is the third installment in the Soulmate Series. Metapsychological Perspectives on Psychic Survival Simo Salonen, 2018-02-02

Metapsychological Perspectives on Psychic Survival explores the integration of traumatic helplessness in the course of psychoanalytic treatment. Based on the author's many years of experience of working with psychotic and severely traumatised patients, this book offers guidelines to approach extreme psychic trauma in the therapeutic setting. Simo Salonen links psychic representation of the elementary drive phenomena and metaphorical thinking to primary identification understood as a mode of object finding. The collapse of this connection signifies a radical psychic trauma, the

integration of which into the temporal continuity of an individual's life is an essential task for psychoanalysis. Another key element of this book is Salonen's notion of the primal representative matrix, referring to a resource of primary narcissism that an individual has been endowed with, carrying vital meanings. Also explored is the crucial work of mourning, as the result of which the impoverished ego may recover its primary narcissistic resources. Using insights from numerous case studies, Salonen offers a new way of understanding severe trauma, which can be used to advance both psychoanalytic theory and clinical practice. *Metapsychological Perspectives on Psychic Survival* will be of great interest to psychoanalysts and psychoanalytic psychotherapists.

Elemental K.L. Noone,2018-09-15 Daniel Rose should be having a good night. He's a bestselling author; he's had film adaptations of his books; he's met movie stars. And there's a storm outside tonight, electric and wild. Dan's always liked storms. Tonight, though, he's stuck staring at his computer and suffering from writer's block, out of ideas and inspiration. But when an adorable young man knocks at his door, asks to borrow Dan's kitchen spices, and announces witchcraft's real and their apartment building needs an exorcism, Dan's dark and stormy night takes a turn for the magical. Sterling Friday's among the youngest qualified practicing members of the coven, and this haunted building's only his third assignment. He's a very good clairvoyant but less good at proper spellwork, and he could use some help with both ingredients and psychic anchors. He also happens to be a fan of those Daniel Rose novels, and he's hoping Dan, as a writer, will believe his story and not turn him away. On a night drenched in magic and rain, as ghosts hover in the background, the attraction between them is immediate and elemental.
