Unschool Allan Woodrow,2017-08-29 Allan Woodrow is back with another pitch-perfect middle-grade novel full of hilarious antics, epic arguments, and a fifth grade that just doesn't get along! This year's fifth graders are the worst Principal Klein has ever seen. But he's hoping that Spirit Week can teach them teamwork, with a top secret prize for the winning team as incentive. Best friends George and Lilly have been looking forward to Spirit Week all year. They might be complete opposites, but they can't wait to be on the winning team together. When their classes end up rivals, with Lilly leading Team Red and George leading Team Blue, the friends swear they can compete and remain best friends. But suddenly there are slimed lockers, sabotaged costumes, and class pets held hostage. As the mischief escalates, it threatens everything, including the prize. Because if Principal Klein finds out, Spirit Week will be canceled and the students will spend the rest of the year in detention. Can George and Lilly find a way to fix their friendship and get the entire fifth grade to play fair, or is the most awesome week of fifth grade about to make this the worst school year ever?

death and survival set on the snowy summits of Mount Everest, from the bestselling author of *The Terror*. It's 1924 and the race to summit the world's highest mountain has been brought to a terrified pause by the shocking disappearance of George Mallory and Sandy Irvine high on the shoulder of Mt. Everest. By the following year, three climbers -- a British poet and veteran of the Great War, a young French Chamonix guide, and an idealistic young American -- find a way to take their shot at the top. They arrange funding from the grieving Lady Bromley, whose son also disappeared on Mt. Everest in 1924. Young Bromley must be dead, but his mother refuses to believe it and pays the trio to bring him home. Deep in Tibet and high on Everest, the three climbers -- joined by the missing boy's female cousin -- find themselves being pursued through the night by someone . . . or something. This nightmare becomes a matter of life and death at 28,000 feet - but what is pursuing them? And what is the truth behind the 1924 disappearances on Everest? As they fight their way to the top of the world, the friends uncover a secret far more abominable than any mythical creature could ever be. They snuggle, but not with a blankie or a teddy bear. *Monsters Go Night-Night* takes readers through the bedtime rituals of seven friendly monsters while making each step of the routine a guessing game. Getting ready for bed has never been so much fun!
