Bad Boy Ronin Ro, 2002-02-02 This is a tale of friendship, greed, and betrayal in the music industry—and a definitive history of America's biggest rap mogul. No one knows more about creating hits than Sean “Puffy” Combs. For years he virtually ran hip-hop. It seemed the perfect arrangement: “Puffy” provided the sounds and obsessive attention to detail while the Notorious B.I.G. promoted an image that kept rap fans happy. It should have lasted forever, but “Biggie” was murdered at the height of his career—and “Puffy”'s ascension to superstardom ushered in an age of disloyalty and deception that exploded into one of the greatest debacles in the history of the music industry. Through interviews with label insiders, grand jury testimony, and other sources, America's preeminent rap journalist Ronin Ro -reveals the true story of “Puffy” -addresses the larger issues that shaped the man and the industry -explains how Bad Boy both helped and destroyed hip-hop and R&B music -details why some artists “Puffy” created ultimately left his Bad Boy family in disgust. At once an intimate history and a portrait of an era, Bad Boy shows readers exactly how Combs lost his strangle-hold over the multibillion-dollar rap music industry. The story of Bad Boy Entertainment is the story of the American Dream, an up-close and personal account of the people, the money, the creative process that made it all come true, and the young mogul who caused the dream to fall apart. In this hip-hop tragedy of Shakespearean dimensions, readers finally learn the story that Sean “Puffy” Combs does not want them to know.

Penny and Puffy Zakes Mda, 2015 Penny and Puffy is a beautiful story about love, caring and friendship. Penny is a penguin and Puffy is a puffin, two different kinds of birds. They live as a family on Robben Island, near to Cape Town, with their parents, Mother Penguin and Father Penguin. Penny and Puffy are brought up together as brother and sister. The story is about how we can make up our own families, and that although each one of us may be different, it does not stop us from being loving and caring to each other. Although written for children, this book will delight and warm the hearts of readers of all ages. -- Introduction written by Maria van Driel.
