Nat Brehmer

Puppetmaster Mike McQuay, 1991

Puppet Master Complete Nat Brehmer, 2021-09-17 This book is a comprehensive history of the most successful straight-to-video horror franchise of all time: *Puppet Master*. It provides an in-depth exploration of all 14 films to date—including a made-for-TV crossover and a theatrical reboot—and the action figures, comics, and other merchandise that have helped to keep the brand alive for the past 30 years. *Puppet Master* was the first film for independent producer extraordinaire Charles Band's Full Moon Entertainment, launching a franchise and a micro-budget studio that have both continued to this day. What led to the film's success? How did a little movie about killer puppets, designed to cater to the then-booming video market, wind up surviving video stores themselves? How did a series that had never even had a theatrical entry wind up with an unusually successful toy series? All of these questions are answered within these pages. Featuring new interviews with some of the biggest creative minds behind the franchise, as well as dozens of behind-the-scenes photos, this book is the ultimate guide to horror's most murderous marionettes.

The Puppet Masters Robert A. Heinlein, 2010-07-27 Now in Mass Market. An Epic Battle Against Mind-Controlling Alien Invaders as Only Robert A. Heinlein, the Best-Selling Grand Master of Science Fiction, Could Tell It. "One of the most influential writers in American literature." —The New York Times Book Review. First came the news that a flying saucer had landed in Iowa. Then came the announcement that the whole thing was a hoax. End of story. Case closed. Except that two agents of the most secret intelligence agency in the U.S. government were on the scene and disappeared without reporting in. And four more agents who were sent in also disappeared. So the head of the agency and his two top agents went in and managed to get out with their discovery: an invasion is underway by slug-like aliens who can touch a human and completely control his or her mind. What the humans know, they know. What the slugs want, no matter what, the human will do. And most of Iowa is already under their control. Sam Cavanaugh was one of the agents who discovered the truth. Unfortunately, that was just before he was taken over by one of the aliens and began working for the invaders, with no will of his own. And he has just learned that a high official in the Treasury Department is now under control of the aliens. Since the Treasury Department includes the Secret Service, which safeguards the President of the United States, control of the entire nation is near at hand.

Confessions of a Puppetmaster Charles Band, Adam Felber, 2021-11-16 "Confessions of a Puppetmaster is a fast, funny, wild ride through some wild times. Plus, Charlie compares me to Harrison Ford, so I'm all in!" —Bill Maher Renowned producer, director, and "B movie" showman Charles Band takes readers on a wild romp through Hollywood's decidedly un-Oscar-worthy underbelly, where mayhem and zombies reign supreme, and cheap thrills and entertainment are king This book is a blast. It made me want to stay up all night and watch terrible movies. —Peter Sagal One of the most entertaining film bios ever. —Larry Karaszewski Reads like a Tarantino film written by Hunter S. Thompson. —Booklist Zombies, aliens, a little skin, lots of gore—and even more laughs—the cinematic universe of Charles Band is legendary. From the toilet-invading creatures of *Ghoulies* to the time-travelling bounty hunter in *Trancers* to the pandemic-crashed *Corona Zombies*, Band has spent four decades giving B-movie lovers exactly what they love. In *Confessions of a Puppetmaster*, this congenial master of Grindhouse cinema tells his own story, uncut. Born into a family of artists, Band spent much of his childhood in Rome where his father worked in the film industry. Early visits to movie sets sealed young Charlie's fate. By his twenties he had plunged into moviemaking himself and found his calling in exploitation movies—quick, low-budget efforts that exploit the zeitgeist and feed people's desire for clever, low-brow entertainment. His films crossed genres, from vampire flicks to sci fi to erotic musical adaptations of fairy tales. As he came into his own as a director, he was the

first to give starring roles to household names like Demi Moore, Helen Hunt, and Bill Maher. Off set, Band's life has been equally epic. Returning to his beloved Italy, he bought both Dino De Laurentiis's movie studio and a medieval castle. After Romania's oppressive communist regime fell, he circumvented the U.S. State Department to shoot films in Dracula's homeland. He made—and then lost—a moviemaking fortune. A visionary, Band was also at the vanguard of the transition to home video and streaming, making and distributing direct-to-video movies long before the major studios caught on. In this revealing tell-all, Band details the dizzying heights and catastrophic depths of his four decades in showbiz. A candid and engaging glimpse at Hollywood's wild side, *Confessions of a Puppetmaster* is as entertaining as the movies that made this consummate schlockmeister famous.

The Puppetmaster's Apprentice Lisa DeSelm, 2020-10-13 Impressed by the work of the puppetmaster and his apprentice, Tavia's ruler, The Margrave, has ordered dozens of life-size marionette soldiers to be sent to Wolfspire Hall. When the orders for more soldiers come in with increasingly urgent deadlines, the puppetmaster's health suffers and Pirouette, his daughter and protégé, is left to build in his stead. But there is something far more twisted brewing at Wolfspire—the Margrave's son wants Pirouette to create an assassin. And he wants her to give it life. With Tavia teetering on the brink of war and her father dying in the dungeons, Pirouette has no choice but to accept. Racing against the rise of the next blue moon—the magic that will bring her creations to life—she can't help but wonder, is she making a masterpiece...or a monster?

Puppet Master Joanne Owen, 2011-06-02 From riches to rags, Milena is growing up in the city of Prague at the turn of the twentieth century. Her parents' once prosperous theatre lies in disrepair and her life seems to be in ruins, and has been since that fateful night her father died in a tragic accident and Milena's beautiful, talented Mother went missing. No trace of her has been found. But Milena has never lost hope that she will come back. The day she meets the flamboyant Puppet Master and his menacing protégés, the twins Zdenko and Zdenka, under the shadow of Prague's famous Astronomical Clock in the Old Town square is, coincidentally, the date of her mother's birthday. And it's the day Milena's grandmother chooses to reveal to her the story of her ancestors... and of her legacy. Or perhaps it's not such a coincidence. Joanne Owen's debut novel skilfully mingles the legends of Bohemia in a story rich in the traditions of circus, theatre and magic, all set in a city waiting to lay bare a myriad of secrets. Longlisted for the Branford Boase Award 2009 and the Carnegie Medal.
