Puppy Mind Andrew Jordan Nance,2016-09-13 In this picture book for children and adults, illustrated by Jim Durk, who is adored by thousands of children for his many Clifford the Big Red Dog and Thomas the Steam Engine books, a young boy discovers his mind is like a puppy, always wandering away, into the past or the future. He sets about learning to train his puppy mind to heel to the present moment. Through remembering to breathe, the boy becomes a stronger and more caring master of his puppy mind, keeping it in the present, if only for a moment. Includes a link to a discussion guide for parents and teachers.

Puppy Socialization Marge Rogers,Eileen Anderson,2021-06-23 Puppy Socialization: What It Is and How to Do It defines and demystifies the most important thing you can do for your puppy: socialization. The authors don't just tell you what you need to know about socialization. They show you with dozens of photographs and exclusive linked videos (a live internet connection is needed to view the videos). You'll see other owners socialize their puppies under the guidance of a nationally certified dog trainer and behavior consultant. These real-life examples of socialization show you what to do when things go well and when they don't go so well. You'll learn about: • The magical time. Did you know that there is a special time in a puppy's life when he is primed to accept new things? The authors tell you when that time is, when that socialization window starts closing, and how a little effort by an owner during that time can save heartache later. • Canine body language. Puppies and dogs are talking all the time—with their body language. Learn to tell when a puppy or dog is relaxed and happy, a bit nervous about something, or outright fearful. • Myth-busting. There's a lot of advice out there about socialization and not all of it is good. Some common myths can actually cause a puppy harm. The authors give you the most up-to-date information on puppy socialization and put some harmful myths to rest. • Socializing a puppy during COVID-19. Puppies have so much to get used to: people, environments, noises, and more. The authors provide strategies for keeping humans and puppies safe while socializing puppies, even during the COVID-19 pandemic. • What supplies are needed during socialization. The authors provide checklists of things owners need when socializing a puppy at home and away from home.

Sick Puppy Carl Hiaasen,2001-05-01 Brilliantly twisted entertainment wrapped around a powerful ecological plea—from the New York Times bestselling author of Squeeze Me. When Palmer Stoa notices the black pickup truck following him on the highway, he fears his precious Range Rover is about to be carjacked. But Twilly Spree, the man tailing Stoa, has vengeance, not sport-utility vehicles, on his mind. Idealistic, independently wealthy and pathologically short-tempered, Twilly has dedicated himself to saving Florida's wilderness from runaway destruction. He favors unambiguous political statements—such as torching Jet-Skis or blowing up banks—that leave his human targets shaken but re-educated. After watching Stoa blithely dump a trail of fast-food litter out the window, Twilly decides to teach him a lesson. Thus, Stoa's prized Range Rover becomes home to a horde of hungry dung beetles. Which could have been the end to it had Twilly not discovered that Stoa is one of Florida's cockiest and most powerful political fixers, whose latest project is the malling of a pristine Gulf Coast island. Now the real Hiaasen-variety fun begins... Dognapping eco-terrorists, bogus big-time hunters, a Republicans-only hooker, an infamous ex-governor who's gone back to nature, thousands of singing toads and a Labrador retriever greater than the sum of his Labrador parts—these are only some of the denizens of Carl Hiaasen's outrageously funny new novel.
