Pursuit Gene Hackman, 2013-11-26 The Academy Award-winning actor and author of *Payback* at Morning Peak finds once-straitlaced officer Juliette Worth wrongly demoted after a hostage situation gone wrong and reassigned to investigating cold-case disappearances, a situation that turns sinister when her own daughter goes missing. Original.

The Happiness of Pursuit Chris Guillebeau, 2014-09-09 A remarkable guide to the quests that give our lives meaning—and how to find your own—from the New York Times bestselling author of *The \$100 Startup* and *100 Side Hustles* “If you like complacency and mediocrity, do not read this book. It’s dangerously inspiring.”—A. J. Jacobs, author of *The Know-It-All* When he set out to visit all of the planet’s countries by age thirty-five, compulsive goal-seeker Chris Guillebeau never imagined that his journey’s biggest revelation would be how many people like himself exist—each pursuing a challenging quest. These quests are as diverse as humanity itself, involving exploration, the pursuit of athletic or artistic excellence, or battling against injustice and poverty. Everywhere that Chris visited he found ordinary people working toward extraordinary goals, making daily down payments on their dreams. These “questers” included a suburban mom pursuing a wildly ambitious culinary project, a DJ producing the world’s largest symphony, a young widower completing the tasks his wife would never accomplish—and scores of others writing themselves into the record books. The more Chris spoke with these strivers, the more he began to appreciate the direct link between questing and long-term happiness, and he was compelled to complete a comprehensive study of the phenomenon. In *The Happiness of Pursuit*, he draws on interviews with hundreds of questers, revealing their secret motivations, their selection criteria, the role played by friends and family, their tricks for solving logistics, and the importance of documentation. Equally fascinating is Chris’s examination of questing’s other side. What happens after the summit is climbed, the painting hung, the endurance record broken, the at-risk community saved? A book that challenges each of us to take control—to make our lives be about something while at the same time remaining clear-eyed about the commitment—*The Happiness of Pursuit* will inspire readers of every age and aspiration. It’s a playbook for making your life count. “*The Happiness of Pursuit* is smart, honest, and dangerous. Why dangerous? Because it is as practical as it is inspiring. You won’t just be daydreaming about your quest—you’ll be packing for it!”—Brené Brown, Ph.D., LMSW, author of *Daring Greatly*

Pursuit Joyce Carol Oates, 2019-09-27 From the #1 New York Times-bestselling author, “a compelling domestic horror story” of a new bride haunted by childhood nightmares (Kirkus Reviews). Less than twenty-four hours after exchanging vows with her new husband, Willem, Abby steps out into traffic. As his wife lies in her hospital bed, sleeping in fits and starts, Willem tries to determine whether this was an absentminded accident or a premeditated plunge, and he quickly discovers a mysterious set of clues about what his wife might be hiding. Why, for example is there a rash-like red mark circling her wrist? What does she dream about that causes her to wake from the sound of her own screams? Slowly, Abby begins to open up to her husband, revealing to him what she has never shared with anyone before—a story of a terrified mother; a jealous, drug-addled father; a daughter’s terrifying captivity; and the demons behind her terrible recurring dreams of wandering through a field ridden with human skulls and bones... From a recipient of a National Book Award and three Bram Stoker Awards, this suspenseful, twisting tale, named one of the scariest books of the year by Kirkus Reviews, is a “fast-paced examination of the destructive and restorative nature of obsessive love” (Booklist).

Just Pursuit Laura Coates, 2023-01-17 This instant New York Times bestseller offers “a firsthand, eye-opening story of a prosecutor that exposes the devastating criminal punishment system” (Ibram X. Kendi, National Book Award-winning author of *How to Be an Antiracist*) in this “compelling collection of engaging, well-written, keenly observed vignettes from [Laura Coates’s] years as a lawyer with the US Department of Justice” (The New York Times Book Review). When Laura Coates joined the Department of Justice as a prosecutor, she wanted to advocate for the most vulnerable

among us. But she quickly realized that even with the best intentions, “the pursuit of justice creates injustice.” Coates’s experiences show that no matter how fair you try to fight, being Black, a woman, and a mother are identities often at odds in the justice system. She and her colleagues face seemingly impossible situations as they teeter between what is right and what is just. On the front lines of our legal system, Coates saw how Black communities are policed differently; Black cases are prosecuted differently; Black defendants are judged differently. How the court system seems to be the one place where minorities are overrepresented, an unrelenting parade of Black and Brown defendants in numbers that belie their percentage in the population and overfill American prisons. She also witnessed how others in the system either abused power or were abused by it—for example, when an undocumented witness was arrested by ICE, when a white colleague taught Coates how to unfairly interrogate a young Black defendant, or when a judge victim-blamed a young sexual assault survivor based on her courtroom attire. Through these “searing, eye-opening” (People) scenes from the courtroom, Laura Coates explores the tension between the idealism of the law and the reality of working within the parameters of our flawed legal system, exposing the chasm between what is right and what is lawful.

Pursuit Robert L. Fish,2015-04-07 To escape justice, a Secret Service colonel masquerades as a Jewish refugee The thousand-year Reich is crumbling, and the Red Army races toward Berlin. As the senior leadership of the Nazi party burns its files and flees the country, Colonel Helmut von Schraeder takes a different approach. After years in charge of the concentration camp at Lublin, he knows the Russians will not spare him. And so he throws away his uniform and asks a plastic surgeon to give him a disguise no one will question: that of a Jew. Schraeder disappears among the men and women he has spent the war torturing. When they are rescued, he is treated as a refugee. In Palestine, he is swept up in the fight for Israeli independence, becoming a hero for a people whom he tried so desperately to destroy. But von Schraeder’s past is not finished with him, and as the hate within his soul burns ever brighter, he knows he will have to answer for his crimes.

Need for the Bike Paul Fournel,2021-01-04 A book like no other, Paul Fournel's Need for the Bike conducts readers into a very personal world of communication and connection whose center is the bicycle, and where all people and things pass by way of the bike. In compact and suggestive prose, Fournel conveys the experience of cycling--from the initial charm of early outings to the dramas of the devoted cyclist. An extended meditation on cycling as a practice of life, the book recalls a country doctor who will not anesthetize the young Fournel after he impales himself on a downtube shifter, speculates about the difference between animals that would like to ride bikes (dogs, for instance) and those that would prefer to watch (cows, marmots), and reflects on the fundamental absurdity of turning over the pedals mile after excruciating mile. At the same time, Fournel captures the sound, smell, feel, and language of the reality and history of cycling, in the mountains, in the city, escaping the city, in groups, alone, suffering, exhausted, exhilarated. In his attention to the pleasures of cycling, to the specific grain of different cycling experiences, and to the inscription of these experiences in the body's cycling memory, Fournel portrays cycling as a descriptive universe, colorful, lyrical, inclusive, exclusive, complete.

An Anxious Pursuit Joyce E. Chaplin,2012-12-01 In An Anxious Pursuit, Joyce Chaplin examines the impact of the Enlightenment ideas of progress on the lives and minds of American planters in the colonial Lower South. She focuses particularly on the influence of Scottish notions of progress, tracing the extent to which planters in South Carolina, Georgia, and British East Florida perceived themselves as a modern, improving people. She reads developments in agricultural practice as indices of planters' desire for progress, and she demonstrates the central role played by slavery in their pursuit of modern life. By linking behavior and ideas, Chaplin has produced a work of cultural history that unites intellectual, social, and economic history. Using public records as well as planters' and farmers' private papers, Chaplin examines innovations in rice, indigo, and cotton

cultivation as a window through which to see planters' pursuit of a modern future. She demonstrates that planters actively sought to improve their society and economy even as they suffered a pervasive anxiety about the corrupting impact of progress and commerce. The basis for their accomplishments and the root of their anxieties, according to the Chaplins, were the same: race-based chattel slavery. Slaves provided the labor necessary to attain planters' vision of the modern, but the institution ultimately limited the Lower South's ability to compete in the contemporary world. Indeed, whites continued to wonder whether their innovations, some of them defied by slaves, truly improved the region. Chaplin argues that these apprehensions prefigured the antimodern stance of the antebellum period, but she contends that they were as much a reflection of the doubt inherent in theories of progress as an outright rejection of those ideas.

Relentless Pursuit Bradley J. Edwards,2020-03-31 This is the definitive story of the case against Jeffrey Epstein and the corrupt system that supported him, told in thrilling detail by the lawyer who has represented Epstein's victims for more than a decade. In June 2008, Florida-based victims' rights attorney Bradley J. Edwards was thirty-two years old and had just started his own law firm when a young woman named Courtney Wild came to see him. She told a shocking story of having been sexually coerced at the age of fourteen by a wealthy man in Palm Beach named Jeffrey Epstein. Edwards, who had never heard of Epstein, had no idea that this moment would change the course of his life. Over the next ten years, Edwards devoted himself to bringing Epstein to justice, and came close to losing everything in the process. Edwards tracked down and represented more than twenty of Epstein's victims, shined a light on his shadowy network of accomplices, and uncovered the scope of his sexually exploitative organization, which reached into the highest levels of American society. Edwards gives his riveting, blow-by-blow account of battling Epstein on behalf of his clients, and provides stunning details never shared before. He explains how he followed Epstein's criminal enterprise from Florida, to New York, to Europe, to a Caribbean island, and, in the process, became the one person Epstein most feared could take him down. Epstein and his cadre of high-priced lawyers were able to manipulate the FBI and the Justice Department, but despite making threats and attempting schemes straight out of a spy movie, Epstein couldn't stop Edwards, his small team of committed lawyers, and, most of all, the victims, who were dead-set on seeing their abuser finally put behind bars.

Payback at Morning Peak Gene Hackman, 2011-06-07 LIFE, NOT DEATH, DROVE JUBAL YOUNG . . . but memories of his ma and pa, and his beautiful, bright sister are all he has left. Memories of the peaceful days before Jubal stumbled home with his .22, his blood running cold with fear, terror, and anger. When it was over, the homestead was half burned to the ground. Someone had to bury the bodies. Someone had to set things right. Now, as Jubal rides west into New Mexico, he remembers his family's laughter and love, his pa's wisdom, ma's thick books, and everything that was defiled by a band of drunken renegades towed along by one man's murderous grudge. A reprobate lawman won't believe his story. A soft-hearted mountain man won't survive Jubal's one-man war. And a judge and his beautiful daughter cannot stop Jubal from climbing a peak of blood and madness: for justice, or payback, or something he can live for—or die for—redeeming. An American film icon delivers a great American novel with *Payback at Morning Peak*. Gene Hackman, whose fiction is "rousing" (Publishers Weekly) and "robust" (Winston-Salem Journal), takes readers on a powerful and historically dead-on western odyssey in the tradition of Louis L'Amour.

The Medal Factory Kenny Pryde, 2020-02-20 55 Olympic medals. 6 Tour de France victories. Countless world records and world championship victories. Since the year 2000, British Cycling, Team Sky and INEOS have dominated the sport of cycling to an unprecedented degree. But at what cost? Did Sir David Brailsford, Peter Keen and the other brains behind British Cycling's massive and sudden dominance in the modern era find a winning Moneyball formula? Or did their success come down to luck and personal chemistry? Did this organisation, founded on relentless, ruthless efficiency contain contradictions which threatened to overwhelm it, amid accusations of drug-taking, bullying and sexism? The Medal Factory tells the full story from amateurish beginnings through a sports-science revolution to an all-conquering, yet flawed, machine. Through interviews with Brailsford and Keen, Shane Sutton, Fran Millar, Chris Boardman, Sir Chris Hoy and many other key players, Kenny Pryde interrogates the parts of the story - lottery funding, marginal gains - that we think we know, and reveals others that have remained hidden, until now.
