Ennobling Love C. Stephen Jaeger, 1999 Ennobling Love is both a reader's pleasure and a scholar's treasure.--

Dos Equis Anthony Bidulka, 2012-04 When we left him last, Saskatoon gay PI Russell Quant was a broken man. Set in the beautiful Mexican beach town of Zihuateneho, the eighth in the Quant mystery series will thrill old and new fans of Anthony Bidulka's smart, sassy detective.

AIDS TV Alexandra Juhasz, Catherine Gund, 1995 Camcorder AIDS activism is a prime example of a new form of political expression--an outburst of committed, low-budget, community-produced, political video work made possible by new accessible technologies. As Alexandra Juhasz looks at this phenomenon--why and how video has become the medium for so much AIDS activism--she also tries to make sense of the bigger picture: How is this work different from mainstream television? How does it alter what we think of the media's form and function? The result is an eloquent and vital assessment of the role media activism plays in the development of community identity and self-empowerment. An AIDS videomaker herself, Juhasz writes from the standpoint of an AIDS activist and blends feminist film critique with her own experience. She offers a detailed description of alternative AIDS video, including her own work on the Women's AIDS Video Enterprise (WAVE). Along with WAVE, Juhasz discusses amateur video tapes of ACT UP demonstrations, safer sex videos produced by Gay Men's Health Crisis, public access

programming, and PBS documentaries, as well as network television productions. From its close-up look at camcorder AIDS activism to its critical account of mainstream representations, AIDS TV offers a better understanding of the media, politics, identity, and community in the face of AIDS. It will challenge and encourage those who hope to change the course of this crisis both in the 'real world' and in the world of representation.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be

shared for generations to come.

Love, Lies and Fireflies Jan Elder, 2016-09-01 Didi O'Brien is engaged—at least she was an hour ago. Now she's not so sure. Her fiancé, the suave Kevin Cabot, has just revealed that he's been unfaithful, and he's not the least bit sorry. Reeling from the betrayal, with her plans for a happily-ever-after life in doubt, she prays for direction. The answer comes as a complete surprise. God has someone better in mind. Middle school teacher, Jake Montgomery, is struggling with some issues of his own. Sadly, a year previously his fiancée had been killed in a car crash. Battling anger and despair, in a mountain-top experience, Jake wrestles with the Almighty, and is ready to live again. In his youth, he'd felt an unmistakable call to the ministry but, like the prophet Jonah, since then, he's been running hard in the wrong direction. Through a crisis of faith, and glimpses of mercy, Didi and Jake find each other. But can they find the strength to resolve the many obstacles that conspire to keep them apart?

The Third Nero Lindsey Davis, 2017-07-11 In 90 A.D., following the Saturninus revolt in Germany, the Emperor Domitian has become more paranoid about traitors and dissenters around him. This leads to several senators and even provincial governors facing charges and being executed for supposed crimes of conspiracy and insulting the emperor. Wanting to root out all the supports of Saturninus from the Senate, one of Domitian's men offers to hire Flavia Alba to do some intelligence work. Flavia Alba, daughter and chip off the old

block of Marcus Didius Falco, would rather avoid any and all court intrigue, thank you very much. But she's in a bit of a bind. Her wedding is fast approaching, her fiancé is still recovering—slowly—from being hit by a lightning bolt, and she's the sole support of their household. So with more than a few reservations, she agrees to "investigate." Adding to the confusion is yet another Nero pretender has shown up in Parthia and is trying to rally support for his claim for the throne. With intrigue upon intrigue swirling around the capital city, it's up to Albia to uncover what is—and isn't—the real threat.

Double Lives Mary Monroe, 2024-03-26 The latest shocking twist-filled novel in the award-winning New York Times bestselling author's Depression-era Alabama saga tells the riveting tale of identical twin sisters with a talent for switching lives and hiding their scandals—until one risk too many changes their lives forever. Reminiscent of Monroe's classic, captivating Mama Ruby series. Since childhood, identical twins Leona and Fiona Dunbar have been getting in-and out-of trouble by pretending to be each other. Yet underneath, they couldn't be more different. Outspoken Leona lives to break rules, have a good time, and scandalize their respectable hometown of Lexington. Fiona is a seemingly-demure churchgoing girl who is the apple of her domineering, widowed mother Mavis's eye. But together, the twins have fooled teachers, boyfriends, bosses, racist police—and most importantly, strait-laced Mavis. Even when Leona does jail time for Fiona, their unbreakable bond keeps them fiercely loyal. . . . So when Fiona feels stifled in her passionless marriage, and Leona is heartbroken over losing her one true love, it's perfect timing to change places once

again . . . Leona is shocked to discover she enjoys the security of being a wife and homebody. And the unexpected spark between her and Fiona's husband is giving her all kinds of deliciously sexy ideas. Meanwhile, Fiona enjoys being free, single, and reveling in the independence she's never had. And the more she indulges her secret, long-repressed wild child, the more Leona's ex-lover becomes one temptation she's having trouble resisting . . . As the sisters' masquerade ignites desires and appetites they never expected, it also puts their most damning secrets on the line. Once the fallout rocks their small town, can Fiona and Leona's deep sisterhood shield them from total disaster and help them reconcile their mistakes? Or will the trust between them become a weapon that shatters their lives for good?

The Goddess Twins Yodassa Williams, 2020-05-19 " . . . an impressive, commanding novel about black girl magic . . . The Goddess Twins is an emotive and powerful feminist novel that inspires the innate goddess in every girl.." -Foreword Reviews "Family bonds create the magic in this stirring fantasy." -Kirkus Reviews It's days before your eighteenth birthday, but your mother is missing and suddenly you have supernatural powers. What are you willing to face to discover the truth of who you really are? After years of traveling the world, black identical twins Aurora and Arden think they've settled into normalcy in Ohio. In order to succeed in their quest, these goddess twins must work together, master their powers, and unveil a horrifying, century-old family mystery. Otherwise, they may not live to see eighteen—or

their mother again.

Choose Love Not Power Tony Campolo, 2009-12-24
The God who set aside power in order to live out love--fully expressing that love on Calvary's tree--is at the core of the Christian message to the world. Yet in the centuries since Christ's refusal to yield to Satan's temptation to establish his kingdom through economic, political, and religious power, the Church has struggled to make the same refusal. In *Choose Love Not Power*, scholar, activist, and modern-day prophet Tony Campolo explores the relationship between love and power, beginning with an examination of Jesus' life and working toward a theology of power for Christians today. He surveys the implications of choosing love over power when it comes to the global community's most pressing issues--environmental degradation, economic inequality and instability, and perpetual war. Dr. Campolo suggests that the choice between love and power begins close to home: Christ-followers who choose love over power in marriage and in parenting will likewise opt for love in their churches, communities, and governments. The growing number of believers seeking a more authentically Christlike way to be Christian in a diverse, pluralistic society will be challenged and encouraged by this unflinching look at Jesus's example of love.

It's All about Love Stephen Jensen, 2000-09
What you think determines who you are and the type of life you have. Your life can be full of love, i.e. happiness, peace, trust, good luck, contentment and abundance or based on fear, i.e. disease, illness, drama, stress, pain, struggle, hardship, injury, crime, sadness, loss, anger, disappointment, violence, loneliness and worry. A Memoir of Love Jessiqua Wittman, 2012-06-04 A post-apocalyptic world, an unlikely band of Revolutionaries, this is the memoir of their struggles and triumphs. A woman describes a refugee colony's dramatic rise to power. The governmental shift was bound to happen, the only question in the matter is who will be the leader of this new nation. Written in first person, this memoir provides an inside look at those whose lives are destined to become swallowed up and defined by political intrigue. Great men and women go through all the same trials and temptations ordinary people go through; the stakes are just much higher because everybody is watching them.

Love, Again Eve Pell, 2015-01-27 In *Love, Again*, Eve Pell beautifully and thoughtfully concludes that life experience adds dimensions to the art of connection--and that we all stand to learn something from unexpected romance. How do old people meet new loves? Eve Pell was 68 when she convinced a friend to set her up with Sam Hirabayashi. Ten years her senior, Sam, a fellow runner, was handsome and sweet. Soon Eve and Sam were plunged into a giddy romance that began with a movie date. "It was crazy," Pell writes. "It was wonderful." Pell wrote about their romance in a New York Times Modern Love column and received a wave of responses from people who recognized their own stories in hers. This thing, this late-in-life love: It's growing, it's everywhere, and it's

transformative. In staggering numbers, old people are meeting and falling in love—in senior living facilities, in retirement homes, in bars, in grocery stores, on cruise ships, on the Internet—brazenly, quietly, unexpectedly. People once written off as too old for intimacy are having romances, beginning intense affairs once thought to be for the young. Part memoir, part journey to a new frontier, *Love, Again* is illuminating and heartwarming. Speaking with poets and artists, a retired nurse and a retired coach, environmentalists, philanthropists, and teachers—couples whose partners' ages range from 61 to 96—Pell reports on their relationships, from saying hello to knowing they'd found the one, from blending routines and traditions to overcoming judgments and challenges. These widows, widowers, divorcés, and never-marrieds open up about old love versus young, the thrill of sex, and the looming shadow of mortality. At the core of this book is wisdom: what we all can learn from the experience, regardless of age.

- Fall in love with who someone is now—not who they someday might be.
- Always be honest, but don't feel pressure to share everything.
- And most of all: The heart can continue to expand.

Advance praise for *Love, Again*

"A heartwarming, eye-opening, life-affirming journey to the final frontier of romance, this is a beautiful book about the possibility of late-in-life love and the life-changing lessons we all can learn from those who have been lucky enough to find it."—Katie Couric

"Eve Pell's career as an investigative reporter served her in discovering such couples and learning their stories, which, along with her own love story, she imparts with fluency and zest. *Love, Again* is a joy to read, full of humor and heart and sweet collective wisdom, a book for all ages."—Susan Trott, author of the Holy Man Trilogy

"I remarried at 75 and have followed one hundred marriages from age 50

on. Eve Pell knows what she is talking about. Her book is touching, eye-opening, inspiring, and wise. In addition, it is beautifully written.”—George E. Vaillant, M.D., author of Triumphs of Experience: The Men of the Harvard Grant Study “In this inspiring exploration of fifteen late-in-life romances, Eve Pell illustrates the human appetite and capacity for romantic love at any age. As these men and women—widowed and divorced, gay and straight—share their stories of forging deep connections in their 60s, 70s, 80s, and, yes, 90s, they deliver a heartwarming message: We are never too old for new love.”—Jill Smolowe, author of Four Funerals and a Wedding: Resilience in a Time of Grief
