

# Queen Regina

Harry F. Rey

**Katherine the Queen** Linda Porter,2010-11-23 The general perception of Katherine Parr is that she was a provincial nobody with intellectual pretensions who became queen of England because the king needed a nurse as his health declined. Yet the real Katherine Parr was attractive, passionate, ambitious, and highly intelligent. Thirty-years-old (younger than Anne Boleyn had been) when she married the king, she was twice widowed and held hostage by the northern rebels during the great uprising of 1536-37 known as the Pilgrimage of Grace. Her life had been dramatic even before she became queen and it would remain so after Henry's death. She hastily and secretly married her old flame, the rakish Sir Thomas Seymour, and died shortly after giving birth to her only child in September 1548. Her brief happiness was undermined by the very public flirtation of her husband and step-daughter, Princess Elizabeth. She was one of the most influential and active queen consorts in English history, and this is her story.

The Line of Succession 4: Rex v. Regina Harry F. Rey,2020-10-16 The throne lies empty, the monarchy is in chaos, and a country mourns. Fresh on the news that the Queen is near death comes the tragic demise of Prince James' fiancée, Princess Katyn. As the country gathers together to bury Katyn, James' secret lover Andrew realizes the establishment has brutally turned against the Prince. Where the powers-at-be were once pushing for a smooth transition to King James, they now seem to favor his twin sister Alexandra and are working to upend the line of succession to see her sit on the throne. When Andrew discovers the cause of this betrayal is because James has received a life-changing diagnosis, the two men must decide what love and life and happiness mean to them, even at the expense of the throne. It's brother versus sister, Prince versus Princess, as James and Alexandra confront the paths laid out before them by both friends and foes. With the Queen's last hours counting down, James and Alexandra will have to fight with everything they have to wear the crown...and to survive.

Vivat! Vivat Regina! Robert Bolt,1971 Records the parallel fortunes of Elizabeth I and Mary Queen of Scots.

**The Body of the Queen** Regina Schulte,2006 Inspired by existential thought, but using ethnographic methods, Michael Jackson explores a variety of contemporary topics, including 9/11, episodes from the war in Sierra Leone and its aftermath, the marginalization of indigenous Australians, the application of new technologies, mundane forms of ritualization, the magical use of language, the sociality of violence, the prose of suffering, and the discourse of human rights. Throughout this compelling work, Jackson demonstrates that existentialism, far from being a philosophy of individual being, enables us to explore issues of social existence and coexistence in new ways, and to theorise events as the sites of a dynamic interplay between the finite possibilities of the situations in which human beings find themselves and the capacities they possess for creating viable forms of social life.--BOOK JACKET.

The Passing of the Great Queen Marie Corelli,1901

*Where Is My Queen?* Regina Hamilton,2018-10-04 Where is my Queen?Dr. Regina Lou Hamilton's mother was a cat lover, and her brothers and sisters are cat lovers as well! The love for cats inspired her to share cat stories with children. Since retiring she is fulfilling her dream of becoming an author of exciting cat stories about Queen, a family cat who gets entangled in frequent situations. The book is appropriate for children from grades K through 2.

The passing of the great Queen: A tribute to the noble life of Victoria Regina Marie Corelli,2023-07-10 The passing of the great Queen: A tribute to the noble life of Victoria Regina by Marie Corelli. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics &

literary fiction and non-fiction to forgotten-or yet undiscovered gems-of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Regina Vs. Palmerston** Victoria (Queen of Great Britain), Henry John Temple Palmerston (Viscount), Brian Connell, 1961

Queen's Capture Virginia L. Hazel-Frye, 2012-02-17 At the young age of 4 Regina Londall became an heiress to a multimillion dollar fortune. Tragedy strikes suddenly at the age of twenty and Regina retreats to the family summer home in the Caribbean to find solace. She happens upon a heartbreaking reality, which changes her view of love for the rest of her life. The sudden shock of her revelation snaps her out her stupor of self-pity and she discovers in her absence the family empire is crumbling and under attack. She sets out to save the dying company and make it number one in the entire world. In order to see her dream fulfilled she needed power; political power. She had a clear cut plan of how to get it and where. \*\*\*\*\* After years of setups, payoffs and business savvy manipulation, Regina Londall successfully sits on a throne of power. She is Queen of the business world, President and sole owner of Londall Enterprises; a multibillion dollar empire and Ambassador of Foreign Affairs for the United States of America. She holds in the palms of her hands an array of subjects; the mayor of Chicago and its Aldermen, Senators and the President of the United States of America. However, her highness is abdicated from her throne of power and her kingdom is overthrown when her subjects rebel. With her reign of terror over; Regina stands charged of treason against the United States of America. She swears it's a setup despite the compelling evidence stacked against her. Now a jury of her peers will determine her fate. Will the power behind the Londall family empire be enough to save her highness? \*\*\*\*\* Queen's Capture is the exciting saga about the lives of the Londall family. It spans over a hundred years from days of slavery to appointments to the President of the United States cabinet. You will travel with the Londall's as they journey from the great plantations of Mississippi to the lush land of England. Cry with them as they go through perils and tribulations of suffering, jump elated excitement as they strive to endure. Stand tall with them as they overcome their difficulties. Each member has his or he own story to tell and as you read, you will become apart of the Londall family clan. They will leave you wanting more and more.

Regina Ian Spencer, 2006-07-01 A siren sounded in the Royal Palace. Regina, the seventeen-year-old queen, turned on her battle screen. She watched an unknown enemy ambush one of her fleets. Tears flowed down her face, as she watched the destruction of sixty of her carriers and the slaughter of over seven million of her military. Suddenly, Regina faced a serious choice. She could either accept her role as commander in chief of her military, or continue to leave her responsibility in the hands of the Joint Chiefs. If she left her military in the hands of the Joint Chiefs, the glaring mistakes, which she saw in this disastrous battle, would never be corrected. Regina chose to accept her role as commander in chief and to live on a carrier. Standing before the battle screen that was still showing the sixty destroyed carriers, Regina promised the dead crews that a disaster like this would never happen again. This is the chronicle of how the Queen's personal carrier, Raptor, became a terror to pirates, dictators, and invaders throughout the universe. This chronicle involves the reader in the dream of Regina. The reader becomes involved in a basic truth of life. Dreams are not just given to a person; dreams are fought for. This struggle to obtain her dream forces Regina to grow, giving her the capacity to live her dream, as she obtains her dream. The reader not only feels Regina's struggles, but also her victories.

Mary Tudor Anna Whitelock,2016-02-23 An engrossing, unadulterated biography of “Bloody Mary”—elder daughter of Henry VIII, Catholic zealot, and England’s first reigning Queen Mary Tudor was the first woman to inherit the throne of England. Reigning through one of Britain’s stormiest eras, she earned the nickname “Bloody Mary” for her violent religious persecutions. She was born a princess, the daughter of Henry VIII and the Spanish Katherine of Aragon. Yet in the wake of Henry’s break with Rome, Mary, a devout Catholic, was declared illegitimate and was disinherited. She refused to accept her new status or to recognize Henry’s new wife, Anne Boleyn, as queen. She faced imprisonment and even death. Mary successfully fought to reclaim her rightful place in the Tudor line, but her coronation would not end her struggles. She flouted fierce opposition in marrying Philip of Spain, sought to restore England to the Catholic faith, and burned hundreds of dissenters at the stake. But beneath her hard exterior was a woman whose private traumas of phantom pregnancies, debilitating illnesses, and unrequited love played out in the public glare of the fickle court. Though often overshadowed by her long-reigning sister, Elizabeth I, Mary Tudor was a complex figure of immense courage, determination, and humanity—and a political pioneer who proved that a woman could rule with all the power of her male predecessors.

**Queen of Our Times** Robert Hardman,2022-09-13 Das Pflichtbewusstsein der Queen war legendär, ihr Leben stand 70 Jahre lang im Dienst der Krone. Sie repräsentierte das Ende des Kolonialzeitalters, die Werte einer langen Partnerschaft, stille Zuversicht in herausfordernden Zeiten und vieles mehr. Was wird ihr Vermächtnis sein? Robert Hardman legt mit Queen of Our Times ein ebenso umfangreiches wie intimes Porträt vor, taucht tief in die jüngere englische Geschichte und das Leben von Elizabeth II. ein. Das Insiderwissen des englischen Hofexperten findet international Beachtung, er steht persönlich mit den Royals in Verbindung und zählt zum inneren Kreis des Palasts. Eine Jahrhundertbiografie, auf die Fans schon lange gewartet haben!

*Salve Regina! Or, a Day of Sympathy and Loyal Homage to ... Caroline of England* Queen Caroline (consort of George IV, King of Great Britain),1820

A Treatise on Criminal Law and Practice Henry Smith Kelley,1913

*Please Pick Me* Reina Regina,2021-11-11 In a garden of a thousand other volumes, my little yellow book with its earnest plea and hopeful flowers on the cover sits waiting for you to pick it up. It's got a heart it wants to give away. These haikus, poems, and prose pieces are about the miracle of being wanted back by someone we want, the desperation of hoping they'll fight harder when they waver, the rawness of seeking reassurance that we are loved as we are, and the tenderness we feel when we're sending love out to others—all those moments when we are making our need to be accepted plain and praying, please pick me. This new, compact Philippine edition features the same four chapters of poetry as the original, with a little sneak peek into my in-progress collection of pandemic poems, some things don't survive. I hope you open it. I hope it invites you to be open too.

*Queen Regina* Jackson,2011-08-01 My memoirs are an inspirational Christian composition of my abusive life beginning as an extremely young child at the hands of my parents and others. I share how God gave me the strength to overcome and how He brought me through many evils, such as, kidnapping, rapes, witchcraft and deadly plots against me. My name, Regina, is synonymous with the title Queen. However, I have not lived a life of royalty, far from it. I illustrate how my faith in God has enabled me to survive such a traumatic existence for decades.

**His Queen: Royal Amante** Danielle Grant,2014-09-24 It's been said that LOVE is one of the most overpowering emotions known to man. Love has been known to break hearts and build foundations and if you ask Regina Tyler, that's the story of her life... Young professional Regina Tyler is enjoying life with a booming career in real estate and a circle of great friends. If only she could say the same for her love life. After having her heart

broken by a man she once loved, Regina swears off dating until one of her most difficult clients shows her how to live life with absolutely no regrets. Amante is an adventurous who treats women like they were born to be treated; like queens. Like Regina, Amante has had his heart broken before but he doesn't dwell on the heartbreak, he instead lives by the mantra you only live once grabbing life by the horns and experiencing all the great things that life has to offer. But Amante's family is harboring a deeply rooted dark secret from him... How can two broken hearted people find love in a hopeless place?

**Once Upon A Time: Regina Rising** Wendy Toliver, 2017-04-25 Sixteen-year-old Regina is very different from the Regina known by fans of ABC's Once Upon a Time. She seeks romance, adventure, and approval. Of course, getting approval from a mother like Cora is next to impossible. For Regina, friendships have always been a rare commodity. Could it be that Regina has finally found a true friend? Or is it too good to be true? As Regina struggles to find her own identity and create her own destiny, she discovers that her fate might just be to become everything she despises.

**A Digest of Reported Cases in the Supreme Court, Court of Insolvency, and the Courts of Mines and Vice-Admiralty of the Colony of Victoria, from 1861 to 1885** George Wilson Waterhouse, Francis William Edmondson, 1886

*Hannah Regina* Michael Kreps, 2003 'George III is alleged to have married secretly, 17th April, 1959, a Quakeress called Hannah Lightfoot, daughter of a Wapping shoemaker, who is said to have borne him three children. Documents relating to the alleged marriage, bearing the Prince's signature, were impounded and examined in 1866 by the Attorney General. Learned opinion at the time leaned to the view that these documents were genuine. They were then placed in the Royal Archives at Windsor; in 1910, permission was refused a would-be author who asked to see them. If George III did make such a marriage when he was Prince of Wales, before the passing of the Royal Marriages Act in 1772, then his subsequent marriage to Queen Charlotte was bigamous, and every monarch of British history since has been a usurper, the rightful heirs of George III being his children by Hannah Lightfoot, if they ever existed.' from Britain's Royal Families by Alison Wier, published by Jonathan Cape/Pimlico. Reprinted by permission of The Random House Group.

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Queen Regina**

In some sort of inundated with monitors and the cacophony of fast transmission, the profound energy and emotional resonance of verbal artistry frequently diminish into obscurity, eclipsed by the constant assault of noise and distractions. However, nestled within the musical pages of **Queen Regina**, a interesting work of fictional splendor that pulses with natural thoughts, lies an wonderful journey waiting to be embarked upon. Published by way of a virtuoso wordsmith, this interesting opus guides readers on a mental odyssey, softly exposing the latent potential and profound impact embedded within the complex internet of language. Within the heart-wrenching expanse of the evocative evaluation, we will embark upon an introspective exploration of the book is central subjects, dissect their interesting writing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
