Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

New Zealand's Top Trout Fishing Waters John Kent, Patti Magnano Madsen, 2004 Where to go to find the best trout in New Zealand? For local and visiting anglers alike, the wide range of waters available can make the choice a difficult one. But New Zealand's Top Trout Fishing Waters has the answers. This new edition introduces the best of New Zealand's trout waters. It is packed full of up-to-date information about access, season, and bag limits. To make it easier for anglers to plan their itinerary, the authors have grouped fishing spots by region so that a range of rivers and lakes can be reached from a central location. The book also includes information about professional fishing guides and tackle shops, and local attractions for non-fishing days. Book jacket.
