William L. Scott

The Race Track Kimberlé Crenshaw, Luke Charles Harris, George Lipsitz, 2025-12-20 Despite the watershed election of Barack Obama and the claims that racial history ended that day, the painful reality of racism in America has been thrust into the headlines over the past year. The Race Track dispenses with the myth of post-racial America, explaining not only why race matters more than ever but also how we can fashion 21st-century solutions to combating racial injustice. The Race Track champions an intersectional path - pioneered by Kimberle Crenshaw - one that will appeal to people of all races who want to know how to speak the language of racial justice.

Famous NASCAR Tracks Jim Gigliotti, 2008 Looks at the specifications and locations of some of the most famous racetracks on the NASCAR circuit.

Dirt Track Auto Racing, 1919-1941 Don Radbruch, 2003-12-11 Prior to World War I, auto racing featured expensive machines and teams financed by auto factories. The teams toured the country, and most of the races were held in large cities, so the vast majority of Americans never saw a race. All this changed after World War I, though, and in the 1920s and 1930s there were approximately 1,000 dirt tracks in the United States and Canada. The dirt tracks offered small-time racing—little prize money and minimal publicity—but people loved it. This pictorial history documents dirt track racing, with what are today called sprint cars, around the United States from 1919 to 1941. Information on dirt track racing in Canada during this time is also provided. Regionally divided chapters detail the drivers, tracks, and specific races of each area of the country. Some of the drivers went on to win fame and fortune while others faded into obscurity. Tracks included well known facilities as well as out-of-the-way sites few people had ever heard of. The cars ranged from state of the art machines to the more common home built specials based on Model T or Model A Ford parts. Taken together, the drivers, tracks, and races of this era were instrumental in making auto racing the popular sport it is today.

Speedway S. Collins, Gavin Ireland, 2010-02-15 Around the world lies a number of long-forgotten raceways; windswept and abandoned, the derelict pit roads and crumbling concrete are all that remains of once great race tracks. From the NASCAR heartland of North Wilkesboro and Middle Georgia to the great European super speedways at Monza and Brooklands. All photographed as they are now, but remembered in their prime.

Race Track Reed Fromer, 2020-12-08 Race Track: The Blind Spot of Privilege uses an engaging parable within a sports arena to examine the dynamics of institutional racism and the logical and moral basis of affirmative

action. When a talented high school athlete discovers that his inability to compete in certain track & field events traces to a glaring flaw in the system, he devises a mechanism to address the problem - only to come up against a sports world firmly entrenched in tradition and fiercely resistant to change. As he persists in his struggle, he discovers the fulfillment of standing up for equality - and, years later, discovers a new application for that urge within him.

Arlington Park Racetrack Kimberly A. Rinker, 2018 Born of one man's dream and built on 1,001 acres northwest of metropolitan Chicago, Arlington Park had its inaugural run in 1927 and celebrated its 90th season in 2017. Innovative and forward-thinking, Arlington set the standard of excellence during the glory days of racing. The famed racetrack survived a devastating fire in 1985, reopening four years later to worldwide acclaim. Over the decades, Arlington has played host to some of the most famous horses, jockeys, trainers, and owners in the sport of kings. Arlington is also home to the world's first million-dollar race--the renowned Arlington Million--and is the only Windy City racetrack to have hosted the Breeders' Cup Championships.

Darlington Raceway Cathy Elliott, 2013-02-25 Some facilities are so special that they literally define their sport. Stock car racing as it is known today did not exist until one man, armed with a vision and a willingness to get his hands dirty, constructed a race track in the middle of a South Carolina peanut field. More than six decades later, Darlington Raceway is still considered one of the crown jewels of racing. The Lady in Black is home to the largest margin of victory in NASCAR® history and its closest-ever finish. The legendary track has been the proving ground for every superstar of the sport.

Old man Curry; stories of the race track Charles Emmett Van Loan, 1919

Talladega Superspeedway Kent Whitaker, 2014 Originally named Alabama International Motor Speedway, Talladega

Superspeedway was built on the site of a World War II-era Air Force base in the heart of Alabama. NASCAR founder Bill France and his family envisioned a race track that would be faster, larger, and more exciting than any track built to date. Construction began on May 23, 1968, and was completed on September 13, 1969. The end result is the most modern speedway ever built. Often simply referred to as Dega, the track is 2.66 miles long, its high-banked turns are nearly three stories tall, and race cars have reached speeds over 200 miles per hour. It is so popular that it is said to become one of the largest temporary cities in the state every race weekend.

The Race Track Swindle Thomas H. Kennedy,1906

American Dirt Track Racer Joe Scalzo, One of the most evocative eras in the history of American motorsport was the golden age of dirt-track racing, when hairy-knuckled drivers duked it out in open-wheel racers on half-mile ovals around the country. This photographic history spans the classic era from 1946 to 1970, featuring vintage photography of the Champ and Sprint cars that were driven by men like A.J. Foyt, Parnelli Jones, Roger Ward and Bobby Unser for very little monetary reward. The technologies of the most successful and unusual cars are discussed as are specific races, circuits and some of the more colorful personalities of the period. Midget and track roadsters are also featured, along with period color photography.

The Historic Manzanita Speedway in Phoenix Larry Upton,Judy McDonald,2012 Phoenix's Manzanita Speedway, the last of the big dirt tracks located near the central corridor of a major metropolitan area, is now gone. The track opened in the early 1950s when Jack Holloway, president of the Arizona Jalopy Racing Association, along with Avery Doyle and Gene Gunn, set about convincing Rudy Everett and Larry Meskimen to convert their unprofitable dog-racing operation into a quarter-mile dirt track. On August 25, 1951, Everett and Meskimen beamed with excitement as Manzy opened to an overflowing crowd. They had tapped into America's post-World War II craze for automobiles and found their own Lost Dutchman Gold Mine in the process. Manzanita Speedway dominated dirt-track racing in Phoenix and was heralded as one of the top five dirt tracks in the United States. Manzy became an integral part of the racing culture in Phoenix, and its sale and closure in 2009 created a sense of lingering disappointment.

Lost Race Tracks Gordon Eliot White,2003-06-02 Americans have raced on more than 6,000 racetracks, road courses and drag strips, at home and abroad, since an American Duryea and a German Benz met in the snow in Chicago in 1895. A few more than 1,200 still exist or are still used today. The rest have disappeared under shopping centers, airports and housing developments - or simply into the mists of time.Included here are the best remembered, the most important and the most interesting of those tracks, along with some that are remembered only by local historians. Come along for the ride and rediscover the heritage of automobile racing.

Investing at the Racetrack William L. Scott,1986-07

Vanderbilt Cup Races of Long Island Howard Kroplick,2008 aChain your dogs and lock up your fowls!a heralded posters announcing the first international road race in the United States and the first of the six William K. Vanderbilt Jr. Cup Races held on Long Island from 1904 to 1910. These races were the most prestigious sporting events of their day, drawing huge crowds from 25,000 to over 250,000 spectators. The Vanderbilt Cup Races had a

far-reaching impact on the development of American automobiles and parkways and are a testament to the early racing spirit and drama. The rare images in this book, many published for the first time, have been selected from the archives of major museums, libraries, and private collectors.

Saratoga Race Course Kimberly Gatto, 2011-04-29 In the early 1800s, Saratoga Springs was mostly a tourist destination because of its natural mineral waters and their healing powers. But that changed in 1863 with the opening of the Saratoga Race Course. From then on, summers in the Spa City came alive with the excitement of the sport of kings. Since the victory of the great horse Kentucky in the introductory Travers Stakes, the racecourse has showcased the sport's greatest champions. Otherwise seemingly uncatchable thoroughbreds--including Man o' War and Secretariat--faced unexpected defeat on its turf, earning Saratoga the nickname the Graveyard of Champions. Author Kimberly Gatto chronicles the story of the oldest thoroughbred racetrack in the country, with tales of the famous people and horses that contributed to its illustrious history.

Horseplayers Ted McClelland, 2005 This fun and witty exposé of horse racing in America goes behind the scenes at the track, providing a serious gambler's-eye view of the action. Ted McClelland spent a year at tracks and off-track betting facilities in Chicago and across the country, profiling the people who make a career of gambling on horses. This account follows his personal journey of what it means to be a player as he gambles with his book advance using various betting and handicapping strategies along the way. A colorful cast of characters is introduced, including the intensely disciplined Scott McMannis, The Professor, a onetime college instructor who now teaches a course in handicapping, and Mary Schoenfeldt, a former nun and gifted handicapper who donates all of her winnings to charity. This moving account of wins, losses, and personal turmoil provides a sobering look at gamblers, gambling, and life at the track.
