*Rafael* Laurell K. Hamilton, 2021-02-09 Rafael, king of the wererats, must fight to the death to defend his crown. He wants Anita Blake, one of his closest allies, with him as he faces an opponent unlike any he's faced before. He will ask Anita to risk everything to be at his side... But some of the wererats fear that Rafael depends too much on Anita and her ties to the vampires. They believe that there is only room in America for one supernatural king, and Rafael will turn them into nothing more than food for the bloodsuckers. Among his enemies, a new challenger has arisen who is younger, hungrier, and has dark secrets that could destroy both the wererats and the vampires. Rafael will go into the magical heart of his people to find the power and violence that he needs to save them all, or die trying.

**The Comedown** Rafael Frumkin, 2018-04-17 A dazzling epic that follows two very different families in Cleveland across generations, beginning with their patriarchs, who become irrevocably intertwined one fateful night. A blistering dark comedy, Rafael Frumkin's *The Comedown* is a romp across America, from the Kent State shootings to protest marches in Chicago to the Florida Everglades, that explores delineating lines of race, class, religion, and time. Scrappy, street smart drug dealer Reggie Marshall has never liked the simpering addict Leland Bloom-Mittwoch, which doesn't stop Leland from looking up to Reggie with puppy-esque devotion. But when a drug deal goes dramatically, tragically wrong and a suitcase (which may or may not contain a quarter of a million dollars) disappears, the two men and their families become hopelessly entangled. It's a mistake that sets in motion a series of events that are odd, captivating, suspenseful, and ultimately inevitable. Both incendiary and earnest, *The Comedown* steadfastly catalogs the

tangled messes the characters make of their lives, never losing sight of the beauty and power of each family member's capacity for love, be it for money, drugs, or each other.

For the Soul of Rafael Marah Ellis Ryan, 2015-03-13 [...] It is bad, señor—and it is true. I heard him say it but an hour ago. He was playing malilla with old Henrico and won three pesos. He says it is wrong to race horses on Sunday, since José went under and had his neck broke. José, like Miguel, had not confessed, and the padre wants money for a mass. Will he get it? Sure. The boys will not see him stay in purgatory for thirty pesos. They are throwing dice at Don Eduardo's now, to see who will pay. If it was the horse of Don Eduardo, and José had ridden for him ten years, why cannot Don Eduardo pay? Don Eduardo is English. The Englishmen are used to going to hell.[...].

**His Name was Death** Rafael Bernal, 2021-11-02 Never before in English, this legendary precursor to eco-fiction turns the coming insect apocalypse on its head A Wall Street Journal Best Science Fiction Book of 2021 A bitter drunk forsakes civilization and takes to the Mexican jungle, trapping animals, selling their pelts to buy liquor for colossal benders, and slowly rotting away in his fetid hut. His neighbors, a clan of the Lacodón tribe of Chiapas, however, see something more in him than he does himself (dubbing him Wise Owl): when he falls deathly ill, a shaman named Black Ant saves his life—and, almost by chance, in driving out his fever, she exorcises the demon of alcoholism as well. Slowly recovering, weak in his hammock, our antihero discovers a curious thing about the mosquitoes' buzzing, “which to human ears seemed so irritating and pointless.” Perhaps, in fact, it constituted a language he might learn—and with the help of a

flute and a homemade dictionary—even speak. Slowly, he masters Mosquil, with astonishing consequences... Will he harness the mosquitoes’ global might? And will his new powers enable him to take over the world that’s rejected him? A book far ahead of its time, *His Name Was Death* looks down the double-barreled shotgun of ecological disaster and colonial exploitation—and cackles a graveyard laugh.

**For the Soul of Rafael** Marah Ellis Ryan, 2014-07-03 Over the valley of the Mission of the Tragedies, the grass was knee-deep in March that year. The horses galloping from the mesa trail down to Boca de la Playa (the mouth of the ocean) were fat and sleek and tricky as they ran neck and neck past the corral of the little plain, and splashed in glee through the San Juan River, where it ends its short run from the Sierras to the Pacific. Where the west trail hugged the hill, two men sat their broncos, watching that no strays break for the mesa above; and beyond the cross on Avila’s hill, other vaqueros guarded El Camino Real (the road royal), lest in the whirl and dash of the round-up rebels might break for the open and a stampede undo all the riding since dawn of day. High above on the western cliff a giant head of cactus reared infernal arms and luminous bloom. One immense clump threw a shadow across the cliff road where it leaves the river plain and winds along the canon to the mesa above the sea, -the road over which in the old days the Mission Indians bore hides to the ships and flung them from the cliffs to the waiting boats below.

*The Book of Unknown Americans* Cristina Henríquez, 2014-06-03 A stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American and illuminates the lives behind the current debates about Latino immigration (The New York Times Book

Review). When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America.

**The Abduction** Rafael Sabatini, 2014-12-22 Rafael Sabatini was born in Iesi, Italy, to an English mother (Anna Trafford) and Italian father. His parents were opera singers who became teachers. At a young age,

Rafael was exposed to many languages, living with his grandfather in England, attending school in Portugal and, as a teenager, in Switzerland. By the time he was seventeen, when he returned to England to live permanently, he was the master of five languages. He quickly added a sixth language - English - to his linguistic collection. He consciously chose to write in his adopted language, because, he said, all the best stories are written in English. After a brief stint in the business world, Sabatini went to work as a writer. He wrote short stories in the 1890s, and his first novel came out in 1902. In 1905 he married Ruth Goad Dixon, the daughter of a Liverpool merchant. It took Sabatini roughly a quarter of a century of hard work before he attained success with *Scaramouche* in 1921. The novel, a historical romantic set during the French Revolution, became an international best-seller. It was followed by the equally successful *Captain Blood* in 1922. All of his earlier books were rushed into reprints, the most popular of which was *The Sea Hawk* from 1915. Sabatini was a prolific writer; he produced a new book approximately every year, and maintained a great deal of popularity with the reading public through the decades that followed. Several of his novels were adapted into films during the silent era, and the first three of these books were made into notable films in the sound era, in 1940, 1952, and 1935 respectively. His third novel was made into a famous lost film, *Bardelys the Magnificent*, directed in 1926 by King Vidor with John Gilbert in the lead, and long viewable only in a fragment excerpted in Vidor's silent comedy *Show People*. A few intact reels have recently been discovered in Europe. The fully restored version premiered on TCM on 11 January 2010. Two silent adaptations of Sabatini novels which do survive intact are Rex Ingram's *Scaramouche* (1923) starring Ramón Novarro, and *The Sea Hawk* (1924) directed by Frank Lloyd and starring Milton Sills. The

1940 film of the same name, with Errol Flynn, is not a remake - but a wholly new story which just used the title. A 1924 silent version of Captain Blood, starring J. Warren Kerrigan, is partly lost, surviving only in an incomplete copy in the Library of Congress. The Black Swan was filmed in 1942 starring Tyrone Power and Maureen O'Hara.

**The Year We Learned to Fly** Jacqueline Woodson,2022-01-04 Jacqueline Woodson and Rafael López's highly anticipated companion to their #1 New York Times bestseller *The Day You Begin* illuminates the power in each of us to face challenges with confidence. On a dreary, stuck-inside kind of day, a brother and sister heed their grandmother's advice: "Use those beautiful and brilliant minds of yours. Lift your arms, close your eyes, take a deep breath, and believe in a thing. Somebody somewhere at some point was just as bored you are now." And before they know it, their imaginations lift them up and out of their boredom. Then, on a day full of quarrels, it's time for a trip outside their minds again, and they are able to leave their anger behind. This precious skill, their grandmother tells them, harkens back to the days long before they

were born, when their ancestors showed the world the strength and resilience of their beautiful and brilliant minds. Jacqueline Woodson's lyrical text and Rafael Lopez's dazzling art celebrate the extraordinary ability to lift ourselves up and imagine a better world.

**Fearless** Rafael Yglesias, 2010-11-16 Rafael Yglesias's novel of trauma, loss, and the bonds formed between victims of catastrophe. This ebook features a new illustrated biography of Rafael Yglesias, including rare photos and never-before-seen documents from the author's personal collection.

**The Strolling Saint** Rafael Sabatini, 2018-07-03 *The Strolling Saint* By Rafael Sabatini my mood was finely rebellious that May morning. Are you mad, Agostino? gasped my mother. I think that I am growing sane, said I very sadly. She flashed me one of her rare glances, and I saw her lips tighten. We must talk, she said. That girl . . . And then she checked. Come with me, she bade me. In that moment I remembered something, and I turned aside to look for my friend Rinolfo. The conviction that he went to plague and jeer at her, to exult over her expulsion from Mondolfo, kindled my anger all anew. Stay! You there! Rinolfo! I called. He stopped where he was. Come here. I bade him. I think you smiled just now, said I. Heh! By

Bacchus! said he, and shrugged to give his insolence a barb. I went on, You smiled to see your spite succeed. You smiled to see that poor child driven hence by your contriving; you smiled to see your broken snares avenged. And you were following after her no doubt to tell her all this and to smile again. This is all so, it is not? Heh! By Bacchus! said he again, and at that my patience gave out utterly. Ere any could stop me I had seized him by throat and belt and shaken him savagely. Will you answer me like a fool? I cried. Must you be taught sense and a proper respect of me? I do not believe that it was in my mind to do the fellow any grievous hurt. But he was so ill-advised in that moment as to attempt to defend himself. He rashly struck at one of the arms that held him, and by the act drove me into a fury ungovernable. **Rafa** Rafael Nadal, John Carlin, 2011-08-23 In his memoir, written with award-winning journalist John Carlin, tennis star Rafael Nadal reveals the secrets of his game and shares the inspiring personal story behind his success. What makes a champion? What does it take to be the best in the world at your sport? Rafael Nadal has the answers. It begins in Mallorca, where the tight-knit Nadal family has lived for generations. Coached by his uncle Toni from the age of four and taught humility and respect by his parents, Nadal has managed the uncommon feat of becoming an acclaimed global celebrity while remaining a gracious, hardworking role model for people in all walks of life. Now he takes us behind the scenes, from winning the Wimbledon 2008 final -- described by John McEnroe as the greatest game of tennis he had ever seen -- to the family problems that brought him low in 2009 and the numerous injuries that have threatened his career. With candor and intelligence, Nadal brings readers on his dramatic and triumphant journey, never losing sight of the prize he values above all others: the unity and love of his family. From RAFA: During a match, you are in a permanent battle to fight back your everyday vulnerabilities, bottle up your human feelings. The more bottled up they are, the greater your chances of winning, so long as you've trained as hard as you play and the gap in talent is not too wide between you and your rival. The gap in talent with Federer existed, but it was not impossibly wide. It was narrow enough, even on his favorite surface in the tournament he played best, for me to know that if I silenced the doubts and fears, and exaggerated hopes, inside my head better than he did, I could beat him. You have to cage yourself in protective armor, turn yourself into a bloodless warrior. It's a kind of self-hypnosis, a game you play, with deadly seriousness, to disguise your own weaknesses from yourself, as well as from your rival.
