Cure Tooth Decay Ramiel Nagel, 2012-02-01 Forget about drilling, filling, and the inevitable billing. Your teeth can heal naturally because they were never designed to decay in the first place! They were designed to remain strong and healthy for your entire life. But the false promises of

conventional dentistry have led us down the wrong path, leading to invasive surgical treatments that include fillings, crowns, root canals and dental implants. Now there is a natural way to take control of your dental health by changing the food that you eat. Cure Tooth Decay is based upon the pioneering nutritional program of dentist Weston Price, former head of research at the National Dental Association. Dr. Price's program proved to be 90-95% or more effective in remineralizing tooth cavities utilizing only nutritional improvements in the diet. Cure Tooth Decay is the result of five years of research and trial and error that started as one father's journey to cure his daughter's rapidly progressing tooth decay. With Cure Tooth Decay you will join the thousands of people who have learned how to remineralize teeth, eliminate tooth pain or sensitivity, avoid root canals, stop cavities -- sometimes instantaneously, regrow secondary dentin, form new tooth enamel, avoid or minimize gum loss, heal and repair tooth infections, only use dental treatments when medically necessary, save your mouth (and your pocketbook) from thousands of dollars of unneeded dental procedures, and increase your overall health and vitality.

Hands of God Jacob Diehm, 2014-08-08 Once upon a time, Seth Alecto was an honest family man with a beautiful wife and son. That life ended in catastrophe when a drunk driver—the rich son of the new mayor—slammed into the family's car and ended the lives of Crystal, his wife, and Alex, his son. From that day forward, Seth's life has been one of turmoil. As his pain causes him to spiral downhill, he meets two women, one of whom seems to be an angel; when she touches him, it burns, and he flees. The next day, he finds his arms are covered in strange markings—and he soon learns he can see the sins of other people when he touches them. Seth has been inadvertently drawn into an underground war between heaven and hell. He has been made a hand of God, a warrior among God's heavenly forces—a title never yet held by a man.

As he learns about his new role and skills, he finds himself fighting the demonic armies of hell. But Lucifer has a new plan, one in which Seth will play a vital part. Seth must fight evil, battle his past, and win the hearts and minds of God's angels—or die trying.

In a Three Bedroom Harem Cristobal Covelli, 2018-08-16 The book opens when Dr. Covelli arrives in Boise after twenty years away from the West. Chris discovers that some of his acquaintances from the past are by now old, have died, or are no longer active in the circles he knew them from. Chris decides to make new friends. Through a phone line, he meets a certain Hank, who is seeking a special friend, and Chris is receptive. A relationship develops. Hank tells about his own past life, having grown up inside a community of polygamist Mormons in Colorado City, Arizona. Chris becomes acquainted with Hank's first wife, Marcia. Her character is exposed. It so happens that Marcia makes Hank beholden to a commitment to surrender money and willpower to her church under threat of personal and professional destruction. Hank is weak and incapable of opposing the destiny plotted against him by her and the church. Chris helps Hank stay the course and go along with his life until things may change. Later, Hank is forced to marry a second wife, to go back to the church from where he, years in the past, ran away, and to continue to practice cannibalism as when he was a child. Chris discovers the practice and reminisces about seeing it in two other parts of the world, in highly primitive societies. Hank narrates the history of his church and how they

degenerated as a result of a devilish curse. Chris helps Hank escape the curse by assembling a harem in the house they share. From this experience, great excitement is derived by Chris and for the future of Hank, except that destiny had it otherwise. The grandest imperial treasure is bequeathed to Chris, but Hank reverts to his old ways, ending murdered by his own family.
