

Ramones

Joe Padilla, Soledad Romero Mariño

On The Road With The Ramones MonteA Melnick, Frank Meyer, 2010-03-04 The Ramones' music has influenced nearly every power pop, punk, alternative, and metal band. Monte A. Melnick served as The Ramones tour manager from their early New York club days in the '70s to their farewell gigs in 1996. He was the fifth Ramone and was there through the arrests, the ODs the fights, the break-ups, the make-ups, the girlfriends, the hotels and the binges. Filled with memorabilia including photographs and interviews collected along the way, this is his view of life on the road with the band as babysitter to psychiatrist, booking agent to travel agent, paymaster to van driver.

Hey Ho Let's Go: The Story of the Ramones Everett TRUE, 2010-05-16 From their 1974 debut at New York's premier punk dive, through the classic albums and blistering live sets, The Ramones cut an unforgettable swathe through two decades of pop, setting the scene for punk and hardcore with honed-down songs and ferocious 20 minute sets, but always putting the music first. Seen through the eyes of the people who were there at the time, including musicians, managers, producers, publicists and New York punk scenesters, this book shows the heroic Ramones staying faithful to their own unique musical vision right to the bitter end. This updated edition now climaxes with the sad death of guitarist Johnny Ramone.

The Ramones' Ramones Nicholas Rombes, 2005-02-18 Nicholas Rombes examines punk history, with the recording of Ramones at its core, in this inspiring and thoroughly researched justification of his obsession with the album. -Back cover.

I Slept with Joey Ramone Mickey Leigh, 2011-01-11 “A powerful story of punk-rock inspiration and a great rock bio” (Rolling Stone), now in paperback. When the Ramones recorded their debut album in 1976, it heralded the true birth of punk rock. Unforgettable front man Joey Ramone gave voice to the disaffected youth of the seventies and eighties, and the band influenced the counterculture for decades to come. With honesty, humor, and grace, Joey’s brother, Mickey Leigh, shares a fascinating, intimate look at the turbulent life of one of America’s greatest—and unlikeliest—music icons. While the music lives on for new generations to discover, I Slept with Joey Ramone is the enduring portrait of a man who struggled to find his voice and of the brother who loved him.

Commando Johnny Ramone, 2012-04-01 A photo-packed memoir by the Ramones guitarist and “true iconoclast” (Publishers Weekly). Raised in Queens, New York, Johnny Ramone founded one of the most influential rock bands of all time, but he never strayed from his blue-collar roots and attitude. He was truly imbued with the angry-young-man spirit that would characterize his persona both on and off stage. Through it all, Johnny kept the band focused and moving forward, ultimately securing their place in music history by inventing punk rock. The Ramones were inducted into the Rock and Roll Hall of Fame in 2002—and two years later, Johnny died of cancer, having outlived two other founding members. Revealing, inspiring, and told on his own terms, this memoir also features Johnny’s assessment of the Ramones’ albums; a number of eccentric Top Ten lists; rare historical artifacts; and scores of personal and professional photos, many of which have never before been published. “Feels like a conversation with Johnny.” -The Boston Globe

The Ramones Brian J. Bowe, 2018-12-15 The Ramones' logo T-shirts and Hey! Ho! Let's go! chant are familiar around the world, but a lot of people might not know the degree to which the Ramones reshaped pop music. Striking photographs, fascinating personal facts, and an engaging narrative will show readers how the band unleashed punk rock on the world with two-minute bursts of energy, combining bubblegum pop sensibilities with teenage boredom and pop culture references that created a wall of sound unlike anything audiences had heard before. This book reveals how the Ramones helped create a style of music that continues to resonate from sweaty clubs to baseball stadiums.

Punk Rock Blitzkrieg Marky Ramone, Richard Herschlag, 2015-01-13 The “entertaining and enlightening” (Stephen King) final word on the genius and mischief of the Ramones, told by the man who created the beat behind their iconic music and lived to tell about it. When punk rock reared its spiky head in the early seventies, Marc Bell had the best seat in the house. Already a young veteran of the prototype American metal band Dust, Bell took residence in artistic, seedy Lower Manhattan, where he played drums in bands that would shape rock music for decades to come, including Wayne County, who pioneered transsexual rock, and Richard Hell and the Voidoids, who directly inspired the entire early British punk scene. If punk had royalty, in 1978 Marc became part of it when he was knighted “Marky Ramone” by Johnny, Joey, and Dee Dee of the iconoclastic Ramones. The band of tough misfits were a natural fit for Marky, who dressed punk before there was punk, and who brought his “blitzkrieg” style of drumming as well as the studio and stage experience the band needed to solidify its lineup. Together, they changed the world. But Marky Ramone changed, too. The epic wear and tear of a dysfunctional group (and the Ramones were a step beyond dysfunction) endlessly crisscrossing the country and the world in an Econoline—practically a psychiatric ward on wheels—drove Marky from partying to alcoholism. When his life started to look more out of control than Dee Dee’s, he knew he had a problem. Marky left music in the mid-eighties to enter recovery and eventually returned to help the Ramones finally receive their due as one of the greatest and most influential bands of all time. Covering in unflinching detail the cult film Rock ‘N’ Roll High School to “I Wanna Be Sedated” to Marky’s own struggles, Punk Rock Blitzkrieg is an authentic and always honest look at the people who reinvented rock music, and not a moment too soon.

Ramones Jim Bessman, 1993-05 The authorized story of an American band who shaped the history of music for generations. Today's new music-makers are looking back at the bands that broke the ground, and the Ramones are it: the original high priests of punk, the stars of rock 'n roll high school, the royal avatars of rock, raunch, and rebellion. 60 photographs and illustrations.

The Ramones Alan Cross, 2012-06-26 Alan Cross is the preeminent chronicler of popular music. Here he provides a history of alt-rock pioneers The Ramones. This look at the band—Four Leather Jackets, Two Chords and an Attitude—is adapted from the audiobook of the same name.

Ramones at 40 Martin Popoff, 2016 Ramones at 40 chronicles in words and photos the music of the legendary band that helped spearhead the punk rock movement, from their early days in New York City to their last tour and album. Published to coincide with the 40th anniversary of their first album, and with a foreword by Ramones bassist CJ Ramone, this book is a must-have for all fans of the kings of punk--Page 4 of cover.

Lobotomy Dee Dee Ramone, Veronica Kofman, 2016-03-01 Lobotomy is a lurid and unlikely temperance tract from the underbelly of rock 'n' roll. Taking readers on a wild rollercoaster ride from his crazy childhood in Berlin and Munich to his lonely methadone-soaked stay at a cheap hotel in Earl's Court and newfound peace on the straight and narrow, Dee Dee Ramone catapults readers into the raw world of sex, addiction, and two-minute songs. It isn't pretty. With the velocity of a Ramones song, Lobotomy rockets from nights at CBGB's to the breakup of the Ramones' happy family with an unrelenting backbeat of hate and squalor: his girlfriend ODs; drug buddy Johnny Thunders steals his ode to heroin, Chinese Rock; Sid Vicious shoots up using toilet water; and a pistol-wielding Phil Spector holds the band hostage in Beverly Hills. Hey! Ho! Let's go!

I Know Better Now Richie Ramone, 2018-11-18 It's 1982 and the Ramones are in a gutter-bound spiral. Following a run of inconsistent albums and deep in the throes of internal tensions, the legendary quartet is about to crash and burn. Enter Richie Ramone. Then a 26-year-old from New Jersey named Richard Reinhardt, he's snapped up by the group to be their new drummer and instantly goes from the obscurity of the underground club scene to membership in the most famous punk-rock band of all time,

revitalizing the pioneering outfit with his powerful, precise, and blindingly fast beats – composing classic cuts like the menacing anthem “Somebody Put Something in My Drink” and becoming the only Ramones percussionist to sing lead vocals for the group. With the Ramones, he performs over five hundred shows at venues all around the world and records three storming studio albums – before abruptly quitting the band and going deep underground. To most fans, this crucial figure in the band's history has remained a mystery, his tale untold. Until now. *I Know Better Now: My Life Before, During, and After the Ramones* is the firsthand, four-on-the-floor account of a life in rock 'n' roll and in one of its most influential acts – straight from the sticks of the man who kept the beat.

Poisoned Heart Vera Ramone King, 2009-06-01 With more than 50 never-before-published photos of The Ramones Often regarded as the first punk-rock group ever, named one of Rolling Stone magazine’s Top 50 Bands of All Time, with all members having been inducted into the Rock ‘n’ Roll Hall of Fame, The Ramones are nothing if not legendary. “Waking up the neighbors” and setting the U.S. music scene on fire in the 1970s and through the ‘80s, The Ramones’ story is tragic and raw, sentiments that could also describe the band’s songwriter, bass player, and unsung genius, Dee Dee. A wild ride into the heart and soul of New York City, *Poisoned Heart* is Vera Ramones King’s last testament to her former husband, who shocked the world when he died in 2002 of a drug overdose despite having been clean for years. Dee Dee defined the punk-rock lifestyle. He was a rash, often violent, heroin addict, and no one better understood his twisted mentality, or insanity, than faithful wife Vera. But Vera, herself a less destructive “Nancy” to Dee Dee’s “Sid,” also came to know the Dee Dee that music fans worldwide held near and dear: a generous, loving man who had a soft-spot for bums, who grew up in the tough streets of Queens, who never stopped working, writing, and performing, who often treated his wife like a Punk Rock Princess, and whose greatest joy was the look on his fans’ faces as he played them a song. For true fans of The Ramones, those who remember the 1970s as a time of music innovation and inspired creativity, groupies, wannabes, and true music-lovers everywhere, *Poisoned Heart* is destined to become a literary-and rock-classic.

Ramones Soledad Romero Mariño, 2020-10-06 Behind-the-scenes stories and sophisticated artwork will give lifelong buffs and new fans alike a rare glimpse into the world of one of the most iconic bands ever, the Ramones! The Ramones are punk rock. It started in Queens, New York in the early seventies. Four shy boys who couldn't even play instruments got a couple guitars, found some ripped jeans and black leather jackets, and took over the world of punk. Lifelong rockers and new fans alike will love learning more about Joey, Johnny, Tommy, and Dee Dee and their journey to change the world of punk rock forever. So hurry, hurry, hurry, turn up the volume, and discover why their legendary music will continue to live on for generations to come.

Punk Rock Blitzkrieg Marky Ramone, Richard Herschlag, 2016-01-05 The inside story behind one of the most revered bands in music history during the early days of punk rock in New York, from legendary drummer Marky Ramone. Rolling Stone ranked the Ramones at #26 on its list of the 100 Greatest Artists of All Time. They received a Grammy Lifetime Achievement Award in 2011 and were inducted into the Rock and Roll Hall of Fame in 2002. And Marky Ramone played a major part in this success--his blitzkrieg style of drumming drove the sound the Ramones pioneered. Now, fans can get the inside story. Before he joined the Ramones, Marc Bell was already a name in the New York music scene. But when he joined three other tough misfits, he became Marky Ramone, and the rhythm that came to epitomize punk was born. Having outlived his bandmates, Marky is the only person who can share the secrets and stories of the Ramones' improbable rise from obtuse beginnings to induction into the Rock and Roll Hall of Fame. But it wasn't all good times and hit songs, and Marky doesn't shy away from discussing his own struggles, including the addiction to alcohol that led him to be temporarily kicked out of the band. From the cult film *Rock 'n' Roll High School* through *I Wanna Be Sedated* through his own struggle with alcoholism, Marky Ramone sets the record straight, painting an unflinching picture of the dysfunction behind the band that changed a generation. With exclusive behind-the-scenes photos, *Punk Rock Blitzkrieg* is both a cultural history of punk and a stirring story that millions of fans have been waiting for--

Why the Ramones Matter Donna Gaines, 2018-10-02 “Unequivocally fresh and engrossing. Even the biggest fans will find something new to enjoy here.” –Razorcake The central experience of the Ramones and their music is of being an outsider, an outcast, a person who’s somehow defective, and the revolt against shame and self-loathing. The fans, argues Donna Gaines, got it right away, from their own experience of alienation at home, at school, on the streets, and from themselves. This sense of estrangement and marginality permeates everything the Ramones still offer us as artists, and as people. *Why the Ramones Matter* compellingly makes the case that the Ramones gave us everything; they saved rock and roll, modeled DIY ethics, and addressed our deepest collective traumas, from the personal to the historical.

Ramones Jim Bessman, 1993-05-15 The authorized story of an American band who shaped the history of music for generations. Today's new music-makers are looking back at the bands that broke the ground, and the Ramones are it: the original high priests of punk, the stars of rock 'n roll high school, the royal avatars of rock, raunch, and rebellion. 60 photographs and illustrations.

Poison Heart Dee Dee Ramone, Veronica Kofman, 2009 A breakneck tour of a dysfunctional childhood, heroin, punk rock and the heyday of The Ramones. The tour guide? None other than the legendary Dee Dee Ramone. Internal wrangling, gruelling tours and methadone clinics form a backdrop to Johnny Thunders and Stiv Bators succumbing to their addictions, Dee Dee's girlfriend overdosing, Sid Vicious shooting up with toilet water and Phil Spector holding the band up at gunpoint in his Beverly Hills mansion. A gripping story from the now sadly deceased Ramone.

Ramones (Band Records) Joe Padilla, Soledad Romero Mariño, 2017-05-25 Los Ramones explicados a tus hijos. La increíble historia de cuatro amigos que se convirtieron en leyendas del punk rock. Si hay una historia universal de superación esa es la de los Ramones. Y sirve y gusta a todo el mundo. Cuatro chavales de Queens lograron el éxito sin saber apenas tocar un instrumento. ¿Su secreto? El amor por la música y la cultura de serie B. Joey, Johnny, Dee Dee y Tommy Ramone son los nombres artísticos de estos cuatro «hermanos» del barrio de Forest Hills, en Queens, que montaron en 1974 su primera formación sin saber que estaban a la vanguardia musical mundial. Tras dos años de tocar en garitos de mala muerte y medio triunfar en la sala de moda neoyorquina, el CBGB, los fichó la discográfica Sire para grabar su primer álbum, el homónimo Ramones. De ahí al mítico concierto en la sala Roundhouse de Londres en julio de 1976 mediaron unos pocos meses. Podría decirse que dieron el pistoletazo mundial al punk: recibieron en el backstage a grupos que por entonces empezaban, como los Clash o los Sex Pistols. Los inicios de la banda, hasta su primera consagración, están contados en este álbum al alcance de todos los niños y mayores. Una historia de amistad y superación como nunca la has visto. Y más cool que nunca. Reseña: «Abrir el libro Ramones (ilustrado y de pequeño formato) es abrir el baúl de los recuerdos de aquellos chavales que en los 70 llevaban un característico corte depelo. Flequillo largo que tapaba los ojos. Un peinado que marcó a una tribu: los punk.» Carmen Carbonell, Libertad Digital

Ramones: Interviews John D. Luerksen, 2009-01-10 Collecting three decades worth of essential interviews with the punk rock pioneers from Queens, NY, *RAMONES: INTERVIEWS* starts with the band's earliest publicized moments in 1975 and ends with a series of reflections from its principle members prior to their untimely deaths. Exhilarating, gripping and often fun, these brilliantly honest media interactions -- weaved together by music scribe John D. Luerksen -- allow the members of the trailblazing Ramones the opportunity to tell their unique, unforgettable story. *RAMONES: INTERVIEWS* is a must read for all Ramones disciples and anyone interested in the real evolution of punk rock.

Ramones Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Ramones free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Ramones free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience

with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Ramones free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Ramones. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Ramones any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Ramones Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements,

quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ramones is one of the best book in our library for free trial. We provide copy of Ramones in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ramones. Where to download Ramones online for free? Are you looking for Ramones PDF? This is definitely going to save you time and cash in something you should think about.
