Ramu, a Story of India Rama Mehta,1966 Story of a poor Indian boy who hopes to receive a mouth organ during Diwali, the Festival of Lights.

Ramu, an Indian Boy's Story Henry Scholberg,2005 Ramu, A Boy Of The Streets Of Delhi, Encounters A Young American Kurt, Anderson Introduces Him To An Anglo-Indian Lady With Whom Kurt Falls In Love, Unknown To Her Kurt Is Committed To A Young Woman On The Other Side Of The World.

Ramu Prasad's Angel TAYENJAM BIJOYKUMAR SINGH,2013-11-29 Intricately woven stories in this collection are as varied as life itself—from the bond of friendship between an old washer-man and a little girl to the affection of a foul-mouthed but generous old woman for a young boy, from the story of humble villagers building a rickety bamboo fort to ward off a heavily armed gang to that of an honest and hardworking man made to become an unwilling witness to a midair scientific experiment. Others tell stories of the traumatic experience of people living in the midst of terror. Some are yet intriguing stories of the prophecy of dying at the hands of a child who is born long after the death of both his parents and of a perplexing young admirer expressing his pent-up feelings for a senior lady anonymously.

The Inexplicable Unhappiness of Ramu Hajjam Taj Hassan,2012-08-07 The only commodity not at a premium in the battle between the poor and the very poor is life. Deep in the neglected interiors of India the villages of Tesri and Bhagatpur lie on the same side of the river Kareh. While Bhagatpur is populated by the land-owning farmer caste, the low-castes live in Tesri eking a subsistence from looking after the needs of Bhagatpur's high-born - but not much less poor -

populace. Neither side has ever questioned this balance of power because the received wisdom is to each their lot. Until the day the local barber Ramu Hajjam is beaten senseless for accidentally cutting Subedar Singh's cheek and his son, burning for revenge, realizes that the only justice open to them is the brutish kind the rebels provide... A spare simple tale that looks through crippling impoverishment centuries of caste divide and government neglect straight into the heart of a bereaved father.

Ramu C.J. Cronin, 2015-02-23 "Ramu" In 1949 the son of a WWII fighter pilot, shot down over New Guinea, launches an expedition to recover his father's remains. With him from Baltimore is his pretty and strong-willed young wife, Mary. They secure the assistance of a local patrol officer and a legendary crocodile hunter, Tom Cole. Little do they know the terrifying force they are about to unleash as they near the forbidden valley. 88,000 words Plus: "Ramu II" The exciting sequel to "Ramu". Casey Solstein is a brilliant young paleontologist with the Boston Museum. Her specialty is large carnivores. She also collects old science fiction magazines. While at a market she stumbles upon magazines containing a series about an impossibly big crocodile in the jungles of New Guinea. Only trouble is, the science is too exact for such an old publication, and so bears further investigation. 108,000 words.

Trial & Errors Ramu Upadhaya,2018-12-10 Trial and Errors exposes the extent to which some shady activities parlay into the various day-to-day transactional businesses of the human race on the pretext of being malleable, as something of the novelty of a Good Samaritan. It perches as if it were sighing a relief on the exposition of the malfeasance while juxtaposing the wistful resolution. It is a well-crafted salacious story on spicy works.

The Sepik-Ramu Pamela Swadling,1988

The Honey Gatherer by Jeff Tikari Jeff Tikari,2015-10-13 THE HONEY GATHERER - The story is set in a sparsely populated tract of the heavily forested foothills of the Himalayas: an area that lies roughly between India and Nepal and in places is virtually untouched. The 'Forest People' of this area have minimal contact with the outside world and dwell entirely in the forest living off its produce .These are the 'Wild Honey Gatherers' - a race almost extinct - they have strange ways and are rumored to possess the ability to communicate with birds and beasts. When encountered they fade into the forest shadows. Village people give them a wide berth fearing the strange occult or shaman powers they possess. 'The forest Spirits protect them' is a widely held belief. This story is about one such family...its secrets, its mystical powers, and its accord with nature. Written in a style that suits today's fast-paced lifestyle where an elegance of words and precise sentences open up forest vistas that draw you into the lives and customs of the Honey Gatherers.
