*My Favorite Match* Jon Robinson, 2012-07-31 Re-live the most breathtaking, unbelievable wrestling action ever as WWE's superstars and divas recount their greatest matches of all time—featuring eight pages of full-color photographs. Remember the time Goldust ran over “Rowdy” Roddy Piper in his gold Cadillac? How about when Randy Orton battled Mick Foley with a barbed-wire bat named “Barbie”? When you ask a WWE Superstar what his favorite match is, you might be surprised by his answer. But that's the thing about a phrase like “favorite match.” It's not about the greatest match in their careers or the time they won their first title. It's about the moments that stand out and make them smile. Sometimes, it's the same smile they had when they left the ring, face full of blood and sweat, to the roars of thousands. Sometimes, it's the smile they tried so hard to hide when anything and everything seemed to go so wrong that even the ring announcer was accidentally injured in their struggle. And sometimes, it's the smile only the showmen themselves share with each other as brothers in battle with one goal in mind: doing whatever it takes to put on the best show possible, even if it means landing on a few thousand thumbtacks along the way. These are their stories, straight from the Superstars who performed some of the most memorable matches in WWE history. These are the most unexpected, the most brutal, the most hilarious, and the most unforgettable moments of their careers—captured in their own words.

**Showdowns** Jeremy Roberts, 2009-11-24 Two decades of the top twenty fan favorites and the matches that made them famous. It starts with an insult...then comes a push, a shove...a betrayal. Before you know it, the two wrestlers are at each other's throats. It's a rivalry, it's personal...it's a showdown. Some showdowns are straightforward: John Cena wants to prove himself by taking on JBL; Randy Orton knows that if he can slay Undertaker, it will prove that he is the legend killer. Others are grudge matches -- The Rock is finally going to put Stone Cold Steve Austin, the bionic redneck, in his place. There are conflicts we can all identify with: Steve Austin doing to Mr. McMahon what we dream of doing to our boss every Monday morning. There are the epic showdowns that evoke the eternal struggle: Undertaker versus Kane. And the truly bizarre: Mankind against Shawn Michaels. Here for the first time ever, Jeremy Roberts (co-author of *Controversy Creates Cash* and *Batista Unleashed*) examines the top twenty rivalries of the past twenty years. Roberts takes us on a veritable tour of recent wrestling history, from Hulk Hogan's showdowns with Randy Savage to the gargantuan struggles between Undertaker and Batista. The high-flying action of the Hardy Boyz, the Dudleys, Edge & Christian -- all are examined in what amounts to a brief for the wrestlers' inclusion in the hall of fame. From the Monday Night Wars between nWo and D-Generation X to the real-life conflict that spawned Matt Hardy's memorable bloodfest with Edge, Roberts takes you into the ring so vividly you'll come away with bruises.
