The Bee and the Cat Adrian Barrientez,2014-01-07 In reality, the late summer day was supposed to get warmer later on, but all Soi Fong knew was that she would be cold until about noon. It didn't help that she was such a petite girl, she thought with a bit of a sigh as she glanced in the small mirror on her wall. She was only at about average height for her age, and

just about every other aspect of her anatomy was compact and slender, giving her a rather cute but unremarkable appearance. Not that she cared too much about things like that, but it was times like this she wished she had a little more meat on her bones. After changing quickly, she felt a little warmer than she had in her long sleepshirt, but the draft through her jammed window still chilled her to the core. Ignoring her discomfort, she walked through the open doorway to the worn and neglected stairwell, remembering to skip the termite-infested fifth step on her way down.

Starting Out Kaiya Kokoro,2015-01-25 Your complete anime persona takes account of your unique personality and appearance, and develops and accentuates those traits which have a natural place in an anime life. Your individual characteristics, aside from being developed in alignment with your ideal anime life, are also contrasted with a group of friends, each also committed to developing an anime lifestyle and persona. Together, individual similarities and differences help create a dynamic and fun group environment. And since no anime lifestyle is complete without some exciting plot-line, the

group is put into action going on adventures, working on projects, and achieving goals together. In chapter 1, you will take several quizzes to help you determine what anime personality traits you have. This will help you find your niche among the friends who will take the anime dream to the next level, providing a context for your individual character to be fully realized. In chapter 2, you will learn how you can bring the anime dream to it's ultimate manifestation by structuring your group around a Group Focus. The Group Focus serves as a kind of plot-line within which talents will be realized and adventures will be had. In chapter 3, you'll learn how to plan exciting adventures. From fun afternoons to overnight trips - adventures of all sorts are discussed in detail, as well as how to make them affordable and safe. Chapter 4 discusses ways to add anime magic to holidays. In addition to traditional Western holidays that are also celebrated in Japan, common Japanese holidays, celebrated in Japan and in anime, will be discussed. We will review ways to incorporate those holidays in your life through small celebrations with your friends. Chapter 5 discusses group projects - activities that you and your friends can work on together such as making a group photo book, sewing costumes, and making anime style accessories. There is even a how-to guide for creating anime-like photos.
