Aw, Grow Up! Harry C. Hoover Jr.,2013 In this insightful book, Harry C. Hoover, Jr. describes his concerns about society today--that we are a much more self-centered world, than a God-centered one. This is evidenced by the turmoil that we live in today, where there is always some sort of strife going on in the world. While you may or may not agree, the points he introduces will at least provide a basis for thought and possibly prompt the reader to take a closer look at his/her life and its part in contributing to the world as a whole. If people don't change their ¿self-centeredness,¿ how can we expect our world to ever be at peace?

Monster Hunter Bloodlines Larry Correia,2021-08-03 IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING PRIORITIES The chaos god Asag has been quiet since the destruction of the City of Monsters, but Monster Hunter International know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is, there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the

Summoning Their Elementalist Shannon Pemrick, 2019-07-25 In the game of love, summon the means to win. Jasper didn't set out to fall in love with his best friend and professional gaming partner, Zach—hell, he never thought it an option. But when an accident took his wife's life, leaving him a single parent, the two found comfort in each other. Happy again, he couldn't have wanted more. Until the newbie spitfire redhead in their guild smoked them both in a duel, and subsequently agreed to join their team. Quick with her spells and even quicker with her words, she's got a soft spot for his daughter, and a growing place in his heart, as well as Zach's. Only problem? She won't see them outside the game. Zach has been happy with his partner Jasper and his daughter, even though they came together under less-than-pleasant circumstances. But as happy as they are, he can't deny his growing attraction to their guildmate and fellow teammate Shira. So when Jasper confides in him a desire to include her in their family, he's on board. But how are they going to convince her of that, when they can't even get her to meet them in person? And if they succeed, what will become of his relationship with Jasper? Shira has three rules: don't date in person, don't hook up with guildmates, and most certainly don't believe an android can find love. After being fitted with life-saving cybernetics, she lost her modeling career, her dating life, and her confidence. She retreated inward, taking up a new gaming hobby due to new friends she made in the hospital. Pairing up with fellow guildmates Jasper and Zach for player vs. player activities, she slowly finds her confidence again and embraces this new life, doing her best to escape her past. However, growing close to these two men tests her rules in ways she never expected, especially when they insist on meeting her. And if they can summon her, what could become of them if her past comes back to haunt her? --- SUMMONING THEIR ELEMENTALIST is part one of a duet and does not stand alone, ending in a cliffhanger. Part two is BINDING THEIR ELEMENTALIST. This is a MMF Ménage romance. There are sexual encounters in the duet parts containing MM, MF, MFM and MMF situations. Author's Note: Summoning Their Elementalist tackles the topic of acknowledging and overcoming trauma. Reader discretion is advised. Binding Their Elementalist Shannon Pemrick, 2022-05-24 In the game of love, bind what is yours. Rules. They exist for a reason. Geek and former model Shira has seen what happens when she strays from them. She has three she never breaks: 1. Don't hook up with guildmates. 2. Don't date in person. And most of all... 3. Don't believe someone can look past the cyborg freak you've become. Only, she's broken one of her simple rules not with just one person, but two—her virtual reality PvP partners... who also happen to be a couple. Worse yet, they convinced her to meet them and their wonderful daughter at the biggest VR gaming convention in the US, forcing her to face her fears. Rules. Who needs them? Not Jasper or Zach. They only complicate life. So when the two decide they want to add their close friend and casual VR PvP partner, Shira, to their life as their player three, they run into a problem: her rules. She claims they protect her. They've seen her come out of her shell since breaking Rule One. Now they're determined to do whatever it takes to break the last two rules. The more time she spends with them, the more at risk she is for breaking rules two and three. And Shira isn't sure she can protect herself from the inevitable fallout once she does. They've summoned her, and now, they'll bind her. --- BINDING THEIR ELEMENTALIST is part two of a duet and does not stand alone, starting off immediately where part one, SUMMONING THEIR ELEMENTALIST left off.
