**Desert Rats** Chinle Miller,2009 Generously described as eco-humor, anything's fair game for Chinle's understated tongue-in-cheek writing.--Back cover.

**Pancho** Franny Conlin,2021-02-04 This is a tale about a battle for survival between the feline families that roamed and scavenged on the docklands of Liverpool soon after World War II and the vicious rodent hordes. Food is scarce, fights to the death are frequent, and the rodents fighting in large numbers are murderous in their attempts to kill as many kittens as possible to keep the cat families small in number. The leader of the rat pack, Retsina, an extremely clever and meticulous rat, is a freak of nature because of his size. He is a giant among the rodents. There is one large cat family who are a match for rats. They are the fighting Flynns who are led by Feral Flynn, a giant ginger tom, fearless and brave. He looks after his clan well. Battles up to now are even. Then one night, a new cat hero emerges, a loner who is soon to become the hero among the felines, a scourge on the rodents, who is sharp as a pin, ridiculously cute, and braver and swifter than any feline. He has arrived. Who is this stranger Pancho the Cat? Where did he come from?

**Rat: How the World's Most Notorious Rodent Clawed Its Way to the Top** Jerry Langton,2007-06-26 Examines the characteristics, physiology, habits, behavior, evolution, history, myth, and psyche of one of the world's most successful animals, in a study that explores the reasons why the ever adaptable rat has risen to the top of the animal kingdom. 10,000 first printing.

**The Rat Chronicles** G.W. Rennie,2013-08-07 An alien race known as the Xzebuliens that exists in an alternate universe has developed the technology to create a rift in our own, that appears on the blind side of the moon. They send asteroids through the rift and deflect them to land on all the major continents of Earth, containing a virus engineered to wipe out the human race, so they can leave their dying world behind after we are gone. There will however, be limitations to the virus, like how far and fast it spreads from the epicenters of the land masses that they strike making our environment toxic to humans, but not to most any other forms of life on the planet. The virus, also designed to turn the environment against humans, including the plant and animal life. What the aliens did not count on is that the rats of Earth are affected by the virus in a way that mutates them, rendering the virus inert so as not to be dangerous to us through them, but giving them an ability to become telepathic with people through their Meta cognitive abilities that they share with human beings which is evidently lacking in other animal species. They eventually become our allies using their superior senses and intellect that work through us because of their mutated telepathic abilities and the Meta cognitive powers that both our species have in common in thwarting the alien attempts to invade. An ancient secret the rats discover in an otherworldly alien AI database that they reveal to us through their enhanced mental abilities is so shocking it will change the way people look at rats and our world forever. The human race becomes subservient to the rats because of their accidental alien viral metamorphosis as we depend on each other for the survival of both our species....

**Rats** June McNicholas,2010 Describes how to select a pet rat, what to feed it, and when to take it to the vet, as well as how to keep a pet scrapbook.

**The Seventh Plague** Gaston D. Cox,2016-01-14 In the turn of the century, what appeared to be a meteor crashed on Mar's surface? Pieces of the mysterious rock slingshot across space and were hurled to earth. The pieces scattered on the surface set off an array of events which lead to the sterilization of all reproductive systems. Scientists using compounds from the alien meteor found a cure to the sterilization epidemic but triggered events which ultimately threatened the extinction of life on the earth. It's a race against time to save the human civilization from annihilation.

**Rats on the Range** James Marshall,1997-04-22 In eight animals stories the reader meets a rat family that vacations at a dude ranch, a pig who takes lessons in table manners, a mouse who keeps house for a tomcat, and a buzzard who leaves his money to the Society for Stray Cats--or does he?

**The Rats, the Bats & the Ugly** Eric Flint,Dave Freer,2004 A team of mentally uplifted rats and bats, and their vat-born human leader must convince the military bureaucracy that invading aliens are really under the control of alien enemies who the naive humans think are their allies.

**Rat** Matthew Rayner,2004-01-04 Presents simple information about rats and choosing one as a pet.

**Secret Life of Rats** Trevor Day,2009-05 Discusses rats' features, their behavior and lifestyle, their historical interaction with humans, and their place in modern culture--Provided by publisher.

**Roller Coaster Rodent** Dave Woodcock,2017-04-24 Geoffrey is a disillusioned house hamster who longs for adventure. When an escaping opportunity arises, he seizes it immediately; and before he can say dead cat, he is embarking on a life-changing journey that could quite possibly save the world. Can he really protect the human race with help from a rat, a beetle, a snail, a chinchilla, two hundred mice, thousands of ants, and a tapeworm?

**The War Around Us** Wolfgang Peter May,2012-03 Wolfgang Peter May is no stranger to war. As a young child, he fled from his home in Breslau, Germany--now Wroclaw, Poland--during World War II and witnessed the destruction of Dresden. He immigrated to the United States and eventually joined the US Army. While in the army, he became an intelligence operations officer of the Fourth Armored Division in Germany, and he served in the Vietnam War. These life events profoundly impacted May's view of war. In *The War Around Us*, he explores and debates the many past and present faces of war. Juxtaposing his personal experiences with world events, May delivers a thought-provoking view of warfare. May discusses World War I, the development of the atomic bomb, war criminals, and the ineffectiveness of political leaders. He even comes to grips with his own war guilt from the Vietnam War and shares his family's experience in Germany during World War II. May's observations offer a sobering statement of how armed conflict can leave a legacy that will resonate for generations to come. Part memoir and part commentary, *The War Around Us* delivers a hard-hitting, first-person look at the true face of war.

**The Rambles of a Rat** Charlotte Maria Tucker,2023-07-21 *The Rambles of a Rat* by A. L. O. E. (Charlotte Maria Tucker) is a charming and delightful tale that takes readers on an enchanting journey through the eyes of a clever and adventurous rat named Whisker. The story follows Whisker as he embarks on a series of exciting adventures, encountering both friends and foes in the human world. Whisker, a curious and intelligent rat, lives in a cozy little hole beneath the floorboards of an old cottage. Tired of his mundane life, he yearns to explore the world beyond his humble abode. One day, Whisker summons up the courage to venture out into the great unknown. As he explores the world outside, Whisker encounters a variety of experiences and challenges. He meets a colorful cast of characters, from kind-hearted animals to grumpy humans, each leaving a lasting impression on him. Along the way, Whisker learns valuable life lessons about friendship, bravery, and the importance of empathy. Throughout his escapades, Whisker's witty and mischievous nature leads him into comical and sometimes dangerous situations. He

faces perilous encounters with cunning predators and narrowly escapes several close calls, all while relying on his quick wit and resourcefulness. One of the highlights of Whisker's journey is his encounter with a group of young children who befriend him. Through this unexpected friendship, Whisker learns that not all humans are to be feared, and that genuine kindness and compassion exist in the world. As Whisker's rambles continue, he becomes a well-traveled rat with a newfound appreciation for the beauty and complexity of the world around him. The story culminates in a heartwarming conclusion as Whisker returns home with a treasure trove of memories and experiences to share with his rat family. The Rambles of a Rat is a delightful tale that captures the essence of adventure and wonder. Charlotte Maria Tucker's engaging storytelling and her ability to create relatable animal characters make this book a timeless and enjoyable read for readers of all ages.

*Racso and the Rats of NIMH* Jane Leslie Conly,1991-08 Racso, a brash and boastful little rodent, is making his way to Thorn Valley, determined to learn how to read and write and become a hero. His bragging and lies get him off to a bad start, but a crisis gives him the opportunity to prove his mettle. . . .--Booklist. IRA/CBC Children's Choice; Booklist Children's Editors' Choice.
