Snake Eyes: A universal RPG system Aron Christensen,Erica Lindquist,2023-04-10 A table-top role-playing game (TTRPG) combines improvisation, tactical gaming, and dramatic stories into a unique pastime that is gaining a well-deserved mainstream audience. There's never been a better time to pick up role-playing, but how to choose what game? There are so many game genres waiting for you, from high fantasy to science fiction and urban fantasy to high school romance and cosmic horror – plus everything beyond and in between. Many gaming systems pick one of these genres to help you build and enjoy a campaign, but every different system and every genre has something to offer. But Snake Eyes is a role-playing system designed to be flexible and to engage your creativity in building games and characters for any genre! A versatile magic system allows for epic fantasy, a mecha-construction system lets you create your own giant robots or science fiction starships, and a martial arts system gives you all the tools you need for an anime-style campaign! Snake Eyes supports any genre of game, but also different levels of complexity. For a simple game, use the stats only. Comfortable with that? Then add in skills. You can play with or without maps, or even without round-by-round combat at all with our crisis system. Or jump right into the middle of it all with traits and complications, custom attacks and equipment! The Snake Eyes system gives players and Storytellers alike not just the pieces to create campaigns, but guidelines for creating custom traits, complications and more. After all, no game system should limit your imagination.

Cutting Loose Michael Z. Lewin,2015-11-24 Show some respect, young man...Just what was this young woman to you? Jackie looked into the nurse's pinkface. Nance was the best friend I ever had, she said. The only friend I ever had. Jackie is Jack Cross to everyone except Nance, a Wild West show trick shooter in turn-of-the-century New York who has her own secrets to hide. A slick-fielding second baseman with a good bat, Jackie must never drop her disguise if she is to continue to play professional baseball. But when Nance is murdered by a knife-thrower who does know Jackie's secret, the young ballplayer takes off on a transatlantic chase that changes her life. Set on two continents, in three different time-periods, with a fascinating cast of characters including Buffalo Bill Cody, Jack the Ripper, and a musical star named Ruby the Red who has still another hidden life, Cutting Loose is a multi-layered page-turner filled with insights and surprises.

The Snake John Godey,2013-12-12 A lethally venomous snake is on the loose in New York City in this thriller by the New York Times–bestselling author of The Taking of Pelham One Two Three. On a steamy night in Central Park, a sailor returning from South Africa gets mugged. What the mugger doesn’t know is that the sailor is carrying a deadly black mamba—the most poisonous snake in the world. The sailor is murdered, the mugger is bitten, and the snake slithers off into the underbrush . . . As city authorities rush to capture the snake, the populace desperately tries to stay out of its way in this fast-moving thrill ride with plenty of bite.
