The Raving Darren Carrington,2012 Ricky Katana was at the peak of his career and could see his dream of becoming heavyweight champion of the world within his grasp, when that dream suddenly came crashing down around him. Now left with a broken body and spirit, Ricky feels he must choose between the career he loves and the child he loves. Life takes Ricky by surprise when he realizes that what he needs the most is the last thing he ever thought he needed. The only question left is whether Ricky Katana can let go of his fears, arise out of the ashes, and go farther than he ever thought possible...

Stark Raving Dad Sanderson Dean,2019-05-07 Finally! The pain of parenting . . . in poetic form! Stark Raving Dad is an illustrated collection of poems (no claims of being Walt Whitman here) that humorously captures fatherly angst in comedic verse and pairs it with talented art from the author's own kids. Let's be honest: Most gifts for Dad usually end up being a golf club or a tie. But what about the Dad in desperate need of a laugh? Give him reassurance he's not the only father trying to figure it all out. Over the years Sanderson Dean has turned all his fatherly angst into poetry, accompanied by crudely drawn images by his children. But before your eyes glaze over at the word poetry, you should know it's more hapless than highbrow. From surviving road trips to being puked on, and from plunging clogged toilets to finding Craisins in the couch cushions, Sanderson covers many of the rarely talked about adventures that make the journey of parenthood so very exciting.

Raving at Usurers Dwight Codr,2016-02-04 In *Raving at Usurers*, Dwight Codr explores the complex intersection of religion, economics, ethics, and literature in late seventeenth- and eighteenth-century England. Codr offers an alternative to the orthodox story of secular economic modernity's emergence in this key time and place, locating in early modern anti-usury literature an ethic of uncertainty that viewed economic transactions as ethical to the extent that their outcomes were uncertain. Codr's development of an anti-financial reading practice reveals that the financial revolution might be said to have grown out of—rather than in spite of—early modern anti-usury and Protestant ethics. Beginning with the reconstruction of a major controversy provoked by the delivery of a sermon against usury in the financial heart of London, Codr goes on to show not only how the ethic at the core of the discourse surrounding usury in the eighteenth century was culturally mediated but also how that ethic may be used as a lens to better understand major works of eighteenth-century literature. Codr offers radically new perspectives on Daniel Defoe's *Robinson Crusoe* and Henry Fielding's *Tom Jones*, examining how these novels reacted to emergent financial ways of knowing and meaning as well as how the texts formally bear out the possibility of a truly open and uncertain future. By reading the eighteenth century in terms of risk rather than certainty, *Raving at Usurers* offers a reassessment of what has been called the financial revolution in England and provides a revisionist account of the intimate connection between risk, ethics, and economics in the period.

Raving Of A Long Haired Dog Trainer...Volume 1 Mike Deathe,2016-05-24 The articles or ravings in this book give the reader a glimpse inside just what I think about dog training. They are small snippets and articles on the way to understand how to speak Dog As A Second Language vs. the tired and old ideas of the dog listening and doing what I want because I am the human . . . I hope to inspire you with these articles and whet your appetite to learn even more about a science based, positive reinforcement way of Keeping it Simple Stupid, and if nothing else to at least having fun while training your dog . . .

Rave New World Kirk Field,2023-06-22 'Love this book! It triggers so many memories of the rave era. Thoroughly recommended.' - FATBOY SLIM 'Captures the hedonism and humour of the nineties with a laugh-out-loud honesty. The perfect Ibiza holiday read...if you can get it through customs!' - JUDGE JULES As a humble barman at the M25 Orbital raves, Kirk Field witnessed the moment acid house exploded. Inspired by media lies to start writing the truth about what he saw unfolding, Kirk became a 'raving' reporter for the clubbers' bible Mixmag, covering the historic parties from the

inside and sending sweat-soaked dispatches from distant dancefloors as the scene expanded across Europe and beyond. With a cast of characters including Diego Maradona, Timothy Leary, the KLF, Michael Eavis, Genesis P-Orridge, Brigitte Nielsen, Boris Yeltsin, Boy George, Saddam Hussein's wife, the president of Tunisia, the CIA, the KGB, Dave Courtney, Norman Lamont's dominatrix and even Her Majesty the Queen, Kirk's whirlwind account of the golden age of clubbing tells the story of what really happened in the 'naughty '90s', exposing the seedy underbelly of rave culture while also capturing the nostalgic spirit of the era. Told through a mixture of vivid first-person narrative, surreal insider anecdotes and incisive social commentary, this honest, hilarious and uncensored postcard of hedonism will appeal to anyone who's ever put their hands in the air like they just don't care.

Mad Kings & Queens Alison Rattle, Allison Vale, 2011-09-13 A frank and fascinating history of forty of Europe's most loony, deluded, and downright dangerous monarchs. In Mad Kings & Queens co-authors Alison Rattle and Allison Vale reveal a legion of kings and queens who have abused the pedestal of power in spectacular style. The respectability of the royal position is well and truly tossed aside by the whimsy and wanton depravity of these mad European monarchs, including: The queen who murdered her husband with a red-hot spit. The bloodthirsty monarch who impaled tens of thousands of his subjects. The vampiric ruler who bathed in the blood of young women. The king of excess who beheaded his wives. Mad Kings and Queens explores seven hundred years of royal eccentricity, detailing a catalogue of madness and exploring the finer intricacies of royal breeding that lay at its root.

Continual Raving Janet R. Gilsdorf, 2019-11-12 Not all scientific discoveries are genius. Continual Raving tells the combined stories of how scientists across the 19th and 20th centuries defeated meningitis -- not through flawless scientific research, but often through a series of serendipitous events, misplaced assumptions, and flawed conclusions. The result is a story of not just a vanquished disease, but how scientific accomplishment sometimes occurs where it's least expected. Although symptoms of meningitis were recorded as early as Hippocrates and the ancient Greeks, our understanding of the disease's origins and mechanisms remained obscure for most of human history. That changed in 1892, when German physician Richard Pfeiffer observed and isolated bacteria ultimately shown to cause meningitis in children -- and concluded that those bacteria cause influenza. Haemophilus influenzae, as the meningitis-causing bacteria have been erroneously named ever since, continued their strange journey to discovery in the decades that followed. Continual Raving traces the disease's strange encounters with science, including: ♦ Heinrich Quincke, the German internist who first used a needle to draw spinal fluid from between a patient's back bones ♦ Simon Flexner's management of American meningitis epidemics using immune serum from a horse ♦ American bacteriologist Margaret Pittman's discovery (during the Great Depression, no less) of a sugar overcoat that protects the bacteria from white blood cells ♦ Pediatrician Ashley Weech, who gave the first antibiotic used in America (based on instructions written in German) to a young patient sick with meningitis ♦ Microbiologist Hattie Alexander, who learned why these antibiotics sometimes fail in such patients

◆ Four scientists, in two teams, as they vied to be the first to create the right vaccine to prevent meningitis in infants In each of these deeply human stories, variables of chance, circumstance, and incorrect assumptions intervene to shape not just the arc of the scientists' lives, but the trajectory of how humans have come to understand one of our most pernicious diseases. *Continual Raving* is a mosaic tale of how science conquered meningitis -- and a larger story of the sometimes winding road to discovery.

Rave Culture and Religion Graham St John, 2004-06 Vast numbers of western youth have attached primary significance to raving and post-rave experiences. This collection of essays explores the socio-cultural and religious dimensions of the rave, 'raving' and rave-derived phenomena.

Stork Raving Mad Donna Andrews, 2011-06-28 Includes excerpt from *The real macaw* (p. [291]-304).

Raving Mad Jonathan Gregory, 2011-02-01 *Raving Mad* is my second novel and is the story of a couple fighting for the life of their friend and sister. Sam started her day by convincing her fianc to go to his first rave party. By the next morning, they were both in the hospital and his sister was missing. When Sam awoke in the hospital, she felt completely different and couldn't remember what had happened. She could feel the evil crawling within her body as if it had been injected into her marrow. Somehow, she knew that her friend was in the darkest danger and somehow she knew what she had to do. The FBI had discovered the bodies of young girls that had been abducted from recent underground raves. They had more evidence than they could use, but the killer was invisible to them. It seemed that he had no history. Deaths and abductions at raves had been escalating and Special Agent Kepler was fighting a nagging sense that the killer is on a quest that is nearly over.

Raving Simon Paisley Day, 2013-10-17 'I sometimes wonder how on earth people as pathetic as you and me are allowed to start a family. It's far more dangerous than driving a car, and yet there's not a single test...' Briony and Keith are not finding parenthood easy so their friends the delightful Ross and Rosy, engineer a relaxing weekend away in Wales: intelligent adult company, good food and drink, complete rest - and absolutely no children. But making up the numbers by inviting the unpredictable Charles and Serena doesn't make things restful. Add an uninvited anarchic adolescent and a fanatical farmer and Briony and Keith's idyllic weekend erupts into total chaos... An uproarious study of modern parenting and matrimonial tribulations.

Confessions of a Raving, Unconfined Nut Paul Krassner, 2012-09-01 Uncensored, uncontained, and thoroughly demented, the memoirs of Paul Krassner are back in an updated and expanded edition. Paul Krassner, "father of the underground press" (*People* magazine), founder of the *Realist*, political radical, Yippie, and award-winning stand-up satirist, shares his stark raving adventures with the likes of Lenny Bruce, Abbie Hoffman, Norman Mailer, Ken Kesey, Groucho Marx, and Squeaky Fromme, revealing the patriarch of counterculture's ultimate, intimate, uproarious life on the fringes of society. Whether he's writing about his friendship with controversial comic Lenny Bruce, introducing Groucho Marx to LSD, his investigation of Scientology, or John Kennedy's cadaver, no subject is too sacred to be skewered by Krassner. And yet his stories are soulful and philosophical, always authentic to his iconoclastic brand of personal journalism. As Art Spiegelman said, "Krassner is one of the best minds of his generation to be destroyed by madness, starving, hysterical, naked—but mainly hysterical. His true wacky, wackily true autobiography is the definitive book on the sixties."

Stark Raving Elvis William McCranor Henderson, 1997 Byron Buford is a down-and-out factory worker with a dream to somehow recapture that one shining moment of his life, that memory that nourishes his soul and feeds his fantasies--that long-ago day when he debuted his Elvis impersonation at the high school talent show. Now Byron's gone to Las Vegas. Sex, drugs, delusion--he's gone stark raving Elvis!

Party Time Shaun Attwood, 2018-04-16 An action-packed roller-coaster account of a life spiralling out of control featuring wild ravers, gangsters and a mountain of drugs Shaun Attwood arrived in Phoenix, Arizona, a penniless business graduate from a small industrial town in England. Within a decade, he became a stock-market millionaire. But he was leading a double life. After taking his first Ecstasy pill at a rave in Manchester as a shy student, Shaun became intoxicated by the party lifestyle that would change his fortune. Years later, in the Arizona desert, Shaun became submerged in a criminal underworld, throwing parties for thousands of ravers and running an Ecstasy ring in competition with the Mafia mass murderer Sammy 'The Bull' Gravano. As greed and excess tore through his life, Shaun had eye-watering encounters with Mafia hit men and crystal-meth addicts, enjoyed extravagant debauchery with superstar DJs and glitter girls, and ingested enough drugs to kill a herd of elephants. This is his story.

Raving McKenzie Wark, 2023-03-14 McKenzie Wark takes readers into the undisclosed locations of New York's thriving queer rave scene, showing how raving to techno is an art and technique at which queer and trans bodies might be particularly adept, but which is for anyone who lets the beat seduce them.

Raving Moments Srikali Goutam Varanasi,

Home Invasion Rebecca Hagelin, 2005 Like a safe harbor at the edge of an angry sea, the suburban neighborhood is an environment of protection from the world and all its dangers. Or is it? In this book, Christian activist Rebecca Hagelin shows that in today's all-consuming culture of corruption there is nowhere left to hide--American homes have already been invaded by this insidious enemy that seeks to twist our minds and poison our hearts through the unmonitored Internet, television, magazines, and music that our families ingest on a daily basis. With warm words of encouragement and practical suggestions, Hagelin coaches parents on how to arm themselves with information, strategically plan the movements of their family members, secure allies in the battle, and most of all, muster the guts and the resolve to lead their families to victory. --From publisher description.
