Sepher Rezial Hemelach Steve Savedow, 2000-12-01 *Sepher Rezial Hemelach* is the long-awaited first English translation of this famous magical text a translation from the ancient Hebrew in the rare and complete 1701 Amsterdam edition. According to Hebrew legend, the *Sepher Rezial* was presented to Adam in the Garden of Eden, given by the hand of God, and delivered by the angel Rezial. The myth thus suggests that this is the first book ever written, and of direct divine provenance. A diverse compendium of ancient Hebrew magical lore, this book was quite possibly the original source for later, traditional literature on angelic hierarchy, astrology, Qabalah, and Gematria. Moses Gaster mentions this in his introduction to *The Sword of Moses* (1896) suggesting that the *Sepher Rezial* could be a primary source for many magic and qabalistic books of the Middle Ages. *Sepher Rezial Hemelach* is a compilation of five books: *The Book of the Vestment*, *The Book of the Great Rezial*, *The Holy Names*, *The Book of the Mysteries*, and *The Book of the Signs of the Zodiac*. It includes extensive explanatory text on the holy names of God, the divisions of Heaven and Hell, the names and hierarchy of the angels and spirits, as well as symbolic interpretations of both the *Book of Genesis* and *Sepher Yetzirah*. It also includes material on astronomy, astrology, gematria, and various magical talismans, most notably those used for protection during childbirth. In his introduction, Steve Savedow details the history, bibliographical citations, and lineage of this famous work. He lists

the old and rare manuscripts still in existence, and provides a bibliography of other reference works for study of the Western esoteric tradition.

Raziel Kristina Douglas,2011-01-25 Kristina Douglas's sexy new series introduces a realm of fallen angels and ruthless demons, where an eternal rebellion is brewing . . . and one unsuspecting woman can change the fate of the Fallen forever. She was just an ordinary mortal . . . "You're dead" is so not what Allie Watson wants to hear. Unfortunately, it explains a lot. Like the dark, angelically handsome man who ferried her to this strange, hidden land. The last thing she remembers is stepping off a curb in front of a crosstown bus. Now she's surrounded by gorgeous fallen angels with an unsettling taste for blood—and they really don't want her around. Not exactly how she pictured heaven. . . . until death catapulted her into a seductive world she never imagined. Raziel is unsure why he rescued Allie from hellfire against Uriel's orders, but she stirs in him a longing he hasn't felt in centuries. Now the Fallen are bracing for the divine wrath brought by his disobedience, and they blame Allie for the ferocious Nephilim clawing at the kingdom's shrouded gates. Facing impossible odds at every turn, the two must work together to survive. Raziel will do anything to defend his spirited lover against the forces of darkness—because Allie may be the Fallen's only salvation.

Archon Sabrina Benulis, 2011-12-27 Angels and demons do battle for a girl possessed by the spirit of a powerful, dead angel in this fabulous paranormal debut by Sabrina Benulis. Archon is the first of the Books of Raziel, a truly fantastic and very hip new take on heaven's warriors that readers of the angelic novels of Danielle Trussoni, Lauren Kate, Becca Fitzpatrick, and Alexandra Adornetto are sure to adore. Archon is new wave urban fantasy, a tale of the supernatural that brilliantly blends passion, obsession, horror, and suspense in a way that will appeal to dark fantasy fans and paranormal romance readers equally. Sabrina Benulis's angels are creepy, sexy, and totally awesome—and, like Anne Rice's amoral, ambiguous, and addicting vampires, they will seduce and terrify you at the same time.

Sepher Raziel DON. KARR, Stephen Skinner, 2018 Now available in paperback! Sepher Raziel--also called Liber Salomonis--is a full grimoire in the Solomonic tradition from a sixteenth century manuscript. It contains seven books: the Clavis, concerned with astrology and its use in magic, with precise interactions between planets, Signs, and Houses; the Ala, outlining the magical virtues of stones, herbs, and animals; the Tractatus Thymiamatus, which determines perfumes and suffumigations used in the Art; a Treatise of Times detailing the correct hours of the day for each operation; a Treatise on Preparation on ritual purity, and abstinence; Samaim, on the different heavens and their angels; and finally, a Book of Names and their virtues and properties, being seven semiforas of Adam and seven semiforas of Moses. The Sepher Raziel text is given in two forms: a literal transcription with no changes in spelling or wording and a modern English version. This volume also includes a foreword which offers an overview of Raziel manuscripts, which represent a number of independent traditions, an essay on the literature of

Solomonic magic in English, an introduction to the Sepher Raziel manuscript presented, an appendix on incense nomenclature as a supplement to Tractatus Thymiamatus, a list of printed notices and manuscript sources of Sepher Raziel, and a full bibliography of printed works on Solomonic magic and items of related interest.

Archon Sabrina Benulis, 2011-12-27 There are some things worse than death . . . For years, Angela Mathers has been plagued by visions of a supernatural being—an angel with beguiling eyes and magnificent wings who haunts her thoughts and seduces her dreams. Newly freed from a mental institution where she had been locked away for two years, Angela hopes that attending Westwood Academy, the Vatican's exclusive university, will bring her peace and a semblance of normality. But Angela isn't normal. With her stain of dark red hair and alabaster skin, she is a blood head—a freak, a monster, and the possible fulfillment of a terrifying prophecy. Blessed with strange, mystical powers, blood heads hold a special place in the Academy. Among them, one special blood head is more powerful than them all: the Archon, the human reincarnation of the dead angel Raziel. And when the Archon arises as foretold, it will rule the supernatural universe. Barely in control of her own life, Angela has no ambition to conquer an entire universe, not when she's suddenly contending with a dangerous enemy who is determined to destroy her and a magnetic novice who wants to save her. But the choice might not be her own . . . Torn between mortal love and angelic obsession, the young

blood head must soon face the truth about herself and her world. It is she who holds the key to Heaven and Hell—and both will stop at nothing to possess her. In Archon, Sabrina Benulis has created a dazzlingly imaginative tale set in a lush, vivid supernatural world filled with gargoyles and candlelight, magic and murder, in which humans, angels, demons, and those in between battle for supremacy—and survival.

Angelus Sabrina Benulis, 2016-02-09 The heart-pounding conclusion to the Books of Raziel trilogy, a gothic supernatural tale about a girl who discovers she holds the keys to both Heaven and Hell—and that angels, demons, and all the creatures in between will stop at nothing to possess her and control that power. Like sand in an hourglass, time is slipping away . . . The war started by three powerful angel siblings—Raziel, Lucifel, and Israfel—has divided the kingdoms of both Heaven and Hell for ages. Now, that destruction is spilling over into the human world, and only the Archon can stop it. She is Angela Mathers, a human who sits on the Devil's vacant throne, seemingly fulfilling a prophecy of ruin. As the Archon, Angela alone can oppose Lucifel and open Raziel's Book to use its power for good. But to do so would mean murdering her best friend, Sophia, and that's a sacrifice Angela refuses to contemplate. But ruin does not always mean destruction—sometimes it means revolution. Echoes of the past have resurrected the Angelus, the Song of Creation, and its notes are somehow linked to the Book. Now Angela must discover the truth behind the song and

her own origins, but time is running out. There are dark forces who believe Angela's success will not end tragedy but continue it, and they're determined to stop the Archon's destiny once and for all.

When Everything Feels Like the Movies Raziel Reid, 2015-04-14 Everyone wanted to break me. But stars aren't broken, they explode. And I was the

ultimate supernova. My name was Jude. They called me Judy. I was beautiful either way. School was basically a movie set. We were all just playing our parts. The Crew, the Extras, the Movie Stars. No one was ever real . . . especially me. I didn't fit any category. All the girls watched me - I could walk so much better than them in heels, and my make-up was always flawless. All the boys wanted to, well, you know . . . even if they didn't admit it. They loved me, they hated me, but they could never ignore me. I only had eyes for Luke. A red carpet rolled out from my heart towards him and this year, on Valentine'sDay, I was going to walk that carpet and find my mark next to him. It would be like a dream. But my dream was going to turn into a nightmare. This is my story. #WEFLTM

Sepher Raziel, Also Known as Liber Salomonis Stephen Skinner, Don Karr, 2011-03 Sepher Raziel (also called Liber Salomonis) is not the same as the Hebrew Sepher Raziel ha-Melakh. It is a full grimoire in the Solomonic tradition from a 16th century English manuscript, derived from Latin sources. As such it is one of the earliest grimoires produced in this series. It begins with directions for making the parchment, pen and ink of Art, required to write the names. It contains seven separate Treatises: 1 - Liber Clavis

which is concerned with astrology and its correct use in magic, something long forgotten by modern astrologers, with the precise interactions between planets, Signs and Houses; 2 - The Ala outlines in four sections the magical virtues of stones, herbs and beasts, and words; 3 - The Tractatus Thymiamatus explains why incense is essential to magical operations, and the effect of various incenses on the spirits, with a list of the key perfumes and suffumigations. An Appendix gives the modern and botanical names; 4 - The Treatise of Times gives details of the correct hours of the day and night for each operation, with associated angels and the proper names of the Sun, Moon and planets to be used in each season. This is something left out of almost all other grimoires; 5 - The Treatise on Purity explains the exact preparations, and the reasons for ritual purity; 6 - Samaim is a treatise on the seven Heavens, with the names of their angels; 7 - The Book of Virtues and Miracles is a treatise on the Semiforas, the names of God, and how they are to be used in invocation to produce miraculous results.
