**The World According to Razor** Neil 'Razor' Ruddock, 2020-10-29 'If you were expecting to read Razor's views on politics then you're going to be disappointed. Anybody who wants to read that needs help! This is yours truly talking about some of the experiences that have helped to create the absolute legend that is moi. Some of the tales involve a bit of mischief and most involve a drink or two. Most importantly, though, they're all a bit of a laugh so I'd settle down and have yourself a nice little read' The two things Razor Ruddock can't resist in life are a pint and a dare. That and seventeen years as a professional footballer under his belt means he's got a story or two to tell. Chickening out of a fight with Eric Cantona, robbing Alan Shearer's minibar, cinema trips with Gazza, becoming mates with Ian Wright - Razor has seen and done it all. Packed full of hilarious anecdotes, Razor gives us his take on the beautiful game, sharing his tactics (good banter is a defender's duty), red mist (and red cards) on the pitch, run-ins with the FA and his theory as to why Ingerland never do as well as we'd like, as well as his best ever goal and the greatest night of his sporting life. Razor also lifts the lid on his bad reputation and reveals his regrets, his heroes, his greatest fears (notably upsetting the missus) and what it takes to make Britain's hardest footballer cry. Poignantly, he shares his views on the importance of family and his concerns over footballers' mental health. And the biggest surprise of all: that he was a shy and retiring young lad (and that his love of swearing comes from his mum). Cameo appearances include: Bobby Robson, Diego Maradona, Eric Cantona, Dennis Bergkamp, Harry Redknapp, David Beckham, Alan Shearer, Gazza, Jimmy Case, Phil 'The Power' Taylor, Robbie Williams and Nelson Mandela ('Nelse'). With his trademark sense of humour and foot-in-mouth disease, *The World According to Razor* is like having a pint down the pub with Razor himself.

Toxic Neil Ruddock, 2024-10-10 Neil 'Razor' Ruddock tells the inspiring and uplifting story of how he faced the battle of his life: to become a different person. In this inspiring and uplifting memoir, Neil Ruddock charts his toxic journey of self-destruction, a path littered with food addiction, plummeting self-confidence and a dangerous relationship with drink which took him to the brink of death. 'Razor' was his caricature of the larger-than-life football hardman, a persona which turned from a natural extension of Ruddock's character to a comfort blanket to smother every mood, every emotion. When his front door closed, the laughter stopped. He was depressed and despairing. Football had institutionalised him. Talking about his inner feelings wasn't an option, owning up to mental health issues was an absolute no-no. In a remarkable series of confessions, and with his trademark humour and brutal honesty, Ruddock recounts how he spiralled so far out of control that he lost sight of who he really was. No matter how he was feeling, he reached for the same old answer - the mask of 'Razor' and a big night out. Following the fitting of a pacemaker and drastic stomach surgery, Ruddock has lost nine stones, firmly pressed the reset button on his life, and found the strength to free himself of the shackles of the bloke he thought he needed to be in order to become the man he always knew he was. Toxic tells the story of how Ruddock faced the battle of his life: to become a different person. No longer does he feel the need to be anything but his true self. As he now says: I'm half the man I used to be, but twice the man I used to be.'

Hell Razor Neil Ruddock, Dave Smith, 2000-07 Neil Razor Ruddock has had a chequered career since he left school at 16 to sign for his local club, Millwall, where he came under the tutelage of George Graham and was a team-mate of Teddy Sheringham. Two years later he got his big break at Southampton, refining a reputation as a tough defender and a player not be messed with. Spurs boss

Terry Venables paid u2 million to bring Ruddock to White Hart Lane, but a bust-up with Alan Sugar after Venables's departure meant his days at the club were numbered. In 1993, Graeme Souness persuaded him north to join Liverpool. However, in the summer of 1998 his flagging career received a massive boost when he signed for West Ham, where he now finds himself in partnership with the likes of Ian Wright and Rio Ferdinand. This is his story.

Filled with colorful personalities such as boxers Muhammad Ali, Canelo Alvarez, Sonny Banks, Trevor Berbick, David Bey, Joe Louis, and many others, the book also highlights trainers and other sports figures with a connection to the ring. *Lovejoy on Football* Tim Lovejoy,2009-05-27 Tim Lovejoy loves football. Along with Helen

Chamberlain he presented Soccer AM for more than a decade to become as much a part of a football fan's weekend as phone-ins, back-page EXCLUSIVES and the vidprinter. But why does Tim love football? Is it actually the most important subject in the world? And did he really once support Watford as a kid? Lovejoy on Football gets down to the nitty gritty of the really important stuff in football, such as: Why he, Tim, is technically a rubbish football fan; Women's true place in football; How 'Save Chip' became the biggest football cause in the country; Why it's a bad idea to hammer Razor Ruddock; And why footballers are in fact underpaid. Packed with amusing anecdotes, bustling with great football stories and full of strong opinions, Lovejoy on Football is the must-have football book of 2007.

**Dark Trade** Donald McRae, 2014-06-05 WINNER OF THE 1996 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. In the early 1990s, Donald McRae set out to discover the truth about the intense and forbidding world of professional boxing. Travelling around the States and Britain, he was welcomed into the inner sanctums of some of the greatest fighters of the period - men such as Mike Tyson, Chris Eubank, Oscar de la Hoya, Frank Bruno, Evander Holyfield and Naseem Hamed among them. They opened up to him, revealing unforgettable personal stories from both inside and outside the ring, and explaining why it is that some are driven to compete in this most brutal of sports, risking their health and even their lives. The result is a classic account of boxing that remains

as fresh and entertaining as when it was first published almost 20 years ago. McRae approaches his subjects with wit, compassion and insight, and the result was a book that was a deserved winner of the William Hill Sports Book of the Year prize.

**Rocky Lives!** David E. Finger, 2014-05-27 Boxing fans love the upset, seeing the underdog surprise the heavy favorite and take the fight to him, winning over the fans and--perhaps even more important--the judges. Sylvester Stallone mined that emotion through his long series of Rocky films. Rocky is fiction, however. The men in Rocky Lives! are real. David E. Finger, a writer for top boxing website FightNews.com, presents chronologically seventy-five heavyweight boxing upsets of the 1990s. Some involve boxers still fighting today; others contain a cautionary tale of once-great boxers chasing one last payday. There are also the early-round disasters of wannabes and athletes who switched to boxing in midstream. From the Tyson-Douglas, Foreman-Moorer, and Lewis-McCall top-dollar fights to low-level curiosities like former New York Jet Mark Gastineau getting embarrassed or Eric Butterbean Esch taking to the ring, David Finger presents the best heavyweight upsets the 1990s have to offer. You'll read about crooked promoters drugging opponents, a convicted felon hoping victory in the ring will win him leniency, and a forty-five-year-old preacher looking to exorcise a two-decade-old demon. Rocky Lives! brings all the knockouts and slugfests right into your home.

*Boxing in Philadelphia* Gabe Oppenheim, 2014-10-16 Philadelphia was essentially the birthplace of boxing in America, the city where matches first took shape in the back of bars. Jack Johnson, the first black heavyweight champ, fought more times in Philly than any other city besides his hometown; Sugar Ray Robinson, perhaps the best boxer ever, fought under his first promotional

contract in Philadelphia, appearing there twenty times; and Joe Louis, one of the greatest heavyweights of all time, was trained by a Philadelphia fighter. In *Boxing in Philadelphia*, Gabe Oppenheim examines the rise and fall of boxing in Philadelphia, and how it often mirrored the city's own narrative arc. Originating from the tales told to Oppenheim by a retired Philadelphia trainer, this history of boxing is drawn from personal interviews with current and former fighters and managers, from attending the fights in local arenas, and from watching the boxers train in their gyms. In this book, Oppenheim opens a window into the lives of such fighters as Jimmy Young, Meldrick "The Kid" Taylor, Teon Kennedy, and Mike Jones, telling with remarkable detail their struggles, triumphs, and defeats. Throughout, Oppenheim weaves together cultural history, urban studies, and biographical sketches of past boxers to create this comprehensive account of Philadelphia and its fighters. Featuring an array of photographs and exclusive interviews, this book captures the unique history of Philadelphia boxing. It will interest boxing fans, those who enjoy sports and cultural histories, and of course, native Philadelphians who want to discover more about their city and their fighters.

*Ghost on the Wall* Derek Dohren, 2011-04-15 *Ghost on the Wall* is the official biography of one of Liverpool Football Club's greatest ever servants: Roy Evans. Born in Bootle in 1948, Evans attracted the attention of many First Division club managers while playing for England's schoolboys team in the early 1960s. In 1964, legendary Liverpool manager Bill Shankly stepped in to sign him. But while the '60s were an exciting time to play for Liverpool, they were also very challenging, and Evans found it hard to break into the first team on a regular basis. Following Shankly's shock resignation in 1974, Evans was given the opportunity to become a member of the backroom staff. It was here that he really made his mark, taking the reserve team to seven Central League titles in nine years and

coming of age as a coach and trainer, emerging as an invaluable member of the legendary 'Boot Room'. The decline in the club's fortunes during the 1980s meant that the resignation of manager Graeme Souness in 1994 left the incoming manager facing an exciting challenge - to return the club to its glory days. Roy Evans, 'the last of the Shankly lads', was handed his date with destiny. While the Reds did not win another League Championship under Evans' charge, neither did they finish any lower than fourth, and Evans' commitment to developing future Liverpool stars such as Robbie Fowler, Steve McManaman and Michael Owen ensured that he would not become another 'ghost on the wall' at Anfield. In this engrossing account, Evans reveals the inside story of life as a member of Liverpool's famous Boot Room. He recollects his close working relationships with Reds legends from Shankly to Houllier and provides a vivid portrait of operations at the celebrated club over four action-packed decades. Finally, he discusses the challenges he faces in his new role as assistant manager of the Welsh national side and considers the way forward for Liverpool after their Champions League victory under Rafael Benítez in 2005.

**The World According to Harry** Harry Redknapp, 2019-05-30 THE SUNDAY TIMES  
BESTSELLER 'The beautiful game has taught me a lot, but I've had quite a life outside of football too. This book is full of my best stories - kickabouts with jumpers for goalposts with Bobby Moore, mine and Sandra's disastrous honeymoon to Torquay in a dodgy car and my funniest 'Mr Pastry' moments - as well as my thoughts on the important things in life. I'm finally sharing what I've learned on and off the pitch: from growing up poor in Poplar to the heights of the Premiership and even lying in a coffin with a load of rats on national television. It's everything I know about true team spirit, hard work, tough times, why family are so important and why everyone deserves respect no matter whether they're royal or sleeping rough - and, of course, the real joy of a jam roly-poly.'
