[Les enfances Godefroi](#) Emanuel J. Mickel,1999 This volume of the epic cycle of poems concerning the First Crusade focuses on the birth and early fictional life of the hero Godfrey and his encounter with the Saracen Cornumarant. The ten-volume Old French Crusade Cycle, when completed, will represent a large body of epics never before edited critically, important both for an understanding of the phenomenon of cyclical composition and an understanding of the problem of the relationship between epic and romance. Published in Old French, the cycle, which dates from the 13th century, is both history and fiction, romance and epic, folklore and reality; its sources are both oral and classical, and its influence can be seen in translations and versions in Spanish, English, and German. Thus, it is of great value to scholars in a wide range of fields, including Old French literature, Old Spanish literature, Medieval German literature, Middle English literature, folklore, history, linguistics, and music history. This third volume, edited by Emanuel J. Mickel, Jr., includes two branches: Les Enfances Godefroi presents the birth and childhood of Godfrey, the future hero of the First Crusade, and focuses on the Boulogne/Bouillon family. This poem includes expanded treatment of Ida and a long episode in England concerning Godfrey's older brother, Eustace, the future count of Boulogne. The other branch, the Retour de Cornumarant, is a later addition that concerns the Saracen's journey to Europe to assassinate Godfrey before he can lead the crusade. As it turns out, the journey actually succeeds in promoting the crusading movement.

Order 66: Star Wars Legends (Republic Commando) Karen Traviss,2011-06-28 Omega Squadron faces the ultimate trial during the final days of the Clone Wars as Palpatine issues Order 66. The Clone Wars rage to their bloody climax. Treachery reigns. Treason takes courage. Commandos, Jedi, and the entire Galactic Republic must face the end of life as they know it . . . and the dreaded dawn of a new empire. Even as the Clone Wars are about to reach an explosive conclusion, no one knows whether victory will favor the Grand Army of the Republic or the Separatists. But no matter who wins, the stakes are highest for elite Special Ops clones like the Republic Commandos in Omega and Delta squads—and the notorious renegade Advanced Recon Commando troopers known as Null ARCs. And now even the deadliest weapon may not be powerful enough to defeat the real menace: the apocalyptic horror that will be unleashed when Palpatine utters the chilling words “The time has come. Execute Order 66.” Translation: The Jedi have tried to stage a coup, and all must be executed on sight. With their faith in the Republic and their loyalty to their Jedi allies put to the ultimate test, how will the men of Omega and Delta squads react to the most infamous command in galactic history?

Triple Zero: Star Wars Legends (Republic Commando) Karen Traviss,2006-02-28 Dive into the epic series featuring the brave warriors of Omega Squad—an elite team of clone commandos fighting to protect the Galactic Republic. Following the eruption of the bloody Clone Wars at the battle of Geonosis, both sides remain deadlocked in a stalemate that can be broken only by elite warrior teams like Omega Squad, clone commandos with terrifying combat skills and a lethal arsenal. For Omega Squad, deployed deep behind enemy lines, it's the same old special ops grind: sabotage, espionage, ambush, and assassination. But when Omega Squad is rushed to Coruscant, the war's most dangerous new hotspot, the commandos discover they're not the only ones penetrating the heart of the enemy. A surge in Separatist attacks has been traced to a network of cells in the Republic's capital, masterminded by a mole in Command Headquarters. To identify and destroy a Separatist spy and terror network in a city full of civilians will require special talents and skills. Not even the leadership of Jedi generals, along with the assistance of Delta Squad and a certain notorious ARC trooper, can even the odds against the Republic Commandos. And while success may not bring victory in the Clone Wars, failure means certain defeat.
