David A. Robertson

Triple Shot Bettys in Love Jody Gehrman, 2009-01-22 Geena is freaking out. She's been going out with Ben for five months, their relationship is comfortable and perfect, and then Bam! he's suddenly putting the pressure on to be way more physical. She's not sure she's ready. Enter Mr. Rex Sands, Geena's delectably hot and brilliant English substitute teacher (he speaks to her soul!), on whom her best friend Amber develops an immediate crush when he stops by the Triple Shot Betty coffee shack. Amber needs Geena's help talking to him because he is such an intellectual, so Geena finds herself writing love notes, MySpace messages, and texts to Mr. Sands under Amber's name. And he writes back! Geena is just doing it all for Amber (sort of), so it's not technically cheating on Ben . . . right? In this romantic and playful update of *Cyrano de Bergerac*, Jody Gehrman reintroduces readers to Geena, Amber, and the Sonoma gang as they walk the rocky and confusing path toward true love.

Fighting Squadron, A Sequel To Dive Bomber: Lt.-Cmdr. Robert A. Winston, 2015-11-06 An engaging memoir of Lieutenant-Commander Robert A. Winston's wartime experiences as squadron leader of Fighting Squadron 31, which succeeded in shooting down more enemy aircraft than any other squadron serving on light carriers then in action. Robert A. Winston was born in Washington, Indiana, in 1907 and graduated from Indiana University. He worked for The New York Times and The New York News for five years before starting flight training with the navy in 1935. He flew in fighting squadrons on both coasts and as an instructor at Pensacola, and he wrote about his initial aviation training in *Dive Bomber*, published in 1939 when Winston held the rank of lieutenant. In his second book, *Aces Wild*, he chronicled his experiences in Europe during 1939-40 as a test pilot accompanying a consignment of fighters destined for Finland. Back on active duty in the United States, he served as a flight instructor, then in the public relations office in Washington, D.C. After the attack on Pearl Harbor he was assigned to combat duty in the Pacific, which he recounts in *Fighting Squadron*, published in 1946 when Winston was a commander. At the end of the war he was serving on Admiral Nimitz's staff on Guam. From there he moved to Stockholm, where he served as the naval air attaché.

Betty's Child Donald Dempsey, 2013-02 Don Dempsey uses *Betty's Child* to tell the story of life with his cruel and neglectful mother, his mother's abusive boyfriends, and hypocritical church leaders who want to save twelve-year-old Donny's soul but ignore threats to his physical well-being. Meanwhile, Donny's best friend is trying to recruit Donny to do petty theft and deal drugs for a dangerous local thug.

First Blue Robert K. Wilcox, 2004-10-14 While his World War II experience alone could comprise a book, Butch may be best known for his efforts in the creation of the naval air demonstration team, the Blue Angels. After the war, Voris was personally chosen by Admiral Nimitz to start the Blue Angels and to lead them, first in prop planes and later in jets. Today the Blue Angels still follow traditions established by Butch. Butch's involvement in military flight didn't end with the Blue Angels; he became a major player in the development of the F-14 Tomcat and NASA's Lunar Explorer Module for Grumman.-BOOK JACKET.

Carrier Clash Eric Hammel, 2020-12-06 CARRIER CLASH The Invasion of Guadalcanal & the Battle of the Eastern Solomons August 1942 Eric Hammel The Battle of the Eastern Solomons was history's third carrier clash. A collision of U.S. Navy and Imperial Navy carriers in the wake of the invasion of Guadalcanal-whose airfield the United States desperately needed and the Japanese desperately wanted back-the battle was waged at sea and over Guadalcanal's besieged Marine-held Lunga Perimeter on August 24, 1942. Based

upon the first half of Eric Hammel's acclaimed 1987 battle narrative, *Guadalcanal: The Carrier Battles*, and in large part upon important new information obtained from both Japanese and American sources, *Carrier Clash* unravels many of the mysteries and misconceptions that have veiled this complex battle for more than a half century. Beginning with detailed descriptions of the history of the aircraft carrier, the development of carrier-air tactics, the training of carrier pilots, and numerous operational considerations that defined the way carrier battles had to be fought, *Carrier Clash* takes the reader into the air with brave U.S. Navy fighter pilots as they protect their ships and the Guadalcanal invasion fleet against determined Japanese air attacks on August 7 and 8, 1942. After he sets the stage for the August 24 Battle of the Eastern Solomons, author Hammel puts the reader right into the cockpits of U.S. Navy Dauntless dive-bombers as they dive on the Imperial Navy light carrier *Ryujo*—and hit the ship with 500-pound bombs! Once again, in this strange tit-for-tat battle, U.S. Navy Wildcat fighter pilots must defend their ships against an onslaught by Imperial Navy Val dive-bomber pilots determined to sink the U.S. carriers, or die trying. Hammel's coverage of the bomb damage to the USS *Enterprise* and subsequent fire-fighting and rescue efforts by her crew are especially compelling. *Carrier Clash* is the definitive combat history of the Battle of the Eastern Solomons, history's third battle (of only five) between American and Japanese aircraft carriers. Eric Hammel is the author of forty combat history books. "Acclaimed military historian Eric Hammel presents a landmark history of the Battle of the Eastern Solomons." — *Seapower Magazine* Critical Acclaim for Eric Hammel's earlier books about the Guadalcanal Campaign: *Kirkus Reviews* says: "Hammel is as adept at conveying the terrors of fighting fire on a ship . . . as he is at providing concise evaluations of top commanders. "Official histories apart, [*Guadalcanal: The Carrier Battles* is] the most thorough appreciation yet of Guadalcanal's turning-point carrier battles; praiseworthy." *Lansing State Journal* says: "For the military buff, [*Guadalcanal: Starvation Island*] is an excellent resource. For the casual reader, it is a well-written account of one of the most crucial times in the history of the United States." *ALA Booklist* says: [Eric Hammel] "effectively utilizes the accounts of the battle participants to provide a vivid dimension to the fighting . . . " *Library Journal* says: "Hammel does not write dry history. His battle sequences are masterfully portrayed." *Canadian Military History* says: Hammel's descriptions of engagements on land, air and sea are fast-paced and engagingly written, and he has a knack for weaving together character and circumstance into a very readable story." *Book World* says: [*Guadalcanal: Starvation Island*] is stark, naked, and brutal. . . . It is an excellent, toughly drawn account of the awesomeness of war and is worthy many times over of being in any library worthy of the name."

Brenda's Beaver Needs a Barber Bimisi Tayanita,Matt Williams,2016-12-01

Sumguyen has always had a thick mane of hair, in the summer of 2016 he decided to grow a beard. Deep into month three he started to look like an armpit with eyeballs.It was a sultry August night in Old Town Scottsdale as Bimisi and Sumguyen made their way from one bar to another. They took pause to to enjoy the rhythms of a homeless crooner who was soulfully picking his guitar. When Sumguyen threw a five into his tip jar the artist looked up, thanked him with a nod and said, That is a beautiful beard. My friend Brenda has a beard just like that, but hers doesn't talk.A fair amount of beer

sprayed from Bimisi's nose...and just like that they had their subject matter for the final book of season one. Brenda's Beaver Needs a Barber is the fifth of five books that make up Reach Around Books Season One.

Betty's Summer Vacation Christopher Durang,2017-09-12 Pitch-black humor and brutal social commentary from the Tony Award-winning playwright:

"Relentlessly fierce, relentlessly funny."—Ben Brantley, *The New York Times* Looking for a little rest and time by herself, Betty rents a summer share at the beach. But Betty's luck turns when this sensible Everywoman gets drawn into the chaotic world of some very unsavory housemates: her friend Trudy, who talks too much; the lewd, semi-naked Buck, who tries to have sex with everyone; and Keith, a serial killer who hides in his room with a mysterious hatbox. With sand between her toes, walking a thin line between sanity and

survival, poor Betty will leave her summer vacation more terrorized than tan—in this Obie Award-winning play from Christopher Durang, who “proves to be every bit as sharp and caustic as England’s Joe Orton” (David Kaufman, New York Daily News). “Not only wickedly funny but a commentary on the state of American culture.”—Curtis Ellis, MSNBC “A comedian whose fury takes the form of farce.”—John Lahr, The New Yorker

Pizza Cats Gail Herman, 1999 After making a huge mess in the storeroom, Tommy, Chuckie, Phil, and Lil persuade Pete to let three stray cats live in his pizza parlor.

Betty David A. Robertson, 2021-02-24 Helen Betty Osborne, known as Betty to her closest friends and family, dreamed of becoming a teacher. She left home to attend residential school and later moved to The Pas, Manitoba, to attend high school. On November 13, 1971, Betty was abducted and brutally murdered by four young men. Initially met with silence and indifference, her tragic murder resonates loudly today. Betty represents one of almost 1,200 Indigenous women in Canada who have been murdered or gone missing. This is her story. *Betty: The Helen Betty Osborne Story* has been selected as a White Raven 2016 by the International Youth Library for its annual catalogue of book recommendations in the field of international children’s and youth literature. This year’s White Ravens catalogue contains 200 titles in 42 languages from 60 countries.

With Strength and Spirit Frank Ingels, 2004 This is a story of real people, who lived many of the adventures told within, over the period 1937 to 1969. It is a story of human dedication, tremendous perseverance, and heroic achievement. You will read about a news broadcast team, Frank and Laura Marshall, in the early days of radio. You will go with them as they travel around the globe seeking to document the turbulent days of World War II, the atomic age cold war, and the conflicts that followed. Their joys and heartaches will be yours to experience as they deal with the greatest technological project of history and the spy that gave it all away. One of Laura’s younger brothers, Jamie, becomes a key factor in the development of aircraft engines for the Navy. His talents are enormous and lead him into dangerous situations that are unique, but were all too real. His involvement with the Navy’s Special Operations, leads him behind enemy lines more than once. His missions are simple, ferret out the secrets of the German engine technology and the scientists responsible for their successes. Jamie represents many unsung heroes of our nation. His experiences will fascinate you. Jamie’s wife, Betty, was the emerging business woman during this tumultuous period in our history. She and Jamie built a successful motorcycle business in response to the war needs of America’s allies. Her journey was made with frustration and difficulty as her tenacity and her capability overcame the obstacles which a male-oriented society had created. Her rise to success was in response to America’s needs of the time. You will live the life of a fighter pilot on both sides of the world as you meet and travel the adventures of Charles, Laura’s youngest brother who joined the Navy on his seventeenth birthday and on the eve of catastrophe. Through Charles’s eyes you will learn the history of naval aviation from the beginnings of World War II and through the development of the jet age. You will fly with him in crisp, exciting major air battles of The Battle of Britain, WWII and the conflicts that followed, Korea and Vietnam. His maturity, both as a pilot and as a human, will be both your joy and sorrow. That he put all on the line for his nation is so typical of our nation’s ideals. The disappointment he feels at the change in direction of our nation after the Korean conflict will be yours as well.
