**Jersey Troopers II** George J. Wren, 2009 Jersey Troopers II chronicles the continuing patrol of the New Jersey State Police and its preeminent Outfit of Jersey Troopers. The first sequel to Leo J. Coakley's original Jersey Troopers - A Fifty Year History of the New Jersey State Police, Jersey Troopers II recounts the second era of the New Jersey State Police, an era fraught with an evolution of social change and unparalleled technological advancements. Jersey Troopers II encompasses a thirty-five-year period, from 1971 to 2006, articulated through the actions and deeds of Jersey Troopers. During this period, they faced a multitude of progressive services and advancement while trying to hold true to the steadfast traditions that earned the New Jersey State Police the title of being The Best of the Best. This is an in-depth record of many noteworthy cases and events that impacted Jersey Troopers during a time filled with intrigue and passion that revolved around an ever-changing world harboring a soaring criminal element and fanatical terrorism. It was a time marked by tragic losses and hostilities, when diversified services and progressive leadership brought a once rural state constabulary into the 21st Century as a model of modern policing. These are the real stories of Jersey Troopers told by a Jersey Trooper!

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Memoirs of a State Trooper Retired Corporal Timothy Schell, 2011-03-17 I was born and raised in the small By: Retired Corporal Timothy Schell borough of Blandon, located in Berks County Pennsylvania. There wasn't much to do there except hang out and have fun with your friends. We played football, basketball, home run king and went swimming in the local dam. I have two older brothers who I look up to; Larry and Garry. I looked to them for guidance and advice. We were close while growing up, but they got me into

trouble as big brothers often do. I went to Fleetwood Area High School where I lifted weights and ran track and field for four years. I met my wife Kristel in Fleetwood. I used to ride my bike four miles one way just to see her. I was an average normal kid with big dreams of being a police officer and helping others. I obtained my goal through hard work and dedication and support from my family. I have a nice house, a gorgeous wife and two beautiful daughters; Aubrey and Morgan. If you work hard, stay close to your family and to God, your goals will be fulfilled.

**Forged in Scars and Stripes** Robert Bemis,2017-11 Forged in Scars and Stripes is the real-life account of one man's dedication to service as a core value, and how devotion to duty can have a personal cost to the individual and those he loves. Robert "Bob" Bemis chronicles the career of a State Police Sergeant that was abruptly altered when he came to the aid of a distressed citizen. Surviving catastrophic injury, Bob tells of how love and support from family, friends, medical professionals and a fraternal bond shared between law enforcement officers gave him strength and a new purpose in his fight to return.

**Forces of Deviance** Victor E. Kappeler,Richard D. Sluder,Geoffrey P. Alpert,1998-01-29 An informative look at a very difficult topic! The discretion, authority, and power granted the police to accomplish their mission offer multiple opportunities for deviance. This revised edition effectively organizes a large amount of material in order to provide students with a timely and comprehensive review of this disturbing dimension of police organizations. The authors' analysis of deviance as the product of the organization of the occupation, the expectations of society, and the perceptions and interpretations of the role of the police are compellingly presented. A fascinating portrait of the social and organizational factors of the police working environment emerges, providing students with a broad framework for assessing the police culture and the many forms of police deviance.

Four Hours of Fury James M. Fenelon,2020-05-12 “Compellingly chronicles one of the least studied great episodes of World War II with power and authority...A riveting read” (Donald L. Miller, New York Times bestselling author of *Masters of the Air*) about World War II’s largest airborne operation—one that dropped 17,000 Allied paratroopers deep into the heart of Nazi Germany. On the morning of March 24, 1945, more than two thousand Allied aircraft droned through a cloudless sky toward Germany. Escorted by swarms of darting fighters, the armada of transport planes carried 17,000 troops to be dropped, via parachute and glider, on the far banks of the Rhine River. Four hours later, after what was the war’s largest airdrop, all major objectives had been seized. The invasion smashed Germany’s last line of defense and gutted Hitler’s war machine; the war in Europe ended less than two months later. *Four Hours of Fury* follows the 17th Airborne Division as they prepare for Operation Varsity, a campaign that would rival Normandy in scale and become one of the most successful and important of the war. Even as the Third Reich began to implode, it was vital for Allied troops to have direct access into Germany to guarantee victory—the 17th Airborne secured that bridgehead over the River Rhine. And yet their story has until now been relegated to history’s footnotes. In this viscerally exciting account, paratrooper-turned-historian James Fenelon “details every aspect of the American 17th Airborne Division’s role in Operation Varsity...inspired” (*The Wall Street Journal*). Reminiscent of *A Bridge Too Far* and *Masters of the Air*, *Four Hours of Fury* does for the 17th Airborne what *Band of Brothers* did for the 101st. It is a captivating, action-packed tale of heroism and triumph spotlighting one of World War II’s most under-chronicled and dangerous operations.
