Reaper's Scythe Alexandra Gardner,2023-10-31 When Hearts Forget One is three, and three are one. She is one, and one is five. When five are one, and five meet thee, We'll become one, and one is three. Forced into the Underworld after his untimely demise, Jeph faces his forgotten past-and the heartless bastard who made him forget it: Tartarus. Yippie for him-thanks, he hates it. But that's the least of his problems, considering Tartarus forces Jeph to forget his heart and do his bidding. Now the ruthless monster he always feared he would become, Jeph reaps the souls of the wicked, while rejecting the love he once felt for his friends. They're judgmental assholes anyway, so they can rot for all he cares. But when he's confronted by his destiny, he'll have to choose between remembering his heart or dooming his friends to fates worse than death. What does he care if they're in danger-and why would he risk his soul for people who never loved him anyway?

The Reaper's Scythe Michael Angel,2019-07-18 A bioterrorist's weapon devastates a South American tourist hub.It's a pathogenic cruise missile designed for stealth and speed.And the entire human race is in its crosshairs!After surviving a Paleozoic nightmare bacteria and a quarter-megaton nuclear blast, Nick Navarro figures that life can't throw anything worse at him.He couldn't be more wrong.An unknown biological weapon wreaks havoc upon the country of Suriname, leaving one of his best friends among the ranks of the infected. The only hope for him and the others sickened lies in the hands of epidemiologist Leigh Austen.Leigh rushes to identify the pathogen amidst the madness of a city thrown into chaos. She'll be aided by a team of private mercenaries and a disgraced Capo of the local drug cartel. Together, they must untangle the web of lies keeping a terrible truth from seeing the light of day.And what Austen finds in the deepest, darkest valleys of the country's rain forests will haunt her dreams.That is, if she's able to make it out alive.Author's Note: The Reaper's Scythe: A Pandemic Medical Thriller is a self-contained work and does not end on a cliffhanger. It contains a limited amount of strong language, gore, and some graphic violence. Ratings-wise, it would either be a hard PG-13 or soft R. Please decide to purchase accordingly.

Scythe Dom Crescente,2019-10-26 A grieving father must locate and return the Grim Reaper's scythe in order to heal his dying daughter.

Claiming the Reaper C a Rene,R E Bond,2022-03-15 The Reaper is out for blood, How fast can you run? You've taken something that isn't yours, When will you learn? There's nowhere you can hide, What choice do you have? She can smell your fear, Who can help you now? You can't avoid the scythe, Why do you even try? Family is who you make it and I've discovered blood means nothing, Not unless I've slipped my blade into flesh and drawn my scythe with it. Just when things were starting to look up and all the pieces of my fucked up life were coming together, I'm once again thrust into a war and this time I'm taking no prisoners. This is it, the final showdown, My scythe is sharpened and my boys are by my side. We might just find ourselves dead but not before I've drawn my scythe on every one of our enemies' foreheads.

Scythe Neal Shusterman,2017 In a world where disease has been eliminated, the only way to die is to be randomly killed ('gleaned') by professional reapers ('scythes'). Two teens must compete with each other to become a scythe--a position neither of them wants. The one who becomes a scythe must kill the one who doesn't--Provided by publisher.

Reaper's Report Vana Deschenes,2013-10 In the blink of an eye, a man is literally blown into a new existence as The Reaper. Ninety-nine years later, The Reaper is looking forward to retirement in a cabin on Lake Fish-a-Plenty. But first, he must get through his last day with Death Corporation, collecting the souls of twelve people who are not expecting him. As his final day on the job begins, The Reaper wonders if he will ever have the guts to ask out Debbie, from accounting. He is first presented with a golden scythe and then surprisingly given an interesting final assignment a hostage crisis. By one o'clock in the afternoon, The Reaper already knows a big event is going to impact many in the city. As events begin to go down at a local bank, he keeps himself busy by testing the waters with Debbie and collecting Daniel, a Yale recruit who suffers sunstroke, and Emmie, a circus performer

who loses her life to a tiger attack. By the time the clock strikes midnight, an intense hostage situation has played out, The Reaper's love life has been decided, and twelve souls have changed forever. In this tongue-in-cheek tale, a grim reaper embarks on a wild ride through twelve final hours as a soul deliveryman.

Reapers Kim Richardson,2014-11-08 Don't miss the next book in the bestselling Soul Guardians series, perfect for fans of The Mortal Instruments and Supernatural. Kara has lost her elemental power, and with her guardian angel days behind her, all is back to normal—or so she thought. But when she's injected with a mysterious substance by a shadowy man, she begins to change...but into what? As Kara deals with the change that brews inside her, a new menace threatens the angels and the mortal world: Reapers. And now back in Horizon, it's up to Kara and her friends to figure out who is powerful enough to control the Reapers and how to stop them. What's worse, rumors of something far worse than Reapers surface, of beings more sinister and evil. Something that the Legion believed they had banished forever is now resurfacing—creatures rumored to be so powerful they could destroy Horizon forever.

Plague Horrified Press,2014-03-20 Plague is a collection of short horror stories penned by various authors from around the world. Witness the outbreak of something nasty that changed our past, affects the present and may even destroy our future, for the greatest threat to mankind's continued dominance on this planet has always been... plague...

For Whom the Reap Tolls Jack Wallen,2017-10-18 A Reaper's job is never done! The Scythe has been eradicated. Now it's time for Grim and company to enjoy much-needed rest, pizza, and romance. Thing is, Death has darker plans and deep-seated secrets to reveal. With the help of a bookstore dedicated to all things occult, Grim uncovers a truth that could very well set him at odds with Fate and send the natural order spiraling into chaos. The soul-reaping Scooby Gang is back to help the spirits of humanity return to the Universal Pool and challenge the Eternal status quo. For whom will the bell toll? Inquiring minds want to know.

Reaper Seth Gruner,2013-07-31 The boundaries between life and death will be skewed in this time of peril. The powerful demon and Lucifer's right hand, known as Azazel, has escaped Hell and stolen the Scythe of Death. While in possession of the Scythe, all of the powers that the Grim Reaper once harnessed become Azazel's. Having no other alternatives, Death itself will undergo vast endeavors that it has never experienced as it searches to retrieve the Scythe. As planned, Azazel soon finds his way to Earth and Lucifer's unholy and devastating plan is set into motion. Death is granted life and steps over into the land of the living as it begins its crucial quest. The human emotions of love, hate, vengeance, confusion and loss are all experienced by the Reaper on its inquisitive walk through life. Along the way it obtains help from heroic humans, the immortal protectors of earth, both fallen angels that have lost their divinity and those who have stayed righteous, and others. However, will there be enough time in this epic tale of good vs. evil? Or, will the sacrifice of mankind be too great to return from? Can the weapons of Heaven vanquish such an assault, or will Lucifer finally get set free? Follow the ever suspenseful and action packed roller coaster as Death takes on a threat against humanity and existence itself.

The Two Seeds Carlton Page,2014-12-02 The way the story is designed is so that the readers can put themselves into the main character's shoes. Who would you be if you were good or evil, and how would you use your power to save or destroy the things you love or hate?

An angel named Cin Kamau Franklin,2021-08-04 Cinaxus is an angel who has been banished from heaven for failing to do his job as a reaper. He was a warrior who was accustomed to a life of fighting demons. When he was transferred to the duties of a reaper he was insulted, but he did what he was told. His failure was refusing to collect the soul of a human child. The story begins the night he was banished, but it takes place two hundred seventy-eight years after his banishment. Despite the religious undertones if you're looking for a book about religion, this isn't it. If graphic violence

and coarse language offend you.... Read it anyway. There's a lot of it, but you'll probably get over it... Probably. An angel named Cin is a story with a colorful cast of characters. Some you'll love, and some you might despise. It also features a new, and unique outlook on Heaven, Hell, and Purgatory. Once again this is not a book about religion. I can't stress that enough. It's a good mixture of adventure, horror, and comedy packed into a dark story. If any of these things interest you then this is the book for you. If you think it isn't the book for you you're wrong. You just don't know it yet. It's okay you're forgiven.

The Soul Guardians Series, Books 7-8 Kim Richardson,2015-03-15 Enter the world of Soul Guardians with this great collection of Kim Richardson's best-selling series. This bundle includes the last two books. From the award-winning author comes a gripping, supernatural adventure that will keep you on the edge of your seat. *REAPERS* (Book 7) Kara has lost her elemental power, and with her guardian angel days behind her, all is back to normal—or so she thought. But when she's injected with a mysterious substance by a shadowy man, she begins to change...but into what? As Kara deals with the change that brews inside her, a new menace threatens the angels and the mortal world: Reapers. And now back in Horizon, it's up to Kara and her friends to figure out who is powerful enough to control the Reapers and how to stop them. What's worse, rumors of something far worse than Reapers surface, of beings more sinister and evil. Something that the Legion believed they had banished forever is now resurfacing—creatures rumored to be so powerful they could destroy Horizon forever. *SEALS* (Book 8) Kara has survived the threat of the Reapers, but an unspeakable cost—the Archfiends have escaped their eternal prisons. Now, with the mortal world on the brink of the apocalypse, with the threat of evil beings as powerful as gods, she must break the rules and travel across the mortal world on an unauthorized mission. Along the way she must face her darkest truth . . . a truth about the change inside her, a truth that she cannot stop. Meanwhile, the Archfiends and their brutal and monstrous forces are gathering on Earth, intent on enslaving the mortal world, and to destroy Horizon and all the angels. Will Kara find the strength to not only fight her inner demons, but to take on the evil that is about to be unleashed?

It's a race against time, ghouls, and wedding bells in this action-packed adventure!

Reapers Lorne McDougall,2015-05-19 Miles Lechler is nothing special. Like a million other highschoolers, he spends his days blissfully unaware of the comings and goings of life, absorbed in his own world of school, football and crushes. That is, until one rainy afternoon, when a fatal car accident changes what he thought he knew about death. Lance is a predator. A prodigy of the reapers, a sect of human souls overseen by the angels themselves, Lance mercilessly hunts the recently departed, dutifully carrying them onwards to paradise. That is, until one rainy night, when a rogue burst of spiritual power changes what he thought he knew about life after death. Now Lance, or as he was once called, Miles, must move quickly, fighting in both the physical and spiritual realms against nightmarish creatures born of sin, ancient demons hungering for pain, and perhaps most frighteningly, a growing hatred for humanity bred within the angels themselves. The fate of both worlds hangs in the balance.

Cut the Cord Mace Styx,2022-04-14 Enjoy this short story by Mace Styx: The Reaper did not speak. He did not even move, for what need did he have to chase anyone? Everyone comes to him eventually. Men, women and gods all are consumed in his ever waiting black. Clive, sighing deeply,

turned to look Death in the face. In the form he took for Clive, Death stood around seven feet tall. The hood of his monk's cowl falling to just above the bridge of the nose, had there been a nose to speak of. Instead, there was simply a hole, a cavernous nothing, like death itself, that hung like a cave above the fixed death's head smile. The unmoving, unflappable grin of the skull, never to be bargained with, never to be moved. In one hand, from which straggled tendrils of long rotted flesh hung like threads, the figure held a huge scythe. The blade for which, was so keen that the air moving around it seemed to divide and slice as it touched. A blade kept sharp for the reaping of souls. The severing of the cord from the mortal plain. As he stared into the inevitable, the gaping abyss represented by the figure standing before him. Clive thought back to the images he had seen of 'Death' to the medieval woodcuts, their finer details blurred with the bleeding of the ink. Or the finely etched engravings of Albrecht Dürer and Goya, with Death, the hooded skeleton or rotting ancient cadaver. He wondered if all of those hours poring over medieval manuscripts had formed this image for him. Whether to others, Death appeared in a different shape or in no shape at all. The thought flashed by like a furtive glimpse one sometimes catches of a rat, so fast and elusive that you are left to doubt if it was the thing itself, or merely its shadow that you saw streak by. Now though, there was no time for contemplation. Now was the time for terror. Clive knew of the phenomena of 'shadow figures'. Of people in hospitals who reported seeing shadowy figures waiting for them in the corners of the room. And how research had linked the appearance of these figures to hallucinations caused by a lack of oxygen to the brain. For a second, he wondered if this might be the case. That perhaps he had suffered some attack or injury that was causing him to hallucinate, to see this figure as clear as day that wasn't really there. After a moment however, he disregarded this notion. There had been no injury, no attack or problem in the workings of his mind and this was no shadowy figure or indistinct outline.

Reapers Scythe Introduction

In today's digital age, the availability of Reapers Scythe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reapers Scythe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reapers Scythe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reapers Scythe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reapers Scythe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals

offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reapers Scythe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reapers Scythe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research

papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reapers Scythe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reapers Scythe books and manuals for download and embark on your journey of knowledge?
