Michael A. Stackpole

Rebel Pilot, Texas Doctor Eve Gaddy ,2018-06-14 When Dr. Tobi Robinson returns to Whiskey River, Travis Sullivan is the only person to recognize that the smokin' hot babe at the gala is actually his high school tomboy buddy. Time away has changed them both. Tobi, the prospective business major, became a doctor, while Travis, his pro baseball career ended by injury, converted his passion for flying into a charter flight business and flight school. The easy friendship they enjoyed in high school soon deepens into desire and then love. But Tobi didn't turn to medicine by chance—a horrific accident has left her unable to tolerate even approaching an airplane. As strongly as Travis draws her, Tobi isn't sure she can ever trust her heart to a pilot. Can Travis convince the woman he's discovered he can't live without that their love can conquer every trauma?

Her Rebel Heart Jamie Farrell,2017-03-05 “A poignant, unapologetically southern, laugh out loud look at what it means to truly be seen and loved.” – Kait Nolan A sexy military pilot is about to meet his match in an unpredictable physics professor! Kaci Boudreaux is every Southern mama's nightmare, including her own. This former Miss Grits would rather tromp around in boots shooting off potato guns—and her mouth—than dress pretty and play nice with the boys. Especially her chauvinistic fellow professors, her ex-husband, and those military cargo pilots she accidentally started a war with. Lance Wheeler is every Southern belle's dream, except his ex-fiancé's. After being left at the altar, he'd love to take his C-130 and fly far, far away. But since his bird technically belongs to Uncle Sam (as does he), a distraction in the form of a feisty fireball of a physics professor will do while he's waiting for his next deployment with the Air Force. He's into her for the fun. She's into him for the challenge. But when their secrets start slipping out, their hearts will be on the line. She needs roots. He wants to see the world. What will they do about needing each other?

Rogue Squadron: Star Wars Legends (Rogue Squadron) Michael A. Stackpole,1996-01-01 In this essential Star Wars Legends novel, discover the legacy of Rogue Squadron and its fabled pilots, who became a symbol of hope throughout the galaxy. They are sleek, swift, and deadly. They are the X-wing fighters. And as the struggle rages across the vastness of space, the fearless men and women who pilot them risk both their lives and their machines. Their mission: to defend the Rebel Alliance against a still-powerful and battle-hardened Imperial foe in a last-ditch effort to control the stars! Its very name strikes fear into enemy hearts. So when Rebel hero Wedge Antilles rebuilds the legendary Rogue Squadron, he seeks out only the best—the most skilled and most daring X-wing pilots.

Through arduous training and dangerous missions, he weeds out the weak from the strong, assembling a group of hard-bitten warriors willing to fight, ready to die. Antilles knows the grim truth: Even with the best X-wing jockeys in the galaxy, many will not survive their near-suicidal missions. But when Rogue Squadron is ordered to assist in the assault on the heavily fortified Imperial stronghold of Blackmoon, even the bravest must wonder if any at all will survive. . . .

The Krytos Trap: Star Wars Legends (Rogue Squadron) Michael A. Stackpole, 2011-06-28 The brave pilots of Rogue Squadron face the impossible as the sinister Ysanne Isard wreaks havoc on a fragile Coruscant. The Rebels have taken the Imperial headquarters world of Coruscant, but their problems are far from over. A killer virus called Krytos is spreading among the population and fomenting a counterrevolution at the heart of the New Republic. At the same time, Rebel hero Tycho Celchu is on trial for treason, accused of murdering his comrade and fellow pilot Corran Horn. Corran, however, is still alive, trapped in the secret, inescapable prison of Ysanne Isard, the imperial officer whose reputation for torture and cruelty have earned her the moniker Iceheart. As he fights for his freedom, the pilot discovers an extraordinary power in himself—the power of the Force!

Starfighters of Adumar: Star Wars Legends (X-Wing) Aaron Allston, 1999-08-03 Book 9 in the exciting series! The X-wing fighter pilots have earned their reputation as the Rebel Alliance's ultimate strike force by overwhelming enemies with their rapid-fire assaults. But now they are about to embark on a diplomatic mission that will prove to be even more hazardous than all-out combat.... The neutral world of Adumar has decided to pick a side in the war to control the galaxy. Delegates from both the New Republic and the Empire have been invited to Adumar, and each camp will be given a chance to plead its government's case. But there is one small catch: since the Adumari prize military skill above all else, they insist that both delegations be composed exclusively of fighter pilots. For pilot Wedge Antilles and his company, it's an unfamiliar exercise in diplomacy--and one that's filled with unexpected peril. For once they arrive, the X-wing pilots are challenged by Adumar's fierce warriors and attacked by Imperial assassins bent on eliminating all competition. But these challenges pale in comparison to the threat posed by a rogue Republic agent...one who is determined to win Adumar's allegiance once and for all--even if it costs the X-wing pilots their lives.
