Akira Amano

Reborn!, Vol. 1 Akira Amano, 2006-10-03 Tsunayoshi Sawada (Tsunayoshi for short) is a cowardly junior high student who doesn't excel at academics or sports. He only attends school so he can stare at his beautiful classmate Kyoko from afar. But Tsunayoshi's life takes a dramatic turn when Reborn, a suit-wearing, gun-toting baby who claims to be an Italian hit man, shows up at his house. Reborn was sent to Japan to groom Tsunayoshi for his future life as a big Mafia boss. Tsunayoshi doesn't believe this absurd story, so Reborn shoots Tsunayoshi in the head with his gun. As Tsunayoshi faces his own death, he's filled with regret that he never confessed his feelings to Kyoko...and suddenly he's overcome with supernatural powers that allow him to run off screaming to tell Kyoko how much he loves her. After five minutes, Tsunayoshi goes back to normal. Reborn explains how his gun works: when he shoots a person in the head, if that person has regrets about her life, then she will die and be reborn, temporarily endowed with special powers that enable her to fix or solve whatever is the source of her regret. (If Reborn shoots someone who is free of regret, she would die.) Tsunayoshi becomes Reborn's disciple, and because Reborn shoots Tsunayoshi in the head all the time, he is constantly being reborn and growing into a stronger and better person, gradually impressing those around him and making friends.

Reborn!, Vol. 2 Akira Amano, 2007-01-02 Tsunayoshi, a timid junior high student, is a failure at school, sports, and social life. But everything changes for Tsunayoshi when Reborn, a fedora-wearing, gun-toting toddler who claims to be an Italian hit man, shows up at his house. Reborn was sent to Japan to groom Tsunayoshi for his future life as a big mafia boss! Reborn's gun has quite an unusual effect: When Reborn shoots people in the

head, they die but are then reborn with temporary supernatural powers that allow them to fulfill their dying wish. Reborn and Tsuna make an unlikely pair, but every day they're together, Tsuna gets reborn into a new (and better) guy!

Reborn To Dominate Luo Yuan,2020-06-01 The pity of the heavens had allowed her to return to the age of sixteen. In her previous life, she had been a weak and lowly person that everyone could bully. In this world, no one dared to not fear her. The life that she owed her in was one in which she would pay back twice as much. Scoundrel would not show any mercy. The trap was still as secretive as ever: he thought he could see through everyone's hearts, but he had accidentally lost his heart in the transaction with the guy in front of him. The man in front of him was definitely a disaster.

Reborn! 11 Akira Amano,2009-06-29 When Tsuna, a timid junior high school student, meets Reborn, an Italian hit man sent to groom Tsuna for his future life as a mafia boss, Tsuna gets reborn into a new person every day since Reborn's gun gives temporary supernatural powers.
