The Red Falcon ,2007-06 Journey back to an Age of Aces! The Yanks and English know him as 'The Red Falcon.' The French call him 'Le Faucon Rouge.' And the Germans curse him as 'Verdammt Der Rot Falker'. Meet Barry Rand. Unjustly wanted for a firing squad on his own side of the lines-facing death from the Germans on the other. He is a man abandoned by his country, but still willing to die for it! Along with his aide, the great African warrior Sika, The Red Falcon fights WWI on his own terms. Flying the blood-red crate they built themselves from parts of crashed planes, they are the deadliest pair on the Front. Before pilot and airplane demonstrator Robert J. Hogan created G-8 and His Battle Aces, he created The Red Falcon which ran for 5 years in Dare-Devil Aces before moving to G-8. Here is the premiere volume of his collected exploits. Stories in Volume 1: The Red Falcon, The Bat Squad, The Masked Drome, Hurricane Buzzard, Midnight Staffel, The Death Squadron, The Hooded Squadron, Dynamite Cargo (G8 crossover)

Red Falcon Joe McGarry,2020-11-14 When the attacks begin, no one is prepared. A pleasant September day quickly turns into a fight for survival as explosions rain down from the sky, soldiers invade the streets, and mass hysteria grips the population of the Jersey Shore. After the dust settles and the mysterious invaders disappear, three groups of young survivors must find a way to live in a decimated landscape with no parents, no power, and no idea what happened to the rest of the population. Jason Stroud wakes up in an evacuation bus submerged underwater. He has no idea how much time has passed since they were driven off the road and into the water below. Once Jason and the other teens escape to the surface, they find a world different from what they remember. Buildings reduced to rubble, cars abandoned in the streets, craters littering the ground, and no sign of other life or of the attackers that ravaged their homes. Filled with mystery, adventure, and the looming feeling that danger is never far behind, Red Falcon follows Jason and his crew through a journey of discovery, loss, and acclimation to an empty world.

Antifascism, Sports, Sobriety Julius Deutsch,2017-02-01 The Austromarxist era of the 1920s was a unique chapter in socialist history. Trying to carve out a road between reformism and Bolshevism, the Austromarxists embarked on an ambitious journey towards a socialist oasis in the midst of capitalism. Their showpiece, the legendary “Red Vienna,” has worked as a model for socialist urban planning ever since. At the heart of the Austromarxist experiment was the conviction that a socialist revolution had to entail a cultural one. Numerous workers' institutions and organizations were founded, from education centers to theaters to hiking associations. With the Fascist threat increasing, the physical aspects of the cultural revolution became ever more central as they were considered mandatory for effective defense. At no other time in socialist history did armed struggle, sports, and sobriety become as intertwined in a proletarian attempt to protect socialist achievements as they did in Austria in the early 1930s. Despite the final defeat of the workers' militias in the Austrian Civil War of 1934 and subsequent Fascist rule, the Austromarxist struggle holds important lessons for socialist theory and practice. Antifascism, Sports, Sobriety contains an introductory essay by Gabriel Kuhn and selected writings by Julius Deutsch, leader of the workers' militias, president of the Socialist Workers' Sport International, and a prominent spokesperson for the Austrian workers' temperance movement. Deutsch represented the physical defense of the working class against its enemies like few others. His texts in this book are being made available in English for the first time.

Vegenrage Robert Spina,2017-07-29 Vegenrage and Farrah let passion rule their hearts. Physicality consumes their bodies, and love flourishes. Vegenrage is unaware that the demon uprising ceremony is going on in Vollenbeln. When Farrah tells him of the death of the demons and those that have survived, Vegenrage recalls knowledge from his library that has been stolen and changed. Vegenrage, Farrah, and the races of man and dragon quickly realize they are all in a fight for their lives and a fight for survival of all the living. The demon rising is here, and now the demons have made their way to the outer realm guided and powered by the leader of Maglical Hell. Vemenomous makes his triumphant return and targets Farrah's love for Vegenrage to manipulate her thoughts toward evil. The demons are out to feast on the flesh of the living, and all the races of man face the most brutal and violent war they have ever seen. Vegenrage comes to find his true calling and to find out why he instinctively called his name Vegenrage. Farrah's lifelong charm by Alisluxkana is exploited. She is constantly haunted and used to try and destroy Vegenrage. The demons know Farrah is the key, and she is to be the champion they need in order to defeat Vegenrage. The demons better be careful what they wish for. Farrah may just become more powerful than all of them, and then who and what will Farrah fight for? So much turmoil and so much grief is caused by the evil of Maglical Hell as Vegenrage is forced to face off with those he hates and those he loves. The prophecies of Hornspire have never been more important than they are after his death, and they may be the only salvation for the races of man. The pages will keep you mystified as the phenomenon Vegenrage continues.

The Other Oswald Gary Hill,Bill Simpich,2020-05-08 This book is the story of two men who began an odyssey together that became a thread, which when unraveled, reveals how Cold War paranoia escalated into the death of a president. Robert Edward Webster and Lee Harvey Oswald were manipulated like marionettes on strings of espionage. Unraveling these strings (or threads) may lead us to the puppeteers controlling them. Were these controllers orchestrating a series of events that would lead to JFK's assassination?

When the co-opted rebellion on Ardenes reveals a supply chain of weapons intended to fight Mars, this makes them the perfect team to investigate. His new mission brings him across old friends and old enemies alike, but as his suspects start turning up dead, David realizes he isn't the only one following the loose ends. If they succeed, they might just buy the Protectorate peace for their lifetime. But if they fail...

Red Falcon's District Leilani Beck,2017-01-02 It's not easy having power...a fact Bridget Caswell knows all too well. It's cost her everything. Her mother was killed for it. Her father dies because of it. She's never had a home because of it. All of her life, Bridget's been on the run from the mighty Parker family, who will stop at nothing to own her and her power. At her father's dying request, she returns to Victorian London. When the Parker family finds her, it is the Red Falcon who saves her. While under his protection from her enemies, Bridget discovers that the Red Falcon has secrets of his own. A host of questions arise from their association: Why is he compelled to save those around them? How is he even capable of doing so? Just who is this man? Somehow, Bridget finds herself welcomed into the Red Falcon's family, by far the most eccentric family she's ever encountered. There's a young Amazon, an eight-year-old magician whose memories precede the construction of the pyramids, and a crotchety old apothecary. Red Falcon's District is a historical fantasy brimming over with deception, romance, murder, and a big old heap of magic--all kinds of magic. In the center of it all is a woman learning to get past her grief long enough to become part of something she's never had before. A family.
