The Red Lion ,1977 Before he can be crowned King of Persia, Azgid must prove his courage by fighting the Red Lion.

The Red Lion Kathryn Le Veque,2016-09-28 1288 A.D. - Sir Jamison Munro is a Highland warrior known as The Red Lion. Big and burly, with a crown of vibrant red hair, as the son of the chief of Clan Munro, Jamison's path in life was more unconventional than those of his clansmen. Fostering in England and France, Jamison learned the ways of his adversaries before returning home to take his place at his father's side. But his father is a progressive thinker, knowing that in order to survive, his clan must become allies with the English. He knows that isolation will only bring destruction to his clan. Willem Munro has traveled the world, much like his son, and has made friends along the way. When his English friends to the south call upon him to help in their battle with the Welsh, Willem sends his only son. Now, Jamison finds himself living with the English again as they do battle against the Welsh. Although highly trained in English tactics, and having many English friends, he cannot give himself over 100% to their ways. He sympathizes with the Welsh even as he plans battles against them. Outwardly supporting the English, he is nonetheless torn. When the call goes out to defend Four Crosses Castle against a Welsh attack, Jamison rides to the siege and finds himself caught up in a nasty battle. With the gatehouse breached, he charges in to defend the occupants only to be attacked by one occupant in particular. What he first believes to be a small and slender knight, he soon finds out differently. He is met with ferocity by a skilled lady warrior. Lady Havilland de Llion is the daughter of the lord of Four Crosses Castle. Part-Welsh, her family is nonetheless loyal to the English. When she sees the big Scotsman, she assumes he is siding with the Welsh and goes after him with a vengeance. Even upon discovering his loyalties, she doesn't believe him and their fight goes on long after the battle itself is finished. By the end of their fight, she is exhausted. By the end of their fight, Jamison is in love. Politics, battles, loyalties, and roaring passions play out in a story of high emotion and high adventure. To the big Scots knight know as The Red Lion, nearly everything in his life has come at a price, but in the battle for Havilland's affections, there is no price too high that he will not pay.

Red Light, Green Lion Candace Ryan,2019-05-07 A green lion. A red light. And one very unusual day. As a green lion waits for a green traffic light, some surprises appear, such as lightning, a lilac, library books and lima beans. Or rather, “li-ghtning,” “li-lac,” “li-brary books,” and “li-ma beans” because each spread ends with “Red light, green li-,” and the reader must turn the page to see the whole word — and what’s happened. Through it all, the lion calmly and helpfully deals with whatever shows up, and philosophically muses about the way life can be. “Some days are not like most days,” the lion explains. But as all children know: those days are usually the most fun!

Fairy Tales Told by the Seven Travelers at the Red Lion Inn David Belasco,Charles Alfred Byrne,1906

Showdown at the Red Lion Charles Van Onselen,2014-12-01 Johannesburg, South Africa, was ? and is ? the Frontier of Money. Within months of its founding, the mining camp was host to organised crime: the African 'Regiment of the Hills' and 'Irish Brigade' bandits. Bars, brothels, boarding houses and hotels oozed testosterone and violence, and the use of fists and guns was commonplace. Beyond the chaos were clear signs of another struggle, one to maintain control, honour and order within the emerging male and mining dominated culture. In the underworld, the dictum of 'honour among thieves', as well as a hatred of informers, testified to attempts at self-regulation. A 'real man' did not take advantage of an opponent by employing underhand tactics. It had to be a 'fair fight' if a man was to be respected. This was the world that 'One-armed Jack' McLoughlin - brigand, soldier, sailor, mercenary, burglar, highwayman and safe-cracker - entered in the early 1890s to become Johannesburg's most infamous 'Irish' anti-hero and social bandit. McLoughlin's infatuation with George Stevenson prompted him to recruit the young Englishman into his gang of safe-crackers but 'Stevo' was a man with a past and primed for personal and professional betrayal. It was a deadly mixture. Honour could only be retrieved through a Showdown at the Red Lion.

Ascendant Fulton C. Reed,2020-11-02 Centuries ago, a cataclysmic event forced the concept of death into a tangible form, and the Legion was born. The Legion's birth balanced the concept of life, and those who live are in a perpetual state of danger. As the Law of Equated Measures dictates, all things must bear balance, except there exists one who would like nothing more than to tip the scales in his favor - the Iron General Bastille, commander of the Legion. He would see success if not for one obstacle. When Amalia Anders makes the decision to unravel the mystery of her nightmares and phantom memories, she discovers an existence, a world, and a whole universe completely unknown to her - in addition to eight others. Plagued with delusional memories of a life she doesn't remember living, she soon discovers elements of that non-life which appear to be true. As her account of her own personal history is tested, she doesn't know who to trust or what to believe. Will she fulfill her destiny? Or defy it?
