Red Markers, Close Air Support for the Vietnamese Airborne, 1962-1975 Gary Willis,2013 Award-winning history of a segment of the Vietnam War ... From 1962 until early 1973, a handful of USAF officers and airmen directed close air support for the Vietnamese Airborne and its American advisors in MACV Advisory Team 162. This Red Marker detachment began as a single Air Liaison Officer. It grew into a combat unit of 36 personnel with a dozen aircraft before shrinking to a single officer as the United States withdrew from combat. Over the decade of its existence, less than 175 men served in the unit. Five of them died in combat. This award winning history of these forward air controllers from the beginning to the end is based on contributions from 76 men who were there.

Marker Rendering for Fashion, Accessories, and Home Fashion Bina Abling,2014-12-24 With the growing trend of licensing apparel, accessories, and home fashions under a single logo, today's students must expand their portfolios to include concepts with broader applications. Marker Rendering for Fashion, Accessories, and Home Fashions provides detailed instructions for marker rendering methods relevant to a variety of products. Allowing designers to express their ideas immediately, the marker is an essential tool for the design professional. The author's step-by-step instructions provide a sound introduction to the skills that students need, and teaches methods of overlapping media applications for an assortment of colors, patterns, and materials. The lessons are taught as a progression of skills, building slowly from basic to complex rendering methods used in the design industry today.

Peace and Conflict 2010 J.Joseph Hewitt,2017-07-05 Peace and Conflict is a new biennial publication that provides key data and documents trends in national and international conflicts ranging from isolated acts of terrorism to internal civil strife to full-fledged intercountry war. A major trend it tracks is the incidence of wars beyond the protracted conflicts in Iraq and Afghanistan. For 2010, Peace & Conflict adds a new regular feature-Trends in Global Terrorism-and focuses on the theme of Challenges of Post-Conflict Transitions. It covers special topics including women and post-conflict settings, and truth commissions and tribunals. Peace and Conflict is a large format, full-color reference including numerous graphs, tables, maps, and appendices dedicated to the visual presentation of data. Crisp narratives are highlighted with pull-quote extracts that summarize trends and major findings such as the continuing increase in high casualty terrorist acts and the likelihood of genocide risk in certain areas.

The Sleeping Father Matthew Sharpe,2003-09-26 The Sleeping Father begins with a divorced dad who inadvertently combines two incompatible anti-depressant medications, goes into a coma, has a stroke, and emerges with brain damage. His teenage son—the protagonist of the book, Chris—and his teenage daughter—Cathy—inher it money from their grandfather and decide to rehabilitate him on their own. decide to make one. Absent an adequate father, the children decide to make one, bringing with it a host of difficulties and opportunities. Chris tries everything from sex to capitalism in his search for guidance on the path to adulthood and Cathy, believing her secular Jewishness inadequate in the provision of a benign & divine Father, looks to Catholicism for solace and meaning. The Sleeping Father explores the shift in the way Americans think about mental health: away from regarding ourselves as being shaped by our upbringings and toward regarding ourselves as being shaped by the chemicals in our bloodstreams. The American family, in this novel, emerges as a microcosm of larger social institutions; Moms and Dads as in-home teachers, priests, presidents, and CEOs. In focusing on the Schwartz family in crisis, Sharpe addresses the larger crisis in faith and authority in contemporary American life.

It also chronicles support provided by other forward air controllers and from Medevac, Cobra gunship, and field artillery units.
