Nora Roberts

Red Tide Rising Allie Gail, 2015-04-01 Ages 18+. Contains strong language, explicit sex and elements of horror. This book is the final installment in the Immortal Touch trilogy. What good is immortality when every moment is agony? The vampire Ash has returned from his watery grave, proving that death is merely a minor inconvenience. Picking up where he left off? That might not be as easy. Because someone else is vying for Sami's heart - the last person he ever would have expected. Fulfilling her desire for immortality seems the surest route to winning her favor. But for Sami, this gift will come at a terrible price. One simple lie of omission is all it takes to send her spiraling into a terminal state of madness. And as the last remnants of her sanity slip away, Ash can no longer deny that her maniacal behavior is putting them all at risk. His perfect angel has become a perfect liability. But can he find it in his heart to destroy her?

Red Tide Rising Carl Hups, 2011-12-29 The journey that follows is fiction. Many of the incidents and locations upon which it is based are true. Over the past few years Jane and James Lancaster have flourished on their Wyoming ranch, all the while paying small attention to what was happening around them. The United States is close to the brink of disaster. Russia and China have merged their highly developed nuclear and cyber space technology in an attempt to seize control from the superpowers of America and Great Britain. No one could have ever imagined before, that China and Russia would embrace one another in order to form a close-knit alliance, politically, diplomatically and most important of all militarily. OPEC has systematically driven up the price of oil in an attempt to devalue the currency of America and Great Britain and force them into a serious depression. A serious problem with the world's food supply has surfaced and drug cartels have infiltrated the country at an alarming rate. As with all the other problems and decisions, the President of The

United States has relied heavily on his untrustworthy aids for solutions and they have failed him miserably. Through an extraordinary chain of events, James and Jane Lancaster have unwittingly been drawn into this scenario of anonymity and intrigue. This suspenseful thriller progresses as it takes you through London, Moscow and the Kremlin, and eastern Siberia. The sacred city of Israel is subsequently on the agenda along with Beijing, China.

Red Storm Rising Tom Clancy, 1987-07-01 From the author of the Jack Ryan series comes an electrifying #1 New York Times bestseller—a standalone military thriller that envisions World War 3... And frighteningly real. “Harrowing...tense...a chilling ring of truth.”—TIME

The Rising Red Tide in America Robert Rutherford McCormick, 1934

The Comintern in Spain before the Civil War Gustavo Martín Asensio, 2024-06-13 The Spanish Second Republic, 1931-1939, has been written about widely and remains mired in antifascist, anti-communist, and historical memory controversies. A deep dive into the Soviet, British intelligence and other European archives, this new book brings the majority consensus among historians of the Second Republic into question and sheds new light on the scale of Soviet communist activity in Spain before the outbreak of war in July 1936. Providing an in-depth analysis of Comintern (RGASPI) and other European archival documentation, much of which has not been discussed until now, Gustavo Martín Asensio here demonstrates the growing and fundamentally subversive activity of the Comintern within the socialist union and party, the armed forces and cultural influencers which culminated in the spring of 1936.

Rising Tide Randy Roberts,Ed Krzemienski,2013-08-20 The extraordinary story of how Coach Paul Bear Bryant and Joe Namath, his star quarterback at the University of Alabama, led the Crimson Tide to victory and transformed football into a truly national pastime. During the bloodiest years of the civil rights movement, Bear Bryant and Joe Namath-two of the most iconic and controversial figures in American sports-changed the game of college football forever. Brilliantly and urgently drawn, this is the gripping account of how these two very different men-Bryant a legendary coach in the South who was facing a pair of ethics scandals that threatened his career, and Namath a cocky Northerner from a steel mill town in Pennsylvania-led the Crimson Tide to a national championship. To Bryant and Namath, the game was everything. But no one could ignore the changes sweeping the nation between 1961 and 1965-from the Freedom Rides to the integration of

colleges across the South and the assassination of President Kennedy. Against this explosive backdrop, Bryant and Namath changed the meaning of football. Their final contest together, the 1965 Orange Bowl, was the first football game broadcast nationally, in color, during prime time, signaling a new era for the sport and the nation. Award-winning biographer Randy Roberts and sports historian Ed Krzemienski showcase the moment when two thoroughly American traditions—football and Dixie—collided. A compelling story of race and politics, honor and the will to win, *RISING TIDE* captures a singular time in America. More than a history of college football, this is the story of the struggle and triumph of a nation in transition and the legacy of two of the greatest heroes the sport has ever seen.

Blue Tide Rising Clare Stevens, 2019-03-25 “Somewhere in me a scream is rising, but I contain it. Just.” Diazepam-fogged Amy isn’t the best person to investigate an unexplained death, but she’s the only one Jay can get through to. On the run from her troubled past and controlling older (ex) lover, she winds up on a Welsh eco farm where she starts to rebuild her life, grounded by the earth and healed by the salt air. But it isn’t just her inner self that she manages to uncover. There are living ghosts at Môr Tawel, and they’re as loud as the waters crashing over the shingle on the beach. Amy’s new life has just started, and she’s already running out of time.

Sea Level Rise and Coastal Infrastructure Yuanzhi Zhang, Yijun Hou, Xiaomei Yang, 2018-09-05 Sea level rise and coastal erosion had drawn an increasing awareness recently as the repercussion of increase of sea level and coastal erosion would reshape the earth's system and induce a tremendous loss in ecological or economics cost. Governments are dedicated to meliorate the occurrence of these phenomena, or else all creations on the earth will suffer from the catastrophe. Global warming is one of the crucial factors resulting in the increase of sea level and

coastal erosion. Remote sensing and geographic information systems (GIS) technologies are thoroughly adopted and applied to monitor the dynamic change of the nature system, such as coastal land use and land cover, sea level rise, and coastal infrastructure.

Great Tide Rising Kathleen Dean Moore, 2016-02-01 Even as seas rise against the shores, another great tide is beginning to rise—a tide of outrage against the pillage of the planet, a tide of commitment to justice and human rights, a swelling affirmation of moral responsibility to the future and to Earth's fullness of life. Philosopher and nature essayist Kathleen Dean Moore takes on the essential questions: Why is it wrong to wreck the world? What is our obligation to the future? What is the transformative power of moral resolve? How can clear thinking stand against the lies and illogic that batter the chances for positive change? What are useful answers to the recurring questions of a storm-threatened time - What can anyone do? Is there any hope? And always this: What stories and ideas will lift people who deeply care, inspiring them to move forward with clarity and moral courage?

Confederate Tide Rising Joseph L. Harsh, 1998 This analysis of the military policy and strategy adopted by Robert E. Lee and Jefferson Davis in the first two years of the Civil War, argues that their policies allowed the Confederacy to survive longer than it otherwise could have and were the policies best designed to win Southern independence.

Rising Tide John M. Barry, 1997 The great Mississippi flood of 1927 and how it changed America.

Rising Tides John R. Wennersten, Denise Robbins, 2017-06-12 “Deals masterfully with a neglected crisis, how climate change is driving migration . . . The work broaches solutions both practical . . . and political.”—Christopher E. Goldthwait, former US Ambassador With global climate

change upon us, it is imperative to start thinking about the massive numbers of people who will be displaced by environmental crises. The rise in sea levels alone will account for hundreds of millions of refugees around the globe. In *Rising Tides*, John R. Wennersten and Denise Robbins face the difficult questions that will have to be answered: How will people be relocated and settled? Is it possible to offer environmental refugees temporary or permanent asylum? Will these refugees have any collective rights in the new areas they inhabit? And lastly, who will pay the costs of all the affected countries during the process of resettlement? Offering an essential, continent-by-continent look at these dangers, *Rising Tides* is “a passionately argued, well-documented wake-up call on the dire, current and undeniable human fallout from climate change. Looking behind the headlines, it connects the dots in a way that will inform and should alarm us all” (Eugene L. Meyer, author of *Five for Freedom*). “This chilling and urgent call to action spares no detail in its mission to present the facts on a looming humanitarian disaster. Climate-change warning messages too often focus on the environment without going into specifics of how humans will be hurt by global warming. *Rising Tides* singlehandedly rectifies this issue.”—Foreword Reviews “A must read for policymakers and those in positions of power, especially the ones who remain in a state of denial about climate change and refuse to do enough to address the crisis.”—The Hindu

Tide Players Jianying Zha, 2011-03-29 In *Tide Players*, acclaimed New Yorker contributor and author Jianying Zha depicts a new generation of movers and shakers who are transforming modern China. Through half a dozen sharply etched and nuanced profiles, *Tide Players* captures both the concrete detail and the epic dimension of life in the world’s fastest-growing economy. Zha’s vivid cast of characters includes an unlikely couple who teamed up to become the country’s leading real-estate moguls; a gifted chameleon who transformed himself from Mao’s favorite “barefoot doctor”

during the Cultural Revolution to a publishing maverick; and a tycoon of home-electronic chain stores who insisted on avenging his mother, who had been executed as “a counter-revolutionary criminal.” Alongside these entrepreneurs, Zha also brings us the intellectuals: a cantankerous professor at China’s top university; a former cultural minister turned prolific writer; and Zha’s own brother, a dissident who served a nine-year prison term for helping to found the China Democracy Party. Deeply engaging, lucid, and poignant, Zha’s insightful “insider-outsider” portraits offer a picture of a China that few Western readers have seen before. *Tide Players* is essential reading for anyone seeking to understand today’s China.

CRIMSON Tide Robert W. Chambers, 2004-01-01

Morning Star Pierce Brown, 2016-02-09 #1 NEW YORK TIMES BESTSELLER • Red Rising thrilled readers and announced the presence of a talented new author. Golden Son changed the game and took the story of Darrow to the next level. Now comes the exhilarating next chapter in the Red Rising Saga: *Morning Star*. ITW THRILLER AWARD FINALIST • “[Brown’s] achievement is in creating an uncomfortably familiar world of flaw, fear, and promise.”—Entertainment Weekly Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society’s mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their

chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender. Praise for Morning Star “There is no one writing today who does shameless, Michael Bay-style action set pieces the way Brown does. The battle scenes are kinetic, bloody, breathless, crazy. Everything is on fire all the time.”—NPR “Morning Star is this trilogy’s Return of the Jedi. . . . The impactful battles that make up most of Morning Star are damn near operatic. . . . It absolutely satisfies.”—Tordotcom “Excellent . . . Brown’s vivid, first-person prose puts the reader right at the forefront of impassioned speeches, broken families, and engaging battle scenes . . . as this interstellar civil war comes to a most satisfying conclusion.”—Publishers Weekly (starred review) “A page-turning epic filled with twists and turns . . . The conclusion to Brown’s saga is simply stellar.”—Booklist (starred review) Don’t miss any of Pierce Brown’s Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

The Crimson Tide Robert William Chambers, 1919

The Crimson Tide: A Novel Robert Chambers, 2017-09-05

Black Tide Rising Gary Poole, 2024-05-07 RESIST THE ZOMBIE PLAGUE! Top authors bring new perspectives to John Ringo’s Black Tide Rising universe, in which humanity fights back against the hordes of infected. The news that humanity had been dreading for ages had come true. Zombies are real. Worst of all, we created them. The apocalypse was upon us, and every man, woman and child had to answer a simple question of themselves: “What do we do now?” For a group of neighbors in the Chicago suburbs of Northern Indiana, it was “work together or die” . . . and figure out how to live on top of oil storage tanks to keep the zombies at bay. For the Biological Emergency Response Teams in New York City, it was “how long can we fight off the infected before it’s too late” . . . as well as having to fight other groups all out to claim a dwindling stock of supplies and safety.

And for a group of cheerleaders, it was about the end of their world. And about what happens when you get a group of physically fit young women with guns really, really angry. Featuring original stories from some of the brightest stars in the science fiction universe: John Ringo; Eric Flint, John Scalzi & Dave Klecha, Sarah A. Hoyt, Jody Lynn Nye, Michael Z. Williamson, Kacey Ezell, and more. Praise for *Black Tide Rising*: “. . . an entertaining batch of . . . action-packed tales. Certainly, fans of Ringo’s particular brand of action-adventure will be pleased.” —Booklist “This anthology broadens Ringo’s *Black Tide* world, serving up doses of humanity amid the ravenous afflicted. Comedy has a place in this harsh reality, and these stories stir adventure and emotion at a frantic clip throughout. Zombie fiction fans will be thrilled.” —Library Journal Praise for the *Black Tide Rising* Series: “Not only has Ringo found a mostly unexplored corner of the zombie landscape, he’s using the zombie frame to tackle a broader theme: the collapse and rebirth of civilization. The zombie scenes are exciting, sure, but it’s the human story that keeps us involved. A fine series.” —Booklist Praise for *Under a Graveyard Sky*: “Ringo combines humor and horror in this strong series debut, the thinking reader’s zombie novel.” —Publishers Weekly Praise for John Ringo: “[Ringo’s work is] peopled with three-dimensional characters and spiced with personal drama as well as tactical finesse.” —Library Journal “. . . Explosive. . . fans . . . will appreciate Ringo’s lively narrative and flavorful characters.” —Publishers Weekly “. . . practically impossible not to read in one sitting . . . exceedingly impressive . . . executed with skill, verve, and wit.” —Booklist “Crackerjack storytelling.” —Starlog **BLACK TIDE RISING SERIES:** *Under a Graveyard Sky* *To Sail a Darkling Sea* *Islands of Rage and Hope* *Strands of Sorrow* *The Valley of Shadows* *Black Tide Rising* *Voices of the Fall* *River of Night* *At the End of the World* *At the End of the Journey* *We Shall Rise* *United We Stand*
