The Steel Van Man Jason Stadlander,2017-10-05 In a sleepy coastal town north of Boston, a serial killer selects its victims using a unique code of ethics... Detective Stanley Devonshire is uncovering a trail of evidence in an attempt to determine exactly how the killer has managed to continue on its horrific rampage undiscovered for what appears to be eighty years with the exact same pattern. At the outset, there is no discernible thread of reason connecting the killings. So Stan enlists the help of his longtime friend from Marblehead, Detective Mark Brown. Stan is also joined forcibly by a stunning state police officer and imposing federal agent who follow him along on a journey of revelation twist after convoluted twist. Devonshire is certain he is close to solving the cases stacking up on his desk, but in his attempt to identify the illusive killer he may become the hunter's next victim.

The Man With The Red Van Angelo Dagnello,2021-04-02 Born in Italy, Angelo felt that he was living under circumstances that were stifling. He kept asking himself; what kind of man am I? Angelo knew he had to escape so he could find the meaning of HIS life. On his travels, the unique beauty of the many iconic Australian sites was surpassed by the discovery of the joy of love and the despair of heartbreak, the pain of loneliness and the power of Australian mateship. He meets many amazing people, from all walks of life, who know how to give without expecting something in return. Jesse, a young man with Down Syndrome, was one such person who has become Angelo's most cherished mate. Jesse's mateship saved Angelo's life and now Angelo is returning the love by donating the proceeds from this book to Down Syndrome Australia so that they may continue their amazing work.

Flying Soviet fighters like the MiG-17, and -19, the VPAF produced over a dozen aces, whilst the Americans managed just two pilots and three navigators in the same period.

Cry Like a Man Jason Wilson,2019-01-21 As a leader in teaching, training, and transforming boys in Detroit, Jason Wilson shares his own story of discovering what it means to “be a man” in this life-changing memoir. His grandfather’s lynching in the deep South, the murders of his two older brothers, and his verbally harsh and absent father all worked together to form Jason Wilson’s childhood. But it was his decision to acknowledge his emotions and yield to God’s call on his life that made Wilson the man and leader he is today. As the founder of one of the country’s most esteemed youth organizations, Wilson has decades of experience in strengthening the physical, mental, and emotional spirit of boys and men. In *Cry Like a Man*, Wilson explains the dangers men face in our culture’s definition of “masculinity” and gives readers hope that healing is possible. As Wilson writes, “My passion is to help boys and men find strength to become courageously transparent about their own brokenness as I shed light on the symptoms and causes of childhood trauma and ‘father wounds.’ I long to see men free themselves from emotional incarceration—to see their minds renewed, souls weaned, and relationships restored.”

When A Rook Takes The Queen Edward Izzi,2021-01-05 Chicago Tribune Reporter Larry McKay has his hands full. He has been assigned to investigate the recent assassination of Chicago’s Mayor Janice Kollar in a tumultuous summer that has included riots, looting, and a city out of control. With Mayor Kollar’s long list of political enemies, McKay doesn’t know where to start. But he soon discovers a weekly gambit at St. Simeon’s Church Rectory on West 79th Street between two of Chicago’s most notable individuals; Former grand chess master and now Catholic priest, political activist Fr. Colin J. Fitzgerald, and organized crime boss Anthony ‘Little Tony’ DiMatteo. Their weekly chess matches have allowed ‘Fr. Fitz’

to become the new family consigliere, and he is now Little Tony's most trusted advisor. Together, they have been plotting ways to circumvent the recent city violence using 'The Outfit's' brutal methods to control its gangs and outlaws and bring peace back to the Windy City. But their unusual plan to restore peace to an already violent city begins to unravel, delving the Second City deeper and deeper into an uncontrollable state of intense chaos. McKay's life is now in danger, as the 'Chicago Gambit' of real-life players are now all out to permanently silence the Tribune reporter from blowing up the city's biggest crime story since the St. Valentine's Day Massacre.
