Probing the reasons for these similarities, Henry reveals the behavior and ecology of a species that thrives from the edge of suburbia to the cold northern tundra.

Consecration Aaron Redfox,Peter King, The World Forest's last stand against the Dream Emperor's religion of exploitation depends on one magical child. All Atlantis thinks it knows the story of the Maji's birth. But what if the traditional story of the holy one's gifts, childhood and days leading up to exile in Markland was a lie? What if there were witnesses, and their stories were rather different from the saccharine tales told every year? Here in Testaments of the Maji, Consecration, for the first time the story is told by those that were there. Here are the stories of the miracles surrounding his birth and his idyllic childhood in the Ifilands in the days leading up to their colonisation by Atlantis. But here too are the stories of the colonisers and the colonised, and the Ifi's horrific secret of the power of their sorcery, and the true reason for the Maji's exile, so long suppressed by doctrine. Testaments of the Maji is a fantasy exploring the realm of religious narratives. Set in Atlantis it may, however, prove all too familiar. WARNING: not suitable at all for children. Little Red Fox Has Feelings Didi Dragon,2021-05-11 Little Red Fox affirms that ALL feelings are a natural, normal part of experiencing life. Sometimes we feel happy, sometimes we feel sad, sometimes angry, sometimes loved! Approaching feelings with understanding instead of trying to change them actually helps them simmer down. Little Red Fox notices each of her feelings, what prompted them, then she gets to decide how to act on them. This creates a healthy pattern for readers to use in their own lives. In the end, we may not always have control over how we feel (and that's okay!), but we can notice feelings, figure out what prompted them, and then decide how to act on those feelings . . . and that's most empowering of all!--Amazon.com

Red Fox Charles G. D. Roberts,2019-12 New Premium Paperback - Bookstore Quality Edition!THERE has been so much criticism lately Of the methods of the writers of animal stories, and more particularly of their pernicious habit of investing their four-footed heroes and heroines with human. if not superhuman attributes that the appearance of this new volume by Mr. C.
