The Invention of the Restaurant Rebecca L. Spang, 2020-01-14

Winner of the Louis Gottschalk Prize Winner of the Thomas J. Wilson Memorial Prize “Witty and full of fascinating details.” —Los Angeles Times Why are there restaurants? Why would anybody consider eating alongside perfect strangers in a loud and crowded room to be an enjoyable pastime? To find the answer, Rebecca Spang takes us back to France in the eighteenth century, when a restaurant was not a place to eat but a quasi-medicinal bouillon not unlike the bone broths of today. This is a book about the French revolution in taste—about how Parisians invented the modern culture of food, changing the social life of the world in the process. We see how over the course of the Revolution, restaurants that had begun as purveyors of health food became symbols of aristocratic greed. In the early nineteenth century, the new genre of gastronomic literature worked within the strictures of the Napoleonic state to transform restaurants yet again, this time conferring star status upon oysters and champagne. “An ambitious, thought-changing book...Rich in weird data, unsung heroes, and bizarre true stories.” —Adam Gopnik, New Yorker “[A] pleasingly spiced history of the restaurant.” —New York Times “A lively, engrossing, authoritative account of how the restaurant as we know it developed...Spang is...as generous in her helpings of historical detail as any glutton could wish.” —The Times

Appetite City William Grimes, 2009-10-13 New York is the greatest restaurant city the world has ever seen. In Appetite City, the former New York Times restaurant critic William Grimes leads us on a grand historical tour of New York's dining culture. Beginning with the era when simple chophouses and oyster bars dominated the

culinary scene, he charts the city's transformation into the world restaurant capital it is today. *Appetite City* takes us on a unique and delectable journey, from the days when oysters and turtle were the most popular ingredients in New York cuisine, through the era of the fifty-cent French and Italian table d'hôtes beloved of American Bohemians, to the birth of Times Square—where food and entertainment formed a partnership that has survived to this day. Enhancing his tale with more than one hundred photographs, rare menus, menu cards, and other curios and illustrations (many never before seen), Grimes vividly describes the dining styles, dishes, and restaurants succeeding one another in an unfolding historical panorama: the deluxe ice cream parlors of the 1850s, the boisterous beef-and-beans joints along Newspaper Row in the 1890s, the assembly-line experiment of the Automat, the daring international restaurants of the 1939 World's Fair, and the surging multicultural city of today. By encompassing renowned establishments such as Delmonico's and Le Pavillon as well as the Bowery restaurants where a meal cost a penny, he reveals the ways in which the restaurant scene mirrored the larger forces shaping New York, giving us a deliciously original account of the history of America's greatest city. Rich with incident, anecdote, and unforgettable personalities, *Appetite City* offers the dedicated food lover or the casual diner an irresistible menu of the city's most savory moments.

Wife of the Chef Courtney Febbrioriello, 2010-04-21 Wife of the Chef is at once a no-holds-barred memoir of restaurant life and a revealing look at married life. For Courtney Febbrioriello, the two are intertwined. She and her husband own an American bistro in Connecticut. He's the chef, so naturally he gets all the credit. She has the role of keeping things running, but she's the wife, so she remains anonymous or invisible or both. Febbrioriello comes front and center here, detailing the everyday challenges she faces—taking over dish-washing duty, bailing waiters out of jail, untangling the immigration laws, cajoling lazy suppliers, handling unreasonable customers, and a host of other emergency duties. She pokes fun at people who take food and wine—and the chef—too seriously, with witty comments on everything from chef envy to the much-ballyhooed James Beard Awards. Spiced with a healthy spoonful of feminism and enriched

with a cup of humor, *Wife of the Chef* is the tastiest dish of the season.

The Restaurant Pamela M. Kelley, Three sisters. An inherited Nantucket restaurant. One year before they can sell. Jill lives a glamorous life in Manhattan as a co-owner of a successful executive search firm. Never married, she is in her mid-thirties and lives in a stunning, corner condo with breathtaking views of the city and Hudson river. Everyone thinks there's something going on with her partner, Billy, because as a workaholic, she spends more time with him than anyone else. There never has been, but Jill is starting to wonder if there could be. Emma lives in Arizona and is an elementary school teacher and an aspiring photographer. She met her college professor husband, Peter, in grad school and they've been married for fifteen years. In recent years, she's noticed that Peter has grown distant. But when he shares a surprising secret, she doesn't see it coming and her world is turned upside down. Mandy has two children and is married to her college sweetheart, Cory, who runs a wildly successful hedge fund from Nantucket. Now that the children are older, Mandy has more free time and is eager to do more than just volunteer with local charity events. But Cory doesn't want her to work. He thinks it doesn't reflect well on him and appearances are everything to Cory. Though when Mandy finds something unusual in his gym bag, she begins to question what is really going on. The girls are stunned when they learn about the restaurant, Mimi's Place and the condition their grandmother added to the will, leaving the restaurant equally to Mandy, Emma, and Jill--and also to Paul, the chef for the past twelve years, and Emma's first love.

Classic Restaurants of Oklahoma City David Cathey, 2016-12-05
Some of Oklahoma City's earliest famous restaurants included a side of gambling, bootlegging and mayhem. Cattlemen's Café changed hands

by a roll of the dice one Christmas. In more recent years, establishments like O'Mealey's and Adair's positioned the city's identity as a unique, groundbreaking culinary hub. The city became known as the Cafeteria Capital thanks to the revolutionary approach of a diminutive Kansas woman named Anna Maude Smith. Beverly's Chicken-in-the-Rough became a national fried-chicken franchise two decades before Harland Sanders sold his first drumstick. And world-renowned chef Rick Bayless first learned to cook at his parents' barbecue restaurant in south Oklahoma City. Join author Dave Cathey as he dishes on these delectable stories and more.

A Century of Restaurants Rick Browne, 2013-10-15 From the public television host, a tour of the US's oldest and greatest dining spots—with “delightful tales, delicious recipes, and hundreds of photographs” (Ted Allen, host of Food Network's Chopped). Come along on a pilgrimage to some of the oldest, most historic restaurants in America. Each is special not only for its longevity but also for its historic significance, interesting stories, and, of course, wonderful food. The oldest Japanese restaurant in the country is profiled, along with stagecoach stops, elegant eateries, barbecue joints, hamburger shops, cafes, bars and grills, and two dueling restaurants that both claim to have invented the French dip sandwich. The bestselling author and host/producer of *Barbecue America* shares the charm, history, and appeal that made these establishments, some as many as three hundred years old, successful. Each profile contains a famous recipe, the history of the restaurant, a look at the restaurant today, descriptions of some of its signature dishes, fun facts that make each place unique, and beautiful photos. It's all you need for an armchair tour of one hundred restaurants that have made America great. “Browne spent three years traveling more than 46,000 miles to profile the 100 restaurants, inns,

taverns and public houses he selected as being the most historic, most interesting and most successful.” —Orlando Sentinel “It is Browne’s exploration of the history behind each place that I found most interesting...The White Horse Tavern gave him the Beef Wellington recipe. Peter Luger, the legendary Brooklyn Steakhouse, shared one for German Fried Potatoes and Katz’s Delicatessen in New York City offered Katz’s Noodle Kugel. And, Ferrara in Little Italy in New York City parted with its cannoli recipe.” —Sioux City Journal “Ask any chef: It’s not easy keeping a restaurant alive for a week, let alone a year or a decade. So what does it take to last a century? After five years of criss-crossing the country and gobbling up regional specialties from chowder to chili, Rick Browne reveals the answer to that question.” —Ted Allen, host of Food Network’s Chopped
