Banar,Leisure Arts, Inc.

Retro Elizabeth E. Guffey, 2006-11-15 Bell-bottoms are in. Bell-bottoms are out. Bell-bottoms are back in again. Fads constantly cycle and recycle through popular culture, each time in a slightly new incarnation. The term "retro" has become the buzzword for describing such trends, but what does it mean? Elizabeth Guffey explores here the ambiguous cultural meanings of the term and reveals why some trends just never seem to stay dead. Drawing upon a wealth of original research and entertaining anecdotal material, Guffey unearths the roots of the term "retro" and chronicles its evolving manifestations in culture and art throughout the last century. Whether in art, design, fashion, or music, the idea of retro has often meant a reemergence of styles and sensibilities that evoke touchstones of memory from the not-so-distant past, ranging from the drug-induced surrealism of psychedelic art to the political expression of 1970s afros. Guffey examines how and why the past keeps coming back to haunt us in a variety of forms, from the campy comeback of art nouveau nearly fifty years after its original decline, to the infusion of art deco into the kitschy glamor of pop art, to the recent popularity of 1980s vogue. She also considers how advertisers and the media have employed the power of such cultural nostalgia, using recycled television jingles, familiar old advertising slogans, and famous art to sell a surprising range of products. An engrossing, unprecedented study, Retro reveals the surprising extent to which the past is embedded in the future.

Retro Style Marion Haslam, 2000 Recalling the home fashions of the 50's, this volume offers today's home decorator a more discerning perspective on an era that evokes endless nostalgia. With functional household products- kettles, toasters, hand blenders, and more-being fashionably designed, these stylish accessories make chores at home far more glamorous. This colorful, easy-to-follow guide highlights the look of the period-from materials like Formica and molded plywood to the patterns of sgraffito and dissected fruit. It also provides how-to projects for creating classic styles in a modern

setting.

Marketing - The Retro Revolution Stephen Brown, 2001-06-07 'the finest writer in our field today' - Journal of Marketing 'the great heretic' - Retrospectives in Marketing 'the most devastating critic of the academic discipline of marketing ever likely to be encountered' - Service Industries Journal 'a jewel in the crown of the academic marketing establishment' - Marketing Intelligence and Planning 'remarkably entertaining' - Public Library Journal 'dazzling erudition' - European Journal of Marketing 'instant classic' - Journal of Marketing Management · Has marketing moved from 'new and improved' to 'as good as always'? · Is old the new 'new'? Retro-marketing is all around us, whether it be retro-products like the neo-Beetle, retro-scapes, such as Niketown, or retro-advertising campaigns, which make the most of the advertiser's glorious heritage. The rise of retro has led many to

conclude that it represents the end of marketing, that it is indicative of inertia, ossification and the waning of creativity. Marketing - The Retro Revolution explains why the opposite is the case, demonstrating that retro-orientation is a harbinger of change and a revolution in marketing thinking. In his engaging and lively style, Stephen Brown shows that the implications of today's retro revolution are much more profound than the existing literature suggests. He argues that just as retro-marketing practitioners are looking to the past for inspiration, so students, consultants and academics should seek to do likewise. History reveals that new ideas often come wrapped in old packaging. Marketing - the Retro Revolution unwraps this retro-package and, in doing so, offers radically new ideas for the future of the field.

Sew Retro Judi Ketteler,2010-07-10 Sewing never goes out of style, and today it is more popular than ever! Sew Retro offers twenty-five stylish, vintage-inspired sewing projects—beautiful bags, essential skirts, unique pillows, and more—that are a pleasure to sew, thanks to easy instructions, helpful diagrams, and a pocket of ten full-size patterns. This fun, inspirational book also uncovers sewing's colorful history, from the introduction of the sewing machine to the modern DIY movement, and features interviews with today's hottest fabric and pattern designers, including Amy Butler, Betz White, Barbara Brackman, Emma Brennan, Judie Rothermel, and Kathy Miller of Michael Miller Fabrics. Filled with gorgeous project photography and quirky vintage illustrations that bring the 1920s, 1940s, 1950s, and beyond to life, Sew Retro celebrates sewing yesterday and today. Learn more about Sew Retro and enjoy bonus projects and tutorials at www.sewretrothebook.com!

Retro Style Sarah Elsie Baker, 2013-09-01 Retro interiors have come to the fore in recent years as a highly desirable and valuable branch of interior design. The emergence of a need for decorative objects and vintage furniture has resurrected retro style and placed it firmly as a key trend of

contemporary design. Retro Style: Class, Gender and Design in the Home is the first book to explore the modern position of retro by asking important questions around the emergence of the trend, its impact on production and consumption and how it manifests itself in the contemporary interior. Examining themes ranging from design, taste and the aestheticisation of everyday life to the bohemianisation of popular culture, the book provides a fascinating insight into how retro has shaped modern interior design. Using original ethnographic research from retro retailers, enthusiasts, designers and media professionals Retro Style explores the positive and negative side of the style, ultimately providing an original and thought-provoking perspective on the history and trajectory of how retro has become what it now is and its bearing on the future of designed interiors.
