*The Sound of Gravel* Ruth Wariner,2016-01-05 A New York Times bestseller, *The Sound of Gravel* is the remarkable true story of one girl's coming-of-age in a polygamist Mormon Doomsday cult. "A haunting, harrowing testament to survival. – People Magazine "An addictive chronicle of a polygamist community." – New York Magazine Ruth Wariner was the thirty-ninth of her father's forty-two children. Growing up on a farm in rural Mexico, where authorities turned a blind eye to the practices of her community, Ruth lives in a ramshackle house without indoor plumbing or electricity. At church, preachers teach that God will punish the wicked by destroying the world and that women can only ascend to Heaven by entering into polygamous marriages and giving birth to as many children as possible. After Ruth's father--the man who had been the founding prophet of the colony--is brutally murdered by his brother in a bid for church power, her mother remarries, becoming the second wife of another faithful congregant. In need of government assistance and supplemental income, Ruth and her siblings are carted back and forth between Mexico and the United States, where her mother collects welfare and her step-father works a variety of odd jobs. Ruth comes to love the time she spends in the States, realizing that perhaps the community into which she was born is not the right one for her. As Ruth begins to doubt her family's beliefs and question her mother's choices, she struggles to balance her fierce love for her siblings with her determination to forge a better life for herself. Recounted from the innocent and hopeful perspective of a child, *The Sound of Gravel* is the remarkable true story of a girl fighting for peace and love. This is an intimate, gripping book resonant with triumph, courage, and resilience.

**Along the Way** Martin Sheen,Emilio Estevez,2012-05-10 Spanning nearly 50 years of family history, the book chronicles the remarkable lives of two creative talents, Martin Sheen and Emilio Estevez. It's a story of father and son set against the backdrop of Hollywood; this narrative is organized around their physical and spiritual journey along the Camino de Santiago, Spain, the thousand-year-old pilgrimage path which traverses Galicia. It is the area from which Sheen's father emigrated to the U.S. and to which Estevez's own son has returned. *Along the Way* will focus not just on the lives these men have chosen as artists, but also (and most importantly) on the one they have lived together. It is a story of family bonds and artistic advances and setbacks; of good choices and hard choices; of opportunities lost and opportunities found. Sheen and Estevez will share what they have experienced and learned from each other in their forty eight years as father and son, as fathers of sons, as actors and director, as spiritual seekers, and as concerned citizens of the world. Readers will meet them as real people rather than icons, as two men who have accumulated decades of wisdom and insight they are now ready to share.

**Dot Con** James Veitch,2020-06-02 From viral comedy sensation James Veitch (as seen on TED, Conan, and The Tonight Show with Jimmy Fallon) comes a collection of laugh-out-loud funny exchanges with email scammers. The Nigerian prince eager to fork over his inheritance, the family friend stranded unexpectedly in Norway, the lonely Russian beauty looking for love . . . they spam our inboxes with their hapless pleas for help, money, and your social security number. In *Dot Con*, Veitch finally answers the question: what would happen if you replied? Suspicious emails pop up in our inboxes and our first instinct is to delete unopened. But what if you responded to the deposed princess begging for money in your Gmail? Veitch dives into the underbelly of our absurd email scam culture, playing the scammers at their own game, and these are the surprising, bizarre, and hilarious results.

**Comic Genius** ,2013-10-15 This star-studded tribute to the kings and queens of comedy draws together such legendary names as Steve Martin, Tina Fey, Steve Carell, Eddie Murphy, Robin Williams, Ricky Gervais, and many more. Granted extraordinary access, photographer Matt Hoyle has captured his subjects in portraits that are works of art in themselves--by turns zany and deadpan, laugh-out-loud and contemplative. Accompanying them are first-person reflections from each of the comedians on life and laughter that always cut straight to the heart of comedy: it's funny because it's true. Page after sidesplitting page in *Comic Genius* offers prose as engaging as each portrait is memorable. Here, in one handsome package, is the gift of laughter itself. *Comic Genius* is proud to support Save The Children.

**Wild Pork and Watercress** Barry Crump,2016-02-29 This rattling good yarn has now been made into a major movie: *Hunt For the Wilderpeople*, directed and written by Taika Waititi, and starring Sam Neill and Julian Dennison. But despite the difficulties of life on the run, a bond of trust and love blossoms between the world-weary man and his withdrawn side-kick.

**Smoke** Dan Vyleta,2016-05-24 Readers of the Harry Potter series and Jonathan Strange and Mr. Norrell are sure to be mesmerized by Dan Vyleta's thrilling blend of historical fiction and fantasy, as three young friends scratch the surface of the grown-up world to discover startling wonders—and dangerous secrets. "Dan Vyleta writes with intricacy and imagination and skillful pacing; never once would I have considered putting his book down. In the manner of both a Dickens novel and the best young adult adventure stories (the Harry Potter series among them). . .his ending, which I wouldn't dare reveal here, is a real firecracker."—Jennifer Senior, The New York Times Welcome to a Victorian England unlike any other you have experienced before. Here, wicked thoughts (both harmless and hate-filled) appear in the air as telltale wisps of Smoke. Young Thomas Argyle, a son of aristocracy, has been sent to an elite boarding school. Here he will be purged of Wickedness, for the wealthy do not Smoke. When he resists a sadistic headboy's temptations to Smoke, a much larger struggle beyond the school walls is revealed. Shortly thereafter, on a trip to London, Thomas and his best friend witness events that make them begin to question everything they have been taught about Smoke. And thus the adventure begins... You will travel by coach to a grand estate where secrets lurk in attic rooms and hidden laboratories; where young love blossoms; and where a tumultuous relationship between a mother and her children is the crucible in which powerful passions are kindled, and dangerous deeds must be snuffed out in a desperate race against time.

**Pigeon in a Crosswalk** Jack Gray,2013-02-19 From television producer Jack Gray comes a generational account of finding one's way at work, at home, and even across the street. There are a lot of unforgettable characters in these pages: a loveable if possibly alcoholic dog; a set of grandparents who crush on Alex Trebek and obsess about death; Golden Girls and blue bloods, anchormen and Supreme Court justices; divas and wags—but the best character of all is the author himself. To read Jack Gray's musings is to enter the company of a young man of titanic wit and talent. As he observes and echoes the fixations and neuroses of his generation and our times, he will make you squirm, guffaw, and ultimately marvel.

**Day Four** Sarah Lotz,2015-06-16 Step aboard the cruise ship from hell (Stephen King) in this satirical scream of a novel (New York Times Book Review). Hundreds of pleasure-seekers stream aboard The Beautiful Dreamer cruise ship for five days of cut-price fun in the Caribbean sun. On the fourth day, disaster strikes: smoke roils out of the engine room, and the ship is stranded in the Gulf of Mexico. Soon supplies run low, a virus plagues the ship, and there are whispered rumors that the cabins on the lower decks are haunted by shadowy figures. Irritation escalates to panic, the crew loses control, factions form, and violent chaos erupts among the survivors. When, at last, the ship is spotted drifting off the coast of Key West, the world's press reports it empty. But the gloomy headlines may be covering up an even more disturbing reality. Day Four is a heart-racing tale from a ferociously imaginative storyteller (Lauren Beukes).

**The 25th Hour** David Benioff,2002-01-29 The brilliant debut novel from the bestselling author of City of Thieves and the co-creator of the HBO series Game of Thrones, about a white-collar drug dealer's last night out in New York City before going to jail Adapted as a feature film by Spike Lee starring Edward Norton and Philip Seymour Hoffman "Novels like The 25th Hour don't fall out of trees every day. The tone is dark and intense; its elegant style is cut on the raw side; and the characters come from places we've all been." —The New York Times All Monty Brogan ever really wanted when he grew up was to be a fireman. Now he's about to start a seven-year stretch in the federal penitentiary for drug dealing. With just twenty-four hours of freedom to go, he prowls the city with his girlfriend and his two best friends from high school—a high-flying bond trader and an idealistic teacher. As the minutes count down, Monty seizes one last chance to stack the odds in his favor. Hurtling from the money pits of Wall Street to Manhattan's downtown lounge and club scene, from the enclaves of the Russian mob to the old immigrant neighborhoods, The 25th Hour evokes the pulsing rhythms and diamond-hard edges of a city in the raw, illusory hours between midnight and dawn. A taut and mesmerizing tale of an urban purgatory suspended between the crime and the punishment, The 25th Hour is a major player in contemporary noir fiction.

**Singing the Trail** John McCrystal,2019-11-05 The very first maps, oral maps made by early Polynesian and Maori settlers, were waypoints, lists of places in songs, chants, karakia and stories that showed direction. Hundreds of years later, Abel Tasman made the first attempt at a physical map; followed more than a century later by James Cook, whose more detailed map was made as he circumnavigated Aotearoa. Once the detail of the coastline was filled in, it was the turn of the surveyors, explorers, rockhounds, gold diggers and politicians to negotiate the internal detail. The story of these maps is also the story of Aotearoa New Zealand. Disclaimer: Due to limitations of ebook files, the finer details of some maps in this ebook are not entirely clear.

**But What I Really Want to Do Is Direct** Ken Kwapis,2020-10-06 For over three decades, director Ken Kwapis has charted a career full of exceptional movies and

television, from seminal shows like The Office to beloved films like He’s Just Not That Into You. He is among the most respected directors in show business, but getting there wasn’t easy. He struggled just like everyone else. With each triumph came the occasional faceplant. Using his background and inside knowledge, But What I Really Want To Do is Direct tackles Hollywood myths through Ken’s highly entertaining experiences. It’s a rollercoaster ride fueled by brawls with the top brass, clashes over budgets, and the passion that makes it all worthwhile. This humorous and refreshingly personal memoir is filled with inspiring instruction, behind-the-scenes hilarity, and unabashed joy. It’s a celebration of the director’s craft, and what it takes to succeed in show business on your own terms. Ken Kwapis always brought out the best in the actors on The Office. Whenever Ken was directing, I always felt safe to go out on a limb and take chances, knowing he had my back. Every aspiring director should read this book. (I can think of several 'professional' directors that should read it too!) -Jenna Fischer A vital, magnificent manifesto on the art and craft of directing, written with emotional, instinctual and intellectual depth by one of America's most beloved film and television directors -Amber Tamblyn In the years that I was fortunate to work with Ken on Malcolm in the Middle, he had an uncanny ability to guide actors right to the heart of a scene and reveal its truths. He admits that he doesn’t have all the answers, he’ll make mistakes, and at times he’ll struggle, but as he says in the book, 'It’s the struggle to get it right that makes us human.' -Bryan Cranston Good luck finding a more kind, passionate, and talented director alive than Ken. Seriously, good luck. -Tig Notaro “'Action!' is what most directors bark out to begin a scene. But Ken Kwapis starts by gently intoning the words 'Go ahead...' That simple suggestion assures everyone they’re in smart, capable, humble hands. That’s how you’ll feel reading this book. And so, if you’re anxious to discover how a top director always brings humor, honesty, and humanity to his work, all I can tell you is...Go ahead. -Larry Wilmore
