**Dish** Rhys Nicholson,2023-10-31 This is a semi-stream-of-consciousness written tapestry, squeezed out by a profoundly apprehensive overthinker who's doing their best to unapologetically stop apologising. (It's funnier than it sounds.)'This Dish is served hot, funny and sincerely fresh!' - RuPaulEvery now and then, when the planets align in just the right way, a book comes along that changes everything. An author sweats and toils to birth a tome with such colossal cultural impact, it has the power to retune the entire world to a whole new frequency. This is absolutely not one of those books. Not even close. And actually, that all sounds a bit much really, doesn't it?Rhys Nicholson is a multi-award winning comedian, writer and busy mum with an anxiety disorder, a complicated relationship with food and a book deal. In Dish, a debut whack at writing an entire book, Nicholson is reaching out to get some stuff straight in their head. Through a series of revealing stories, intrusive thoughts and a recipe here and there, they're hoping to ruminate, gossip and generally have a deeply private, wide-ranging conversation with themselves about a whole bunch of life's smaller questions. What do you do if you think you might have an underwear fetish? How long do you roast a chicken for? Does everyone hate you? Why did no one bring up how hard it is to write a book? What's going on with heterosexual men, and are they ok?

*Growing Up in Country Australia* Rick Morton,2022-03-29 Black Inc.'s bestselling Growing Up series goes to the country 'You will find in these pages a colourful and gripping pastiche that updates the experience outside Australia's cities and large regional centres. You will find, despite the absolute variety in these essays, that there is still something ineffable about life in the country.' -Rick Morton Growing Up in Country Australia is a fresh, modern look at country Australia. There are stories of joy, adventure, nostalgia, connection to nature and freedom, but also grimmer tales - of drought, fires, mouse plagues and isolation. From the politics of the country school bus to the class divides between locals, from shooting foxes with Dad to giving up meat as an adult, from working on the family farm to selling up and moving to the city, the picture painted is diverse and unexpected. This is country Australia as you've never seen it before. With nearly forty stories by established and emerging authors from a wide range of backgrounds - including First Nations and new migrants - Growing Up in CountryAustralia is a unique and revealing snapshot of rural life. Contributors include Holden Sheppard, Laura Jean McKay,Annabel Crabb, Sami Shah, Lech Blaine, Tony Armstrong, Bridie Jabour, Jes Layton, Lily Chan, Jay Carmichael and many others.

*The Chapel and Burial Ground on St Ninian's Isle, Shetland: Excavations Past and Present: v. 32* Rachel C. Barrowman,2017-12-02 This volume is the definitive account of the excavation which led to the discovery of the magnificent hoard of 28 pieces of Pictish silverware on St Ninian's Isle, Shetland in 1958. It includes a reassessment of the original archives and finds, including an ogham stone found on the site in 1876 and a fantastic collection of glass beads, as well as several new small-scale excavations on the site of the chapel and its burial ground. Taken together, this work reveals a long sequence of settlement beginning in the Iron Age. The first church was built on the site in the 8th century, and accompanied by a long cist cemetery with cross-incised stones and shrine sculpture. The church may have continued in use into the 9th or 10th centuries, and the recent work has confirmed that the famous hoard was buried into its floor. There was a degree of continuity between the pre-Christian and Christian burials, with evidence that the site was a special place for burial before the advent of Christianity. The report describes these burials in detail, ending the story sometime between the 11th and end of the 12th centuries, when an adult male who had died a violent death was moved to be buried on the site. Thereafter the site was inundated with wind-blown sand. A new chapel with an accompanying long cist cemetery was then built above the earlier church, and a chancel was added later. The associated graveyard continued in use until around 1840, long after the building was demolished.

*Creativity and Creative Industries in Regional Australia* Phillip McIntyre,Susan Kerrigan,Janet Fulton,Evelyn King,Claire Williams,2023-12-26 This book explores the relationship between creativity, creative people, and creative industries in regional Australia through examining lived experience. The authors draw on more than 100 qualitative interviews with creative workers, and contextualise this creative work within the broader social and cultural structures of Australia's Hunter region (located north of Sydney, in New South Wales). An invaluable resource for anyone interested in creative ecosystems as well as creativity and innovation, this book is an ethnographic study using the Hunter region as a case connected to the national and global networks that typify the creative industry. This timely addition to the Palgrave Studies in Creativity and Culture series gives a unique insight into creativity and cultural production.

**Prudish Nation** Paul Dalgarno,2023-06-03 Interviewing more than 30 Australia-based authors and thinkers while examining his own journey towards being openly non-monogamous, Poly author Paul Dalgarno pulls together social history and illuminating first-hand accounts of what it means to have 'unconventional' relationships - with others and even with ourselves - in 21st-century Australia. Do authors such as Christos Tsiolkas, Dennis Altman and Andrea Goldsmith think we're more tolerant than we once were? Are writers such as Lee Kofman, Rochelle Siemienowicz and Jinghua Qian optimistic about the future? Do terms such as LGBTQIA+ help or hinder meaningful progress? How does transitioning now compare to transitioning in the 1990s? How does 'queerness' affect notions of parenthood? Do therapists and psychologists still operate from a straight-white-male perspective and how can new practitioners such as popular psychologist and author Chris Cheers change that? Entertaining, insightful, funny and thought-provoking, Prudish Nation adjusts the country's bedside lamp to show us a little more clearly who and what we really are.

Take a Bow, Noah Mitchell Tobias Madden,2023-01-03 There Are No Cheat Codes for Showmance Seventeen-year-old gaymer Noah Mitchell only has one friend left: the wonderful, funny, strictly online-only MagePants69. After years playing RPGs together, they know everything about each other, except anything that would give away their real life identities. And Noah is certain that if they could just meet in person, they would be soulmates. Noah would do anything to make this happen—including finally leaving his gaming chair to join a community theater show that he's only mostly sure MagePants69 is performing in. Noah has never done anything like theater—he can't sing, he can't dance, and he's never willingly watched a musical—but he'll have to go all in to have a chance at love. With Noah's mum performing in the lead role, and former friends waiting in the wings to sabotage his reputation, his plan to make MagePants69 fall in love with him might be a little more difficult than originally anticipated. And the longer Noah waits to come clean, the more tangled his web of lies becomes. By opening night, he will have to decide if telling the truth is worth closing the curtain on his one shot at true love.

Anything But Fine Tobias Madden,2022-03-29 All it takes is one missed step for your life to change forever. Luca Mason knows exactly who he is and what he wants: In six months, he's going to be accepted into the Australian Ballet School, leave his fancy private high school, and live his life as a star of the stage—at least that's the plan until he falls down a flight of stairs and breaks his foot in a way he can never recover from. With his dancing dreams dead on their feet, Luca loses his performing arts scholarship and transfers to the local public school, leaving behind all his ballet friends and his whole future on stage. The only bright side is that he strikes up unlikely friendships with the nicest (and nerdiest) girl at his new school, Amina, and the gorgeous, popular, and (reportedly) straight school captain, Jordan Tanaka-Jones. As Luca's bond with Jordan grows stronger, he starts to wonder: who is he without ballet? And is he setting himself up for another heartbreak?

*Los diez pasos hacia Nanette* Hannah Gadsby,2022-06-02 Hannah Gadsby desvela los momentos que definieron su vida y la llevaron a subir al escenario con toda la verdad por delante. Tan dura como divertida, Los

diez pasos hacia Nanette es una «autobiografía incómoda» que, siguiendo la costumbre de su autora de jugar con las expectativas y las reglas de la comedia, nos acerca a una de las voces más explosivas e influyentes de nuestro tiempo. «No hay nada más fuerte que una mujer rota que logra recomponerse». Hannah Gadsby Nanette no fue solo un espectáculo de stand-up insuperable, fue también un arrollador éxito viral que cautivó al público por su sinceridad desgarrada y por su habilidad para generar a un mismo tiempo tensión y risa. El éxito mundial de Gadsby podría hacernos creer que la fama le llegó de la noche a la mañana, pero el camino que la llevó a lo más alto de la escena internacional fue en realidad bastante tortuoso. En Los diez pasos hacia Nanette, Gadsby nos brinda su retrato más íntimo: su adolescencia como persona queer en Tasmania (donde la homosexualidad fue ilegal hasta 1997), los trabajos itinerantes en Australia tras la universidad, sus duros encontronazos con la homofobia y la violencia sexual, su constante evolución como cómica, los diagnósticos tardíos de autismo y TDAH... y finalmente el hallazgo de lo que había de ser la esencia de Nanette, es decir, la renuncia a mofarse de sí misma en sus chistes, el rechazo de la misoginia y el compromiso moral con decir la verdad a toda costa. La crítica ha dicho: «Hannah es una fuerza prometeica, un talento revolucionario. Con este libro gracioso, conmovedor y a veces trágico lo que ha hecho es señalarnos dónde se originaron sus hogueras». Emma Thompson «Hannah Gadsby es la perfecta representación de la verdad que se esconde detrás de toda broma». La Vanguardia «Una clara muestra de todo lo bueno que puede pasar cuando una voz diferente se hace oír». Victoria Segal, The Times «Gadsby se muestra aquí como una escritora clara, inteligente y sustanciosa, capaz de hablarnos de sus años de formativos y de la evolución de su carrera y a la vez tocar temas relativos a la cultura popular, la política, la salud mental o el autismo». Steph Harmon, The Guardian «Un libro aparentemente de memorias que, sin embargo, escapa a toda convención y con el que Gadsby logra, desde el núcleo irradiador que es su espectáculo más famoso, reconstruir con detalle su trayectoria vital». Thomas Floyd, The Washington Post «Sus fans comprobarán con sumo placer que Gadsby, sobre el papel, es tan buena como sobre el escenario.» Trish Bendix, Time La crítica ha dicho sobre Nanette: «Nanette es un fenómeno internacional, el monólogo más comentado, reseñado y compartido en años, exquisitamente sincronizado con la era MeToo». The New York Times «Tan divertido como profundamente furioso». The New Yorker «Nanette es sencillamente extraordinaria. Me ha conmovido y me ha hecho reflexionar sobre el humor, el yo, el autodesprecio y los usos de la ira. Muchas gracias. Es simplemente brillante». Roxane Gay «Una hora y tres minutos. Ese es el tiempo que tarda Gadsby en destrozarte con sus palabras, ojos vidriosos y realidad sin filtros». El País «Jamás he llorado tan desconsoladamente en un espectáculo de comedia stand up». Monica Lewinsky

**The Devil's Grip** Neal Drinnan, 2019-08-19 Seven shots ring out in the silence of Victoria's rolling Barrabool Hills. As the final recoil echoes through the paddocks, a revered sheep-breeding dynasty comes to a bloody and inglorious end. No one could have anticipated the orgy of violence that wiped out three generations of the Wettenhall family, much less the lurid scandals about Darcy Wettenhall, the man behind the world famous Stanbury sheep stud, that would emerge from the aftermath. Almost three decades later, the web of secrets and lies that led to this bizarre and seemingly motiveless murder spree are unravelled with the help of Bob Perry, Darcy Wettenhall's secret lover for a decade prior to his murder. From the bucolic majesty, privilege and snobbery of the Western District's prized pastoral lands and dynasties to the bleak, loveless underworld of orphanages, rodeo stables and homeless shelters, *The Devil's Grip* is a courageous and thought-provoking meditation on the fragility of reputation, the folly of deception and the power of shame. Praise for *The Devil's Grip* 'A remarkable piece of work. It is a strange, unusual and beautiful book with an incredibly unique setting. I don't think I've read anything quite like it. It is compulsive reading. True crime. Memoir. History. How do you live a life honestly and with dignity? It's difficult to categorise because it traverses so many genres. But it WORKS.' Matthew Condon, author of the *Three Crooked Kings* trilogy 'On its face this is the story of a family steeped in the pursuit of the perfect ram, but beneath the surface lies a riveting and ribald tale of lust, loss, manipulation, unbridled ambition and ultimately murder.' Mark Tedeschi AM QC and author of *Eugenia*, *Kidnapped* and *Murder at Myall Creek* 'An unforgettable, courageous and deeply tragic local story which manages to become a universal tale' Gregory Day, author of *Archipelago of Souls* and *A Sand Archive* 'It's got it all: sex, domestic violence, 'the land' - such an important concept resonating in the Australian mind - land-holders and property, privilege, prejudice, skulduggery and murder!' David Bradford, author of *The Gunners' Doctor* and *Tell Me I'm Okay*
