Discover Your Purpose Rhys Thomas,2015-08-25 In this life-changing book, energy medicine expert Rhys Thomas shows you how to discover your life purpose and align your decisions with your deepest self, so your life is fulfilling, productive, and full of joy. Trying to meet everyone else's expectations about the type of role you should play—whether in your job, your family, or society—can leave you constantly striving but ultimately dissatisfied. In this inspiring book, Thomas guides you in using the Rhys Method® Life Purpose Profile System to identify your purpose and reconnect with your passions, so you can find true happiness and fulfillment. This system of self-discovery encompasses five distinct soul-based profiles. Which one are you? - Creative Idealists are highly imaginative thinkers who sometimes self-isolate, feeling safer staying in their inner mental world than engaging with others. - Emotional Intelligence Specialists are empathic, sensitive, and compassionate but sometimes struggle with being overwhelmed and feeling unloved. - Team Players are loyal supporters who selflessly put others' needs before their own, but they can fail to recognize their own strengths and needs. - Charismatic Leader-Charmers are energetic, dynamic, and capable, but they can become distrustful, self-centered, and even aggressive, in their relationships. - Knowledgeable Achievers are driven, self-disciplined, and organized big-picture thinkers. They sometimes lose touch with their emotions and push themselves too hard, becoming overly critical and judgmental. Once you identify your primary life-purpose profile, as well the other profiles you may inhabit, you can move toward your unique calling—embracing your strengths and rejecting unhealthy behaviors. Discover Your Purpose also helps you to better understand and relate to others through their profiles. Included in this book are resources and bio-energetic exercises designed for your individual profile to help you reach your fullest potential in mind, body, and soul.

**The Suicide Club** Rhys Thomas,2009-02-12 Craig Bartlett-Taylor was always trying to kill himself, but when he took an overdose at the back of Mrs Kenna's classroom, Richie thought he'd finally succeeded: it was a real-life Worst Case Scenario. But then the new kid, Freddy, steps in and saves Craig's life, and for Richie the lure of this mysterious newcomer is irresistible. Freddy is like nobody Richie has ever met. Dark, sardonic and dangerous, he gives flight to Richie's imagination, introducing him to a way of life he'd never thought possible. But when a night-time prank goes gut-wrenchingly wrong, Richie begins to question Freddy's motives, and all too soon he finds himself committed to a sinister pact, with inescapably tragic consequences. It's true that Freddy saved a life - but could he take one, too? With great wit and an unflinching eye for the muddle and drama of adolescence, *The Suicide Club* is a pitch-perfect portrait of teenage disaffection that sets boy against boy, imagination against reason - and, ultimately, life against death.

**DANGER CLOSE: The Rescue of ODA-525** Rhys Thomas, 2016-12-21 February 24th, 1991: It's the first day of the ground war in Operation Desert Storm. To support the massive attack, an eight man US Army Special Forces team is inserted 150 miles inside Iraq to covertly reconnoiter a key highway connecting Baghdad and Kuwait. The members of the team--designated Operational Detachment Alpha-525--are known among their peers as The Sharkmen. This is their first combat mission in Desert Storm. If this had been a perfect mission no one would have known they were there. They would have dropped in, done their job for a week, then exited under cover and returned to base. But this isn't a perfect mission. Within hours it will all go to hell. This is the true story of the improbable rescue of ODA-525, told in the words of the men who were there, on the ground and in the air.

**The Future of Wales** Rhys Thomas, 2024-02-22 A funny, punchy manifesto for a better Welsh experience in decades to come, told with local insight and winning passion – part of Melville House UK's new FUTURES series. Wales is a nation of contradictions. It boasts incredible natural resources and crushing poverty; fierce patriotism and a stark north/south divide; an energy surplus, and some of the highest bills in the UK. It also has a famously rugby-mad culture – but its revitalised football team is lighting up international

tournaments. So what's going on? Rhys Thomas hails from Laugharne – the village on which, it is rumoured, Dylan Thomas based Under Milk Wood's 'Llareggub' (read it backwards). In this affectionate investigation into his home country, via Welsh geography, food, culture and sport, he aims for the heart of its contrasts. In doing so, he builds a mosaic-like image of Wales today – and how it might look in the future.

**The Unlikely Heroics of Sam Holloway** Rhys Thomas, 2018-08-09 A feel-good novel that will make you laugh and cry. The perfect book club read for fans of *The Rosie Project*, *A Man Called Ove*, and *The Keeper of Lost Things*. Charming, quirky, and bursting with heart. This is no ordinary love story and Sam is no typical hero...but he is a hero. Sam Holloway has survived the worst that life can throw at you. But he's not really living. His meticulous routines keep everything nice and safe - with just one exception... Three nights a week, Sam dons his superhero costume and patrols the streets. It makes him feel invincible - but his unlikely heroics are getting him into some sticky, and increasingly dangerous, situations. Then a girl comes into his life, and his ordered world is thrown into chaos ... and now Sam needs to decide whether he can be brave enough to finally take off the mask. Both hilarious and heart-warming, this is a story about love, loneliness, grief, and the life-changing power of kindness.

**The Art of Psychic Reiki** Lisa Campion, 2018-10-01 From master Reiki teacher Lisa Campion comes *The Art of Psychic Reiki*, a one-of-a-kind, step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful, hands-on energy healing method from Japan that's been gaining in popularity over the last century—not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing and her own methods, *The Art of Psychic Reiki* provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person, with high levels of empathy, intuition, and latent psychic abilities (a combination of intuition and inner knowing, plus the ability to connect with higher wisdom). And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work—and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills, with this guide you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides, and ground and protect yourself as a practitioner of this sacred healing art.

*God is Dead* Andy McGrath, 2022-03-10 •SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR AWARD 2022• •A SPORTS BOOK OF THE YEAR BY THE TIMES AND THE GUARDIAN• The remarkable untold story of the mercurial cycling prodigy Frank Vandenbroucke, written by William Hill award-winning author Andy McGrath. They called him God. For his grace on a bicycle, for his divine talent, for his heavenly looks. Frank Vandenbroucke had it all, and in the late Nineties he raced with dazzling speed and lived even faster. The Belgian won several of cycling's most illustrious races, including Liège-Bastogne-Liège, Paris-Nice and Ghent-Wevelgem. He was a mix of poise and panache who enthralled a generation of cycling fans. Off the bike, he only had one enemy - himself. Vandenbroucke dabbled in nocturnal party sessions mixing sleeping pills and alcohol and regularly fell out with team managers. By 1999 his team had suspended him and this proved to be the start of a long, eventful fall from grace. Depression, a drug ban, addiction, car crashes, divorce and countless court appearances subsumed his life. He threatened his wife with a gun. He tried to commit suicide twice. And when police found performance-enhancing drugs at his house, Vandenbroucke said they were for his dog. It seemed he had finally learned from his mistakes. Then, on 12 October 2009, aged just 34, Vandenbroucke was found dead in a hotel room in Senegal. Guided by exclusive contributions from his family, friends and team-mates, William Hill award-winning author Andy McGrath lays bare Vandenbroucke's chaotic, complicated life and times. *God is Dead* is the remarkable biography of this mercurial cycling prodigy.
