**Steve Schmolaris**

**Never Say Never** Ricki Lake, 2012-04-17 The world first met

Ricki Lake in 1988 as Tracy Turnblad in the film *Hairspray*.

Weighing in at just over 200 pounds, the 5'3" teenager challenged what it meant to be an overweight woman in America: this fat girl got the guy, was part of the in crowd, and could sing and dance like nobody was watching. When she got her own talk show at twenty-four, Ricki had been transformed. She was a slender, mature woman whose long-running show changed daytime television forever. And when Ricki left it all behind to follow her heart and produce *The Business of Being Born*, we once again saw her in a new light, as a passionate advocate who wasn't afraid to stand up for her beliefs and work for change. Ricki Lake's life has been a series of rebirths—from fat to skinny, married to divorced, rich to poor, and more. In her intimate, bold, and relatable book, Ricki shows us how her unique life in the spotlight offers wisdom to anyone who has ever struggled in her own skin. She takes us behind the scenes of her troubled childhood—filled with food issues, abuse, and an unabashed yearning for a better life outside of her suburban home. She pulls back the curtain on her talk show and her early days as a “fat actress,” and she

shows how she reinvented herself as an author, filmmaker, and much beloved finalist on *Dancing with the Stars*. Ricki weathered near-bankruptcy and an extremely difficult divorce, but, as she writes, life always hands you the unexpected—so you should never say never. Much to her surprise, Ricki has dated some of Hollywood's most eligible bachelors, appeared on the cover of *Us Weekly* magazine in a swimsuit, and fell in love when she least expected it. And now she's ready to talk about it all. *Never Say Never* is an inspiring, entertaining, and down-to-earth account of one woman who defied the odds and refused to give up. By trusting her gut and following her heart, Ricki Lake turned an unconventional life into an unparalleled triumph, and this memoir stands as a hopeful, hilarious, and honest exploration of how any woman can do the same.

*Ricki!* Robert Waldron, 1995 Waldron reveals the true story of Ricki Lake, with details on her debut in John Waters' camp classic *Hairspray*, other starring roles in film and TV, how she shed 125 pounds to become one of today's hottest celebrities, her whirlwind romance with artist Rob Sussman, their secret Las Vegas wedding, plus the facts behind her arrest with PETA members. *Your Best Birth* Ricki Lake, Abby Epstein, 2009-05-01 The

national C-section rate is at an all-time high of 31 percent. Are all these C-sections necessary, or are some of them done simply for the sake of convenience? Inductions seem to be the norm, but are they always needed? Today, expectant mothers are often left feeling powerless, as their instincts are replaced by drugs and routine medical procedures. What you are about to discover is that you have a choice, and you have the power to plan the kind of birth that's right for you-whether it is at a birth center, a hospital, or at home. In *Your Best Birth*, internationally known advocates of informed choice Ricki Lake and Abby Epstein inspire women to take back the birth experience, with essential advice on: Positive and negative effects of epidurals, Pitocin, and other drugs and interventions Inducing vs. allowing your labor to progress naturally The truth behind our country's staggering C-section rate Assembling your birth team and creating your birth plan. With chapters such as *Obstetricians: Finding Dr. Right*, *Epidurals: You Haven't Got Time for the Pain*, and *Electronic Monitors: Reading between the Lines*, Lake and Epstein will encourage you to consider whatever your doctor, mother, and best friend may suggest in a new light. The book also includes inspiring birth stories, including those from well-known personalities, such as

Laila Ali and Cindy Crawford. Packed with crucial advice from childbirth professionals, and delivered in a down-to-earth, engaging voice, *Your Best Birth* is sure to renew your confidence and put the control back where it belongs: with parents-to-be! Abby Epstein and Ricki Lake have taken a wonderful and constructive approach to ensuring an optimal birthing experience. Their language creates a 'climate of confidence' for pregnant women and their families, who must make key decisions about where, how and with whom to give birth in a health care system often unresponsive to our needs. This book is like a good friend giving wise counsel. -- Judy Norsigian, co-editor of *Our Bodies, Ourselves: Pregnancy and Birth* and Executive Director, *Our Bodies Ourselves*

*Sweetening the Pill* Holy Grigg-Spall, 2013-10-07 Millions of healthy women take a powerful medication every day from their mid-teens to menopause - the Pill - but few know how this drug works or the potential side effects. Contrary to cultural myth, the birth-control pill impacts on every organ and function of the body, and yet most women do not even think of it as a drug. Depression, anxiety, paranoia, rage, panic attacks - just a few of the effects of the Pill on half of the over 80% of women who pop these tablets during their lifetimes. When the Pill was released, it was thought

that women would not submit to taking a medication each day when they were not sick. Now the Pill is making women sick. However, there are a growing number of women looking for non-hormonal alternatives for preventing pregnancy. In a bid to spark the backlash against hormonal contraceptives, this book asks: Why can't we criticize the Pill? ,

**Era of Ignition** Amber Tamblyn, 2020-01-14 A passionate and deeply personal exploration of feminism during divisive times from one of the founders of Time's Up: actor, filmmaker, and activist Amber Tamblyn. With a new afterword • “A work of personal upheaval and political reckoning.”—Rebecca Traister, New York Times bestselling author of *Good and Mad* Amber Tamblyn has emerged as an outspoken advocate for women's rights. But she wasn't always so bold and self-possessed. In her late twenties, after a particularly low period fueled by rejection and disillusionment, she grabbed hold of her own destiny and entered into what she calls an Era of Ignition—a time of self-reflection that follows in the wake of personal upheaval and leads us to challenge the status quo. In the process of undergoing this metaphysical metamorphosis, she realized that our country is going through an Era of Ignition of its own, and she set about agitating for change by initiating a dialogue about gender inequality. In this deeply personal exploration of modern feminism, she addresses misogyny and discrimination, reproductive rights and sexual assault, white feminism and pay parity—all through the lens of her own

experiences as well as those of her Sisters in Solidarity. At once an intimate meditation and a public reckoning, *Era of Ignition* is a galvanizing feminist manifesto that is required reading for anyone who wants to help change the world for the better.

*Labor of Love* Cara Muhlhahn, 2010-04-27 “Labor of Love...makes me want to stand up and shout, ‘Yes! Right on, sister!’” — Christiane Northrup, MD, author of *Women’s Bodies, Women’s Wisdom* “A practicing certified nurse-midwife ... [Muhlhahn] has the battle scars to prove it ... as well as enough emotional dings to give her plain-speaking single mom’s memoir an edge.” — Booklist Cara Muhlhahn is force of nature. Single mom, jazz singer, salsa dancer, traveler, and midwife to more than 700 babies, she holds nothing back in her astonishing memoir. As one of today’s most beloved and sought-after midwives, Muhlhahn delivers an engaging story of the choices and sacrifices she has made in order to live a life of passion and devotion. At an early age, Cara wanted to make a difference in people’s lives. She decided she would help women during their most significant experience—giving birth. Balancing her medical knowledge with intuition, the challenges of single parenthood with work, and personal sacrifices with the joys of birth, Muhlhahn captures what

it's like to know your purpose, and live life to its fullest. Written with searing honesty, *Labor of Love* will inspire and amaze.

Carsick John Waters,2014-06-03 The visual artist behind such cult films as *Hairspray* traces his haphazard cross-country hitchhiking journey at the sides of a motley group of unsuspecting drivers, including a gentle farmer, an indie band and the author's unexpected hero. 75,000 first printing.

*The Dark Lake (FREE PREVIEW - Prologue and First Five Chapters)* Sarah Bailey,2017-05-30 A tight-knit community is shocked by revelations from decades past in this enthralling (Associated Press) literary mystery that will keep you racing toward the end (Lisa Gardner). The lead homicide investigator in a rural town, Detective Sergeant Gemma Woodstock is deeply unnerved when a high school classmate is found strangled, her body floating in a lake. And not just any classmate, but Rosalind Ryan, whose beauty and inscrutability exerted a magnetic pull on Smithson High School, first during Rosalind's student years and then again when she returned to teach drama. As much as Rosalind's life was a mystery to Gemma when they were students together, her death presents even more of a puzzle. What made Rosalind quit her teaching job in Sydney and return to her hometown? Why did she

live in a small, run-down apartment when her father was one of the town's richest men? And despite her many admirers, did anyone in the town truly know her? Rosalind's enigmas frustrate and obsess Gemma, who has her own dangerous secrets--an affair with her colleague and past tragedies that may not stay in the past. Brilliantly rendered, *THE DARK LAKE* has characters as compelling and mysteries as layered as the best thrillers from Gillian Flynn and Sophie Hannah.

*The Talking Cure* Jane M. Shattuc, 2014-04-04 *The Talking Cure* examines four nationally syndicated television talk shows--Donahue, *The Oprah Winfrey Show*, *Geraldo* and *Sally Jessy Raphael*--which are primarily devoted to feminine culture and issues. Serving as one of the few public forums where working-class women and those with different sexual orientations have a voice, these talk shows represent American TV at its most radical. Shattuc examines the tension between talk's feminist politics and the television industry, who, in their need to appeal to women, trades on sensation, stereotypes and fears in order to engender product consumption. However, this genre is not a one-way form of social interaction. The female audience complies and resists in a complex give-and-take, and it is this relationship which *The Talking*

Cure aims to understand and reveal.

**The Money Shot** Laura Grindstaff, 2008-11-07 He leaped from his chair, ripped off his microphone, and lunged at his ex-wife. Security guards rushed to intercept him. The audience screamed, then cheered. Were producers concerned? Not at all. They were getting what they wanted: the money shot. From classy shows like Oprah to trashy shows like Jerry Springer, the key to a talk show's success is what Laura Grindstaff calls the money shot—moments when guests lose control and express joy, sorrow, rage, or remorse on camera. In this new work, Grindstaff takes us behind the scenes of daytime television talk shows, a genre focused on real stories told by ordinary people. Drawing on extensive interviews with producers and guests, her own attendance of dozens of live tapings around the country, and more than a year's experience working on two nationally televised shows, Grindstaff shows us how producers elicit dramatic performances from guests, why guests agree to participate, and the supporting roles played by studio audiences and experts. Grindstaff traces the career of the money shot, examining how producers make stars and experts out of ordinary people, in the process reproducing old forms of cultural hierarchy and class inequality even while seeming to challenge

them. She argues that the daytime talk show does give voice to people normally excluded from the media spotlight, but it lets them speak only in certain ways and under certain rules and conditions. Working to understand the genre from the inside rather than pass judgment on it from the outside, Grindstaff asks not just what talk shows can tell us about mass media, but also what they reveal about American culture more generally.

**Hairspray** Mark O'Donnell, Marc Shaiman, 2003-01-01 In *Hairspray*, it's 1962--the fifties are out and change is in the air. Baltimore's Tracy Turnblad, a big girl with big hair and an even bigger heart, has only one passion: to dance. She wins a spot on the local TV dance program, *The Corny Collins Show*, and overnight is transformed from an awkward overweight outsider into an irresistible teen celebrity. But can a trendsetter in dance and fashion vanquish the program's reigning blond princess, win the heart of heartthrob Link Larkin, and integrate a television show without denting her 'do? Only in *Hairspray*! Based on John Waters's 1988 film, the musical comedy *Hairspray* opened on Broadway in August 2002 to rave reviews. *Hairspray: The Roots* includes the libretto of the show--along with hilarious anecdotes from the authors, to say nothing of dance step diagrams and full-

color bouffant wigs to copy and cut out--along with all the creative energy, brilliant color, and full-out emotion that have made the musical a great big, gorgeous hit . . . [that] is a triumph on all levels (Clive Barnes, The New York Post).

*Beyond the Sling* Mayim Bialik, 2012-03-06 The author describes how she forged positive relationships with her sons through Attachment Parenting practices, sharing advice on how to address a child's needs without resorting to pop culture trends.

Porn Again Josh Sabarra, 2014-09-15 In PORN AGAIN: A MEMOIR, Josh Sabarra throws open the proverbial closet -- and bedroom -- doors, taking readers on a Hollywood thrill-ride through growing up, coming out, coming of age and finally finding himself at 40. Despite being a high-level entertainment executive, Josh was still a virgin at 31. Uncomfortable in his own skin, haunted by painful childhood memories, he kept laser-focused on building an unparalleled career trajectory at the expense of his personal life. Tormented by schoolmates for being different, Josh clung to his aberrantly close relationships with a small circle of adult females. But, even with that support, the shame and contempt that grew from his sexuality locked him in a prison of self-hate that robbed him of an emotional and sexual identity for more than three

decades. Movie studio jobs, through which he met celebrity idols, led to friendships and relationships with some of the industry's most notable characters. Those intimacies created a false sense of acceptance and approval, requiring that he continue to up the stakes - celebrity lovers, the crazy world of online dating, sexual fetishists and porn stars-for-hire. The gay best friend you always wanted, Josh Sabarra delivers a whip-smart, poignant memoir set against a glittering backdrop that is at once heartbreaking, glamorous, sexy and hilariously honest. ABOUT THE AUTHOR: Josh Sabarra is a veteran marketing executive and television producer who has held positions at The Walt Disney Company, Warner Bros. Studios, Miramax Films, New Line Cinema and Lifetime Networks. He resides in Los Angeles, California, where he is the president and CEO of his own public relations firm, Breaking News PR. This is his first book.

**My Lovely Wife** Mark Lukach, 2018-06-26 Mark and Giulia's life together began as a storybook romance. They fell in love at eighteen, married at twenty-four, and were living their dream life in San Francisco. When Giulia was twenty-seven, she suffered a terrifying and unexpected psychotic break that landed her in the psych ward for nearly a month. One day she was vibrant and well-

adjusted; the next she was delusional and suicidal, convinced that she was the devil and that her loved ones were not safe. All she wanted was to die. Eventually, Giulia fully recovered, and the couple had a son. But, soon after Jonas was born, Giulia had another breakdown, and then a third a few years after that. pushed to the edge of the abyss, everything the couple had once taken for granted was upended. A story of the fragility of the mind, and the tenacity of the human spirit, *My Lovely Wife* is, above all, a love story that raises profound questions: How do we care for the people we love? What and who do we live for? Breathtaking in its candor, radiant with compassion, and written with dazzling lyricism, Lukach's is an intensely personal odyssey through the harrowing years of his wife's mental illness, anchored by an abiding devotion to family that will affirm readers' faith in the power of love.

**Picking Cotton** Jennifer Thompson-Cannino, Ronald Cotton, Erin Torneo, 2010-01-05 The New York Times best selling true story of an unlikely friendship forged between a woman and the man she incorrectly identified as her rapist and sent to prison for 11 years. Jennifer Thompson was raped at knifepoint by a man who broke into her apartment while she slept. She was able to escape, and eventually positively identified Ronald Cotton as her attacker.

Ronald insisted that she was mistaken-- but Jennifer's positive identification was the compelling evidence that put him behind bars. After eleven years, Ronald was allowed to take a DNA test that proved his innocence. He was released, after serving more than a decade in prison for a crime he never committed. Two years later, Jennifer and Ronald met face to face-- and forged an unlikely friendship that changed both of their lives. With *Picking Cotton*, Jennifer and Ronald tell in their own words the harrowing details of their tragedy, and challenge our ideas of memory and judgment while demonstrating the profound nature of human grace and the healing power of forgiveness.

Mr. Know-It-All John Waters, 2019-05-21 No one knows more about everything—especially everything rude, clever, and offensively compelling—than John Waters. The man in the pencil-thin mustache, auteur of the transgressive movie classics *Pink Flamingos*, *Polyester*, *Hairspray*, *Cry-Baby*, and *A Dirty Shame*, is one of the world's great sophisticates, and in *Mr. Know-It-All* he serves it up raw: how to fail upward in Hollywood; how to develop musical taste, from *Nervous Norvus* to *Maria Callas*; how to build a home so ugly and trendy that no one but you would dare live in it; more important, how to tell someone you love them without

emotional risk; and yes, how to cheat death itself. Through it all, Waters swears by one undeniable truth: “Whatever you might have heard, there is absolutely no downside to being famous. None at all.” Studded with cameos, from Divine and Mink Stole to Johnny Depp, Kathleen Turner, Patricia Hearst, and Tracey Ullman, and illustrated with unseen photos from the author's personal collection, *Mr. Know-It-All* is Waters’ most hypnotically readable, upsetting, revelatory book—another instant Waters classic. “Waters doesn’t kowtow to the received wisdom, he flips it the bird . . . [Waters] has the ability to show humanity at its most ridiculous and make that funny rather than repellent.” —Jonathan Yardley, *The Washington Post* “*Carsick* becomes a portrait not just of America’s desolate freeway nodes—though they’re brilliantly evoked—but of American fame itself.” —Lawrence Osborne, *The New York Times Book Review*

**Rest in Pieces** Rita Mae Brown, 2004-03-30 Mrs. Murphy thinks the new man in town is the cat's meow.... Maybe she should think again. Small towns don't take kindly to strangers--unless the stranger happens to be a drop-dead gorgeous and seemingly unattached male. When Blair Bainbridge comes to Crozet, Virginia, the local matchmakers lose no time in declaring him perfect for

their newly divorced postmistress, Marry Minor Harry Haristeen. Even Harry's tiger cat, Ms. Murphy, and her Welsh Corgi, Tee Tucker, believe he smells A-okay. Could his one little imperfection be that he's a killer? Blair becomes the most likely suspect when the pieces of a dismembered corpse begin turning up around Crozet. No one knows who the dead man is, but when a grisly clue makes a spectacular appearance in the middle of the fall festivities, more than an early winter snow begins chilling the blood of Crozet's very best people. That's when Ms. Murphy, her friend Tucker, and her human companion Harry begin to sort throughout the clues . . . only to find themselves a whisker away from becoming the killer's next victims.

**John Waters** James Egan, 2011-09-13 The films of John Waters (b. 1946) are some of the most powerful send-ups of conventional film forms and expectations since Luis Bu-uel and Salvador Dali's *Un Chien Andalou*. In attempting to reinvigorate the experience of movie-going with his shock comedy, Waters has been willing to take the chance of offending nearly everyone. His characters have great dignity and resourcefulness, taking what's different or unacceptable or grotesque about themselves, heightening it and turning it into a handmade personal style. The

interviews collected here span Waters's career from 1965 to 2010 and include a new one exclusive to this edition. Waters began making films in his hometown of Baltimore in 1964. Demonstrating an innate talent at capturing the hideous and crude and elevating it to art, he reached international acclaim with his outrageous shock comedy *Pink Flamingos*. This landmark film redefined cinema and became a cult classic. Appearing in this and many of Waters's early films, his star Divine would consistently challenge gender definitions. With *Polyester*, Waters entered the mainstream. The film starred Divine as an unhappy housewife who romances a former teen idol played by Tab Hunter. Waters's commercial breakthrough, *Hairspray*, told the story of Baltimore's televised sock-hop program, *The Corny Collins Show*, and how one brave girl (Ricki Lake) used her platform as a dancer to end segregation in her town. From *Serial Mom* and *Pecker* to *Cecil B. Demented*, Waters continued to infiltrate the mainstream with his unique approach to filmmaking. As a visual artist, he was given a retrospective at the New Museum of Contemporary Art in 2004, which was shown at galleries around the world.

*Bad Gardening Advice* Steve Schmolaris, 2023-08-16 What do reviews of the Winnipeg music scene have in common with crappy

advice on growing a garden? The worm. This book's worm is Steve Schmolaris, a man of discerning taste with over forty-five years of servitude and dedication to Winnipeg music under his belt, who has devoted his life to extolling its virtues, who delicately unfolds each song—to eat, to hold, to plant like seeds—to reflect their singular beauty and uniqueness back to them. Here, you will find a compendium of Winnipeg's proud, fourth-best local music review site of the same name, written in the same acerbic, confrontational voice readers will be used to. Taking up an eclectic range of artists and genres, Bad Gardening Advice's reviews take many forms, from mock interviews to recipes to love letters, peppered by Schmolaris's musings on death, lost love, and the musicians' sex appeal. This original and inventive collection will make a great addition to the bookshelves of anyone close to the Winnipeg music scene—especially those in it. In Bad Gardening Advice, some of the artists reviewed are professionals. Some of them are amateurs. Most of them are weirdos. But if you know how to look, all of them are doing something interesting. All of them have something worth making music about. Welcome to the Bad Garden!
