**In Solitary** Garry Kilworth, 2013-05-06 Earth has been under alien domination by strange winged creatures for centuries. They keep the population severely limited and isolated; humans may only meet at occasional matings. The account of the resistance to the aliens, set largely in a beautifully evoked Oceania, is taut, superbly written, and given a very surprising final twist.

**The Given** Daphne Marlatt, 2014-05-06 Winner of the Dorothy Livesay Poetry Prize Finalist for the Pat Lowther Memorial Award "You remember – what is it you remember? / the feel of home, that moment of coming into your body. . . "

So begins Daphne Marlatt's haunting and multi-layered long poem, which reads with all the urgency and depth of a novel. Set in present-day and 1950s Vancouver, *The Given* begins with the news of a mother's death, then opens up to become an intricate tapestry of lives, as Marlatt deftly interweaves the past with the present, replicating the arc of memory itself, while questing for – and questioning – the meaning of home and identity. Circling around the narrator's mother – theatrical, troubled, imprisoned in the small existence of a 1950s housewife, and a persistent presence in the lives of others – *The Given* is a ceremony performed for her, and for all "those who have left, who go on burning in us." In luminous, deeply resonant fragments, Marlatt resoundingly answers the drive to live with deep attention in a now that is, for all of us, "tangled in the past."

**Ultimate Etapes** Peter Cossins, 2016-11-03 Ultimate Étapes is the essential guide to cycling the very best routes in Europe. From the epic ascent of the Stelvio to the windswept coastline of the Netherlands' North Sea, by way of the cobbles of Flanders and Italy's Strade Bianche, Peter Cossins has created a guide to the stages that have defined modern cycling. Taken together, they create a tour of Europe that offers as broad a variety of terrain as any of the Grand Tours would provide, enabling riders inspired by the beauty, thrills and demands of these races to challenge themselves on exactly the same parcours. Ultimate Étapes is a book for cyclists of all abilities - from experienced club racers to enthusiastic amateurs who might just want to take on one great cycle. Each stage includes a detailed route description, (with map and profile) and suggestions on other riding within each region, including details of the most significant sportives in the area. **Inspirational Wink and the Altogether Extraordinary Notebook** Delaney

Evers, 2023-11-28 Sixty years old and considered perfectly ordinary, Inspirational Wink has never left the small town of Whisper. She's been happy to work the farm with her parents and occasionally wonder what lies beyond the Three Creek Bridge. All that changes when the death of her father reveals a secret and a task that falls to her and her alone. She must retrieve the Notebook of Whim, a powerful, magical object hidden years before by her mother, so that it can be destroyed. It's either complete this quest or be nagged by her mother for the rest of time. So, off she goes. But she's not the only one in search of the notebook, and along the way she encounters magical creatures and very human enemies, all determined to claim the notebook for themselves. Not at all surprising, as the notebook grants whatever wish is written on its pages. Luckily, she has a mouse, a pink horse, and a band of companions to help her along the way. With their help, she is determined to outfight – and outwit– anyone or anything that gets in the way of her search and, more importantly, of her return home. Because if she fails and the notebook falls into the wrong hands, her mother's life– and her entire world– could be destroyed.
