Cities in South Asia Crispin Bates, Minoru

Mio, 2015-05-22 Globalisation has long historical roots in South Asia, but economic liberalisation has led to uniquely rapid urban growth in South Asia during the past decade. This book brings together a multidisciplinary collection of chapters on contemporary and historical themes explaining this recent explosive growth and transformations on-going in the cities of this region. The essays in this volume attempt to shed light on the historical roots of these cities and the traditions that are increasingly placed under strain by modernity, as well as exploring the lived experience of a new generation of city dwellers and their indelible impact on those who live at the city's margins. The book discusses that previously, cities such as Mumbai grew by accumulating a vast hinterland of slum-dwellers who depressed wages and supplied cheap labour to the city's industrial economy. However, it goes on to show that the new growth of cities such as Bangalore, Hyderabad, and Madras in south India, or Delhi and Calcutta in the north of India, is more capital-intensive, export-driven, and oriented towards the information technology and service sectors. The book explains that these cities have attracted a new elite of young, educated workers, with money to spend and an outlook on life that is often a complex mix of modern ideas and conservative tradition. It goes on to cover topics such as the politics of town planning, consumer culture, and the struggles among multiple identities in the city. By tracing

the genealogies of cities, it gives a useful insight into the historical conditioning that determines how cities negotiate new changes and influences. There will soon be more mega cities in South Asia than anywhere else in the world, and this book provides an in-depth analysis of this growth. It will be of interest to students and scholars of South Asian History, Politics and Anthropology, as well as those working in the fields of urbanisation and globalisation.

The Cults of Uruk and Babylon Marc J. H. Linssen, 2004 This publication provides new information about the temple ritual texts from ancient Mesopotamia, in particular from the cities Uruk and Babylon, and shows how important the public cults were in Hellenistic times, at least until the first century B.C.

György Ligeti Louise Duchesneau, Wolfgang Marx, 2011 The combination of new insights into Ligeti by people who knew him with new analytical approaches will make this a core publication not only for Ligeti scholars, but also for readers interested in post-war music history and in Hungarian culture.

Reluctant Heroes Chi Ming Fung, 2005-11-01

Through the history of rickshaw pullers in Hong Kong and Canton, *Reluctant Heroes* provides a rich portrait of the urban milieu and life in two contrasting yet interrelated cities in South China. Fung Chi Ming explains the dynamics between the rickshaw pullers' participation in collective action and the intervention of the British colonial and Chinese authorities, and traces the pullers' emergence and eclipse as a political force. *Reluctant Heroes* is a fascinating study of rickshaw pullers in Hong Kong and Canton. The author reconstructs the daily lives and social environments of rickshaw pullers, the majority of whom were emigrants who differed in the loyalties of dialect, place of origin and kinship. Low-skilled yet partially self-employed, rickshaw pullers relied on entrepreneurial flair, in addition to physical stamina, to tout for fares, thus bridging the culture of petty traders and physical laborers. In the volatile urban

environment, they were subjected not just to patron-client problems, but also the directives and regulations of the state, and to interventions of the police, and the British colonial and Chinese authorities. Rickshaw pullers struggled with their adversities and became a political force to be reckoned with. Fung argues that they are reluctant heroes, since their collective outbursts were authentic protests against encroachments on their livelihood. They were spurred into collective actions that were at times cheered by the public, or embroiled in city politics, thus suffering great losses in political storms, when they would have preferred to lead quiet, anonymous lives. Set against the backdrop of two contrasting yet interrelated cities in South China, *Reluctant Heroes* brings a richer understanding of urban living through a comparative study of the historic pattern of adaptation in the urban workplace, the powers of the state, and the repertoire of mass activism.

Power & Other Things Riksa Afiaty, Charles Esche, 2017-10-26 The project takes its name from the demand for the transfer of power and other things to the newly independent Indonesia in 1945. It travels through time, from European colonial occupation through the development of the republican state to the trans-national contemporary cultures of today. It looks at the various international exchanges that happened in the territories of contemporary Indonesia through the images and ideas of artists. The catalogue and the exhibition will follow a broad chronological narrative, allowing readers and visitors to learn

more about how this huge archipelago has changed over the past two centuries and to observe how it has responded and adapted to different influences originating both from inside and outside the islands. The influence of the imperial Dutch and Japanese occupations naturally form a significant element in the narrative of the exhibition as well as the constant struggles for different forms of independence or equal treatment by the Javanese and other Indonesian cultures. The importance of Chinese and Arab influence on its cultural history will also feature as the exhibition tries to look for other ways alongside the post-colonial for understanding the present.

Kisah Langit Sulistyaningrum / Arum Effendi, 2013-10-01 Kau berkas biru langit di jendela. Tetapi kau pergi, hari-hari pun kembali diisi sunyi. Kini kau kembali, tapi tak lagi kulihat biru. Langit yang mengiringi langkahmu mendung dan penuh badai. Sejak sakit merampas pendengarannya, dunia Rahani menjadi sunyi dan sepi. Tuli dan tak lagi bisa bermain cello untuk mengejar kegeniusan sang kakak, dia tersingkir dari pandangan sang ibu yang memuja sang kakak. Pelarian Rahani adalah Bayu, yang selalu membawanya menikmati berkas biru langit di balik Jendela Leiden di rumah seberang jalan. Tetapi, tragedi datang beruntun. Bayu pergi, kakak dan ayahnya meninggal dalam kebakaran. Tinggallah Rahani sendirian, merawat ibunya yang sakit akibat beban duka. Pelarian Rahani hanyalah menatap langit di Jendela Leiden rumah Bayu, sembari memainkan cello peninggalan sang kakak, meski musiknya tak bisa dia nikmati lagi. Lalu, seorang

pemuda misterius muncul ketika Rahani memainkan cello. Dia mengenalkan Rahani pada langit malam. [Mizan, Qanita, Novel Romansa, Remaja, Indonesia]

Kernel of Vedic Truth Dev

Bhattacharyya, 2014-12-25 Kernel of Vedic Truth explores the history and philosophy of Vedic thought from the days the Gods left the planet. The book references Bhagavata Purana and Sandilya's Bhakti Sutra providing a genuine insight into questions around the birth of this universe, our role on this planet and thereafter, oneness of god in everything and the true yoga of meditation and devotion. The book follows the style of a ballad - stanzas never exceeding four lines. The book is a story within a story within another. The themes are short and meaningful. As the contents unfold, the central theme becomes evident providing a genuine, simple translation of what the forepersons saw, witnessed, practiced, underwent, and left for us a means to continue that wonderful, spiritual experience.

Chapters 1-128 , 1916

History of Ancient India Revisited, A Vedic-Puranic View. Omesh K. Chopra, 2020-03-02 The Vedic-Puranic literature as well as archaeological, geological, historical, linguistic, and literary accounts have been reviewed to establish the various cultures that

evolved in ancient India from about 3500 BCE to the Mahabharata War (1450 BCE). The book describes various misconceptions, e.g., the myth about an Aryan invasion. The following markers are used to establish the dates and geographical locations of various cultures: (i) The rise in sea levels due to melting of land-based snow after the last Ice Age. (ii) Migration of the Dravidian people from the lost continent of Kumari Kandan that submerged under the Indian Ocean. (iii) The dates for the start of farming, use of kiln-baked bricks, domestication of horses, and metal working in the Indian subcontinent. (iv) The dates when Sarasvati River dried up and the Mahabharata War occurred. The book notes that asva-containing or rath-containing names could not have existed before horses were domesticated or chariots were in use. The book also notes that Mathura Krsna is different from Dwarka Krsna; the two are separated by more than 1000 years. During Mathura Krsna's time, conflicts were settled by hand-to-hand combat or with the use of a mace. In contrast, during Dwarka Krsna's time, metal arms were used.

A Concise Dictionary of Akkadian Jeremy A. Black, A. R. George, J. N. Postgate, 2000 The authorship of this dictionary is enough to state that no Akkadianist will want to be without it. It is incredibly good value for money.

Renjana Yang Membiru Ade Rio Saputra, 2021-04-16 Terlahir menjadi seseorang yang penurut dan tidak mengerti tentang tujuan dalam kehidupannya, selalu saja mengikuti apa yang ditunjukkan oleh kedua orangtuanya. Menjadikan Anta terlalu cuek akan kehidupannya. Anta Asribuana, lelaki yang sedikit

berantakan, pendiam, dan juga sangat sinis pada wanita itu. Hal yang senang dilakukannya hanya merenung dan menulis. Juli 2016, awal memasuki masa remajanya. Kini ia dipertemukan oleh perempuan-perempuan yang dapat membuatnya terperangkap dalam tatap mata tajam, sehingga menjadikannya terpikat dan selalu saja bertentangan dengan setiap pernyataannya. Berawal dari hanya sekedar mengetahui, kemudian keadaan membuatnya saling mengenal. Waktu terkadang membawa kita pada setiap hal yang tidak terduga, namun apabila kita bisa memahaminya, pasti akan lebih banyak bersyukur atas waktu yang telah diberikan oleh-Nya. Kebersamaan yang dialaminya selalu membawa kebahagiaan yang pasti. Cinta memang bisa mengalahkan logika. Tidak terkecuali mereka yang sering bertengkar kini saling mengasihi. Namun kesempurnaan tidak memihak kepadanya, saat didesak oleh keadaan menjadikannya mengabaikan perasaan. Anta yang tidak pernah terikat oleh kisah asmara kini terjebak dalam kisah cinta segitiga. Ia yang tidak ingin menyakiti keduanya. Menjadikannya membutuhkan sebuah cahaya sebagai sebuah penerangan. Lagi-lagi ia dibuat tidak mengerti, akan perasaannya yang memilih mati. Daripada memikirkan asmara yang membawanya pergi. Ketika mereka yang tidak saling memahami. Tidak mengetahui bentuk rasa ini seperti apa? Tetapi aku tahu bahwa rasa ini kau yang memilikinya.

Born in Heaven, Made on Earth Michael Brennan Dick, 1999 Pejoratively referred to as idols in the Hebrew Bible and in western tradition, the cult image occupied a central place in the cultures of

the ancient Near East. In Mesopotamia, a ritual (mis pi) was used to give birth to the god represented by the cult image. In this volume, three separate essays examine the topic within different ancient Near Eastern cultures, and a fourth provides a modern analogy as counterpoint.

Monster-Monster Rons Imawan,2015-05-25 Satu hela napas panjang ditarik perlahan hingga dada pria itu membusung ke depan, dan kepalanya tertarik ke belakang. Matanya menyorot kosong menembus kaca jendela usang. Sesuatu yang disebut rindu tengah menyelubungi jiwanya sekarang. Menjadikannya semakin gagah, juga patah pada saat yang sama. Keluarga. Adalah sebuah nyala api yang tidak pernah padam ketika pulang menjadi sesuatu yang berharga. Keluarga juga yang tidak pernah lelah mengingatkan siapa dirimu ketika sesuatu yang dikejar membawamu bepergian terlalu jauh, bahkan pada saat tersesat. Keluarga. Kepingan nyawa kedua yang membuatmu tetap hidup.....pada saat mati.
