*Chicago Rink Rats: The Roller Capital in Its Heyday* Tom Russo ,2017 By 1950, roller skating had emerged as the number-one participatory sport in America. Ironically, the war years launched the Golden Age of Roller Skating. Soldiers serving overseas pleaded for skates along with their usual requests for cigarettes and letters from home. Stateside, skating uplifted morale and kept war factory workers exercising. By the end of the decade, five thousand rinks operated across the country. Its epicenter: Chicago! And no one was left behind! The Blink Bats, a group of Braille Center skaters, held their own at the huge Broadway Armory rink. Meanwhile, the Swank drew South Side crowds to its knee-action floor and stocked jukebox. Eighteen celebrated rinks are now gone, but rinks that remain honor the traditions of the sport's glory years. Author Tom Russo scoured newspaper archives and interviewed skaters of the roller capital's heyday to reveal the enduring legacy of Chicago's rink rats.

Rink F. Michael Sheehan, 2023-11 They came from Medicine Hat, Alberta, Wing Lake, Michigan, Norwood, Massachusetts, Minnesota's Iron Range, and places with long winter ice. These figure skaters, hockey players, and speed skaters had arrived in Oregon, willing to trade their passions for the beauty of the Pacific Northwest. When an unexpected opportunity arose to build an ice area, they tangled with skeptical politicians, equestrians, and a struggling economy to bring their dreams to life. Twenty years later, they had to fight again to save it. Rink centers on an ordinary building at the corner of an uncrowded parking lot, sheltering a thin sheet of ice where the extraordinary happens. It includes stories like the speed skater who escaped from the Red Army, the figure skater with cystic fibrosis, and the cancer patient who played his last hockey game connected to an oxygen tank. People in Lane County had no idea about the ice rink in Eugene, that the Oregon Ducks have a hockey

team, or that Tonya Harding, Apolo Ohno, and Scott Hamilton all skated at their local rink. Rink tells the consequential tale of how Lane County built an ice arena and how it became so meaningful for thousands of its citizens.

**Backyard Ice Rink** Joe Proulx, 2015-10-20 Simple, easy-to-follow instructions for building a compact (and removable) skating rink in your own backyard Driven in large part by the popularity of the NHL's Winter Classic, outdoor hockey is enjoying an unprecedented revival. For a sport that began under the open sky, a backyard rink allows for a return to the origins of the game and can provide a memorable neighborhood gathering place and a place for players to train without the expense of indoor ice rental. In *Backyard Ice Rink*, blogger and professional rink builder Joe Proulx guides you through every step of building your own backyard ice skating rink. From the simplest wooden frame to elaborate tall-board rinks, from measuring the slope in your yard to constructing your frame using parts found at your local hardware store, Proulx makes the project easy to tackle. In addition to the four easy-to-follow photo-intensive rink plans, Proulx also covers ice maintenance, building your own bench and goals, teardown, and storage through the summer months.

**The Skating Rink** Roberto Bolaño, 2011-02-28 A phenomenally unusual three-way murder mystery. With a murder at its heart, Roberto Bolaño's *The Skating Rink* is, among other things, a crime novel. Murder seems to have exerted a fascination for the endlessly talented Bolaño, who in his last interview, according to *The Observer*, "declared, in all apparent seriousness, that what he would most like to have been was a homicide detective." Set in the seaside town of Z, north of Barcelona, *The Skating Rink* is told in short, suspenseful chapters by three male narrators, and revolves around a beautiful figure skating champion, Nuria Martí. A ruined mansion, knife-wielding women, political corruption, sex, and jealousy all appear in this atmospheric chronicle of a single summer season in a

seaside town, with its vacationers, businessmen, immigrants, bureaucrats, social workers, and drifters.

Hockey Rink Heroes Jake Maddox,2020 Jake Maddox has been thrilling sports fans with action-packed stories for years. Now with this new collection of riveting tales, Jake takes the action to the ice. In *Hockey Rink Heroes*, readers can cheer on the main characters as they work to achieve victory and to overcome injuries, sibling rivalry, and other obstacles both on and off the rink. With easy-to-read, action-packed text, these fun and engaging stories will inspire sports fans of all ages.

**The Skating Rink** Mildred Lee,1974

Lords of the Rink Ian Young,Terry Walker,1994-01-01 The goaltender's ultimate handbook. It will help goalies at every level to better understand their position and play to their full potential.

*The Ice Chips and the Magical Rink* Roy MacGregor,Kerry MacGregor,2018-02-27 If you could travel through time, who would you want to meet? Lucas Finnigan eats, sleeps and breathes hockey. With his friends Edge, Swift and Crunch, Lucas plays on his hometown's rink, dreaming of the day when he knows he'll make the NHL. But lately money has been tight at home, and, after a major growth spurt, Lucas is forced to wear hand-me-down gear that doesn't quite fit right. Now he's not sure he'll ever make it to the Hall of Fame like his hockey heroes. And that's not the only problem. With the community arena's chiller on the fritz, and replacement parts too tough to come by, it looks like Lucas and his friends may be doomed to a season on a plastic rink—or worse, no hockey at all! But with a magical discovery, and some help from one of hockey's greatest players (who was a kid once, too!), their final skate might turn into their first great adventure . . .

The Hockey Rink Hunt Mike Lupica,2019-05-21 It's hockey time in the fifth installment of New York Times bestselling author Mike Lupica's Zach and Zoe Mysteries--a sports-themed chapter book series

perfect for fans of Cam Jansen! There's nothing eight-year-old twins Zach and Zoe Walker love more than playing sports and solving mysteries. And when those two worlds collide . . . well, it doesn't get any better than that. When eight year old twins Zach and Zoe find out they'll be joining their dad at the Boston Bruins hockey practice, they can't believe their luck. But upon arrival, the Bruins' star player tells the twins he lost his lucky necklace right before the Stanley Cup final, and just like that, the mystery is on. The twins' search takes them all over the arena, and even onto the ice. Will Zach and Zoe find the missing necklace in time for the big game?

*Holland on the Hudson* Oliver A. Rink, 1989 *Holland on the Hudson* traces the history of New Netherland from Henry Hudson's exploration of the region in 1609 to the surrender of the Dutch colony to an English fleet in 1664. Oliver A. Rink's approach is both narrative and analytic as he describes in detail the colony's commercial origins, its social and economic development, and the colonists' rivalry with the English in the New World.

**A Mink, a Fink, a Skating Rink** Brian P. Cleary, 2014-01-01 What is a noun? It's easier to show than explain—and this book is brimming with examples. Author Brian Cleary and illustrator Jenya Prosmitsky creatively clarify the concept of nouns for young readers. Nouns are printed in color for easy identification, and the playful rhymes and illustrations combine to highlight key words.

*The Lonely End of the Rink* Grant Lawrence, 2014-02-25 The CBC host discusses his evolving, lifelong relationship with hockey as well as his experiences playing in a recreational hockey league with fellow creative types, and shares anecdotes about the sports history and cultural importance.

**Knight Before Christmas** Kat Mlzera,2021-11-16 Retired hockey star Remington Knight is back on top... and he intends to stay that way. After having everything, losing it all and then getting it back, his only focus is preparing for the inaugural season of his new professional hockey team. Taking a detour to the quaint little town of Garland Grove, British Columbia where Remy just inherited an ice arena he didn't even know his father owned, is a distraction he can't afford right now. The plan is simple... get in, hire a realtor, and get the hell out before Christmas. Bad luck follows Noelle Burrier around like a lost puppy. She's barely getting by, living in her car and working a dead-end job at the concession stand of the local hockey rink. When the arena's hotshot new owner comes in ready to sell, she finds herself on thin ice, desperate to make him see more than dollar signs. The more time they spend together, the harder it is to keep their distance and deny the fire building between them. With Remy just passing through, and Noelle stuck where she is, will they find the magic of Christmas together or will her knight in shining armor skate off into the sunset, leaving her alone in the cold?

**the rink** Billy Georgette,2014-09-19 Luther H Holton along with his friends Frederick Lawford and James Nelson stood by the side of an immense shallow pit. It was an unusually long hole in the ground that stretched almost all the way between two parallel streets in the recently burgeoning section of the city now known as " Newtown. " The city itself, was unique in the fact that it had been built on the side of a mountain in the middle of an island surrounded by a mighty river. One of the earliest settlements in North America, the city was undergoing unprecedented development in the mid 19th century. Already established as London's most important colonial center of commerce, the city had just witnessed the construction of a great Iron bridge across the mighty river considered by many to be an " eighth wonder of the world." Adding to that was the completion of a lengthy canal that would allow shipping from the city's port into the interior of the continent. Already, a host of industries were

establishing themselves along this canal; steel foundries, grain mills, sugar refineries, countless manufacturing companies, water filtration plants and the city's gas works. The old city had been founded next to its port a few hundred years earlier, but then began expanding east and west of its center and up the sides of its mountain. There are a series of three natural horizontal shelflike terraces climbing their way from the waterfront up the face of the mountain to just below its summit. Basically flat open areas on a slope, it was here on the uppermost terrace now called 'Newtown', that three men were looking down into a long shallow pit that had just recently been dug up. With its earth in neat piles stacked around it, stones in tidy little mounds like jewels in a very long tiara...lay the pit that would become a rink. " Are you sure about this? " asked Holton, in a tone more inquisitive than skeptical. " Absolutely " replied the two young architects, quickly answering the question with a unified response that seemed almost rehearsed. " But you've just built churches, how will you build a rink?" " Same way we build a church but with a rink in it." This last remark brought a deep warm chuckle from Holton who knew very well how wealthy churchgoers would be falling all over themselves, vying to become investors and charter members of his new rink association. Holton possessed an acumen into the affairs of men as only a man can have that started at the bottom and raised himself to the very top. One of the most successful men of his era, he had an innovative mind which put pieces together like ships and railroads, banks and property, rinks and churches. His restless and inquisitive nature brought him into realms of genuine pleasure and creativity. Dammit all, ' This rink shall be my Queen' he told himself in the privacy of his thoughts. Often he would think back to the time when he was a poor rural boy growing up in the old port. He was only seven years old when his father passed away, leaving his mother to raise six young children while attempting to run a struggling farm in eastern Ontario. She dreamed of a better life for her children than the harsh reality

of an impoverished farm life, and so, sacrificing her love of family and her own emotions, she arranged for her nine year old son to stay with relatives in the old port city. She could have never possibly imagined what her decision would one day mean... to all of us...to us all.

*The Rink* John Kander,Terrence McNally,Fred Ebb,1985 The musical focuses on Anna, the owner of a dilapidated roller skating rink on the boardwalk of a decaying seaside resort, who has decided to sell it to developers. Complicating her plans are her prodigal daughter Angel, who returns to town seeking to reconnect with the people and places she long ago left behind. Through a series of flashbacks, revelations, and minimal forward-moving plot development, the two deal with their pasts in their attempt to reconcile and move on with their lives.
