Life Between the Levees Melody Golding, 2019-04-23 Winner of the Donald T. Wright Award from the the Herman T. Pott National Inland Waterways Library, a special collection of the St. Louis Mercantile Library *Life Between the Levees* is a chronicle of first-person reflections and folklore from pilots who have dedicated their lives to the river. The stories are as diverse as the storytellers themselves, and the volume is full of drama, suspense, and a way of life a "landlubber" could never imagine. Although waterways and ports in the Mississippi corridor move billions of dollars of products throughout the US and foreign markets, in today's world those who live and work on land have little knowledge of the river and the people who work there. In ten years of interviewing, Melody Golding collected over one hundred personal narratives from men and women who worked and lived on "brown water," our inland waterways. As photographer, she has taken thousands of photos, of which 130 are included, of the people and boats, and the rivers where they spend their time. The book spans generations of river life—the oldest pilot was born in 1917 and the youngest in 1987—and includes stories from the 1920s to today. The stories begin with the pilots who were "broke in" by early steamboat pilots who were on the river as far back as the late 1800s. The early pilots in this book witnessed the transition from steamboat to diesel boat, while the youngest grew up in the era of GPS and twenty-first-century technology. Among many topics, the pilots reflect movingly on the time spent away from home because of their career, a universal reality for all mariners. As many pilots say when they talk about the river, "I hate her when I'm with her, and I miss her when I'm gone."

Life as a Mississippi Riverboat Captain Laura Sullivan, 2017-12-15 With the acquisition of new land in the 1800s, there were many opportunities to travel along waterways, such as the Mississippi River. One profession was that of a riverboat captain. Readers learn what it was like to operate the boat, live on the ship, and transport goods and people along one of the United States' main corridors.

Race for Freedom Lois Walfrid Johnson, 2013-03-25 Jordan escaped slavery once. Must he escape again? Ashadowy figure lurks on the dark riverfront near the Christina. Libby is sure that it must be the cruel slave trader Riggs, who has vowed that no slave of his will ever escape alive. Does Riggs suspect that the runaway Jordan is hiding on her pa's steamboat? Track Libby, Caleb, and Jordan in the second book of the Freedom Seeker's series as they race to keep Jordon free from the clutches of slavery. Libby and Caleb scan the crowds of passengers bound for the Minnesota Territory. Has Riggs slipped by and boarded the Christina unnoticed? From the golden age of steamboats, the rush of immigrants to new lands, and the dangers of the Underground Railroad come true-to-life stories of courage, integrity, and suspense in the Freedom Seekers series.

The River's in My Blood Jane Curry, 1983 Riverboat pilots tell their stories.

Riverboat: The Evolution of a Television Series, 1959-1961 S. L. Kotar, J. E. Gessler, 2009-12 Capitalizing on Darren McGavin's irresistible charm and his success on the small screen, Revue Studios cast him in their new series, *Riverboat*, which premiered in 1959. Since McGavin was also starring in Mike

Hammer at the same time, he became the first actor to simultaneously star in two television series. Co-starring the young and inexperienced Burt Reynolds, the series captured a devout audience but suffered from numerous production problems, including what later became a well-publicized feud between McGavin and Reynolds. After completing thirty-one episodes its first season, Riverboat was renewed (with the costarring role going to Noah Beery, Jr.), but lasted only thirteen more episodes. Now, fifty years later, though never released on video or DVD by Universal Studios, Riverboat maintains a devoted fan base. S.L. Kotar and J.E. Gessler, are webmasters of Darren and Kathie Browne's authorized web site (www.darrenmcgavin.com), and wrote the highest-rated episode in Gunsmoke's twenty-year history.

Riverboat Reckoning Jon Sharpe, 2014 All aboard...for danger! Skye Fargo is working his way up and down the Mississippi River looking to stop a band of deadly river rats from destroying a valuable riverboat line. But it won't be easy--because the truth behind the attacks leads to a conspiracy with more twists and turns than the mighty Mississippi itself....

The Riverboat Phantom Chris Eboch, 2009-08-04 Thirteen-year-old Jon and his eleven-year-old sister, Tania, are typical kids--except Tania can communicate with ghosts. Their parents also happen to be the producers of a ghost-hunter television show--and have no idea one of their own kids can see ghosts. In *The Ghost on the Stairs*, the brother-sister duo join forces to help reunite a newlywed couple from beyond the grave. In *The Riverboat Phantom*, Jon and Tania try to help the ghost of a steamboat worker find peace at last--and find more than they bargained for on the river!

Riverboat Douglas Hirt, 2004 Gambler Dexter McKay has a heavenly way with a deck of cards -- and a devilish bag of tricks when his luck runs out ...

The Adventures of Riverboat John: Glimpses of Huntsville in the 1950s Riverboat John Ferguson, 2009-10 For years, Riverboat John Ferguson has captivated audiences the world over as a guitar pickin', song singin', storytellin' original. Now, for the first time ever, you can take home Riverboat's strolling song and story act in this collection of boyhood hijinks, long lost traditions and unmistakable southern charm. Born on the blue-collar banks of the Tennessee River in Huntsville, Alabama, Ferguson's homespun memories are sure to resonate with anyone who remembers life in the 1950s. Read about the time he took a wrong turn and drove his first pickup truck into the Elk River, his first disastrous attempt at eating barbeque chicken with silverware, the day television came to town, the time he left home on a train and so many more. So settle in, kick up your feet and enjoy this one-of-a-kind glimpse into Huntsville in the 1950s from the man heralded by *The New York Times* as a true American minstrel. Just don't say nothin' bad about Gene Autry!

Riverboat Ruse Carolyn Keene, 2012-05-08 How about a seat at a mystery dinner on a riverboat? Yes, please! I jumped at the invitation to go along with Bess, George, and George's mom, who was hired to cater the dinner. It's all fun until there's an actual theft, and there's nothing like a good crime to stop a party. Since I've got the magnifying glass, it's up to me to catch sticky fingers before this dinner's sunk.

Mysterious Signal Lois Walfrid Johnson, 2013-06-17 In a strange city, finding help might be a matter of life or death. Can the Freedom Seekers spot the eerie signal in time to secure their safety? Jordan makes plans to travel

to Chicago and turn over the gift to help fugitive slaves. But then a dangerous man escapes, and if he recognizes Libby, Jordan, and Peter, they will be in danger. When a disguise for Libby seems the only answer, it will require a sacrifice she isn't sure she's willing to make. Will a life-threatening steamboat accident and Libby's new willingness to forgive bring the breakthrough she needs? From the golden age of steamboats, the rush of immigrants to new lands, and the dangers of the Underground Railroad come true-to-life stories of courage, integrity, and suspense in the Freedom Seekers series.

Roberts, SIZE MATTERS Dean Dillon just acquired the biggest riverboat ever made, and he wants his good friend Clint Adams, better known as the Gunsmith, aboard for the maiden voyage Clint goes along for the ride, but given Dean's checkered past—and the boat's considerable weight—he can't help wondering if this latest venture will sink or swim.
